**Dr. David F. Lewis
Superintendent of Education**

August 17, 2020

Members of the Board of Education and the Citizens of Muscogee County

After careful deliberation, we present to you the Superintendent's Recommended General Fund Budget for the Muscogee County School District for the July 1, 2020 through June 30, 2021 year enclosed herewith.

This document represents the collaborative efforts of stakeholders throughout our organization, and includes those proven initiatives designed to help all students achieve high standards of learning because we believe that all students can learn. It is through these efforts that we are able to work together collectively as a district in the allocation of available resources to establish a budget which supports our vision.....of becoming a beacon of educational excellence where all are known, valued, and inspired.

In the building of the District's FY 2021 General Fund Budget, the financial landscape of the state and local economy as a whole serve as a backdrop in defining the District's budget parameters. Budget parameters include those considerations that will be forefront in the budget development process. This budget was built in accordance with the parameters as established by the Board.

Throughout the budget development process, the District, as in prior years, made a conscientious effort to ensure that the budget included funding for those programs and enrichment initiatives that will propel student learning to heightened levels as we continue in our efforts to be a premier school district.

General Fund Revenues

The District is projected to realize Total General Fund Revenues of \$278.4 million, which is \$12.3 million or 4.26% below FY 2020. This projected decrease in Total Revenues is primarily attributed to the year-over-year decrease in State Revenues. State Revenues, which continue to represent the dominate funding source for the District at 58.08% of Total General Fund Revenues is down \$12.3 million or 7.11% over FY 2020. This decrease in funding is basically due to the negative effects of the COVID-19 pandemic on state revenue. This reduction in funding is shown on the QBE allotment sheet as the Austerity Reductions line item. This is the first time in two years the state has been unable to fully fund its share of the State QBE programs.

Local Property Tax Revenue, including Title Ad Valorem Tax, which accounts for 40.62% of Total General Fund Revenues, is projected at \$113.1 million, which is \$1.3 million or 1.2% above FY 2020. The preliminary tax digest received for Calendar Year (CY) 2020, FY 2021, reflects a year-over-year decrease from CY 2019 of 4.82%. Due to changes in the law, the title ad valorem tax was removed from the digest and is now separately reported. The TVAT is estimated to generate \$5 million in revenue for FY 2021. The District anticipates receipt of the final tax digest for CY 2020 in August. The final mill levy for CY 2019, FY 2020 was adopted by the Board on July 20, 2020 keeping the millage rate the same as in the prior year.

General Fund Expenditures

The Total General Fund Budget for FY 2021, which includes transfers out to other funds, is approximately \$290.2 million, which represents a decrease of \$18.3 million or 5.94% below the FY 2020 budget. This balanced budget includes Total Expenditures of \$284 million. Of this amount, \$255.4 million or 89.93% is dedicated to Salaries and Fringe Benefits, and \$28.6 million or 10.07% is allocated to Operational Expenditures.

Highlights of the items included in the FY 2021 Budget are as follows:

- Step increase for certified personnel paid on the certified personnel pay scale. Step increase for the non-certified staff on pay scales that step. Note: the management pay scale does not have steps-no increases will be passed along to these individuals.
- Approximately 20% cut to Instructional, Media, Magnet, CTAE, Art, and School Admin expenditures. (\$600,000)
- Reduced travel expenditures (\$230,000)

Highlights of the items included in the FY 2021 Budget are as follows (continued):

- Reduced district paid AP exams (\$100,000)
- Tiered Furlough Days
 - 190 Calendar-5 days
 - 200-220 Calendar-6 days
 - 240-249 Calendar -7 days
 - Superintendent-9 days
- Eliminate Positions, 9 Part-time Security Patrol positions
- Eliminated Positions, Staff reassigned
 - 19 various teaching positions through attrition and changing needs
 - 8 plant service positions through attrition
 - Project Manager, Museum Admin, Assistant Principal (St. Elmo) through attrition
 - 20 Positions from AIM Success Center reassigned to vacant positions
 - 30 Dean Positions eliminated from general fund. Position were moved to grant funded positions or staff reassigned to vacant positions
- Expenditures related to various supplemental instructional programs (Lexia, Achieve, IXL, Renaissance, Turnitin) were move out of the General Fund and will be funded in FY 2021 through grant funding (\$1,630,000)
- The following expenditures have been moved from the General Fund to the CARES Act Grant: Behavior Support Program (5,670,000), Certain Textbooks (922,330), Custodial and Grounds (partial) Contracts \$2,685,977. In addition, the CARES ACT Grant will fund various COVID-19 Pandemic related supplies and other expenditures
- Decrease to Teacher Retirement System (TRS) employer rate, effective July 1, 2020. TRS rate decreases to 19.06% from 21.14%, which is up 2.08% over FY 2020
- Transfer out to Chattahoochee Valley Regional Library System of \$6.1 million, a decrease of \$477,870
- Usage of fund balance to balance the budget while addressing projected funding shortfall of \$11.7 million

Transfers Out

Transfers Out to Other Funds for FY 2021 total \$6,115,171 million, which is down \$477,870 or 7.25% from FY 2020. To address the severe funding shortfall projected for FY 2021, the District eliminated the transfer-out to the Capital Projects Fund. The transfer-out to the Chattahoochee Valley Regional Library System represent the entire amount of the transfer-out for FY 2021.

Fund Balance

Administration projects the usage of \$11.7 million of Fund Balance to balance the budget. The projected Ending Fund Balance of \$23.6 million is approximately 23.39% of projected local property tax revenues and 29 days of operational expenditures and transfers-out after considering strictly remaining unassigned fund balance.

The year-over-year changes in the General Fund Budget, which compares FY 2020 Adopted to FY 2021 Proposed are as follows:

MUSCOCKEE COUNTY BOARD OF EDUCATION

FUNCTION AND COMPOSITION

All matters relating to the education and operations of the Muscogee County School District are governed and controlled by the Muscogee County Board of Education, as provided by Georgia law.

The Board has the responsibility to maintain a reasonable uniform system of public schools providing quality education for all young people of Muscogee County. With the advice of the Superintendent, it must determine the policies and prescribe the rules and regulations for the proper management of the school district.

The Board is legally responsible for the operation of the District and for establishing all related policy. The Board currently consists of nine elected members, eight elected from single member districts and one elected at-large. Georgia law requires each member of the Board of Education to have been a resident of the education district from which he or she seeks election for at least one year prior to the date of his or her election. Georgia law also requires that the elected official remain a resident of that education district during his or her term of office. The members are elected to staggered four-year terms. The Board has independent taxing authority, which began in fiscal year 1995.

Regular meetings are held on the third Monday of each month at 6:00 p.m. in the Board Room at the Muscogee County Public Education Center. All meetings are open to the public. Special meetings may be called at other times by the Board Chairperson. At all meetings, a majority of the entire membership constitutes a quorum. The Board annually elects a Chairperson and Vice-Chairperson from its members.

The Board Members and terms are as follows:

Dr. David F. Lewis
Superintendent of Education
Muscogee County School District

Dr. David F. Lewis began his career with Polk County Public Schools in 1979 as band director at Fort Meade Middle-Senior High School. He became Assistant Principal at Fort Meade Middle-Senior and also served as Assistant Principal at Frostproof Middle-Senior High School. He served as Principal at Frostproof Middle-Senior High School for ten years.

While at Frostproof High School, Dr. Lewis was the recipient of numerous local and state awards to include: School-to-Work Administrator of the Year, Florida Music Educators' Association Administrator of the year, Polk County Outstanding High School Principal, Frostproof Chamber of Commerce's Man of the Year, Education Commissioner's Award for Outstanding Leadership, Polk County's Principal Achievement Award, and Florida Principal of the Year.

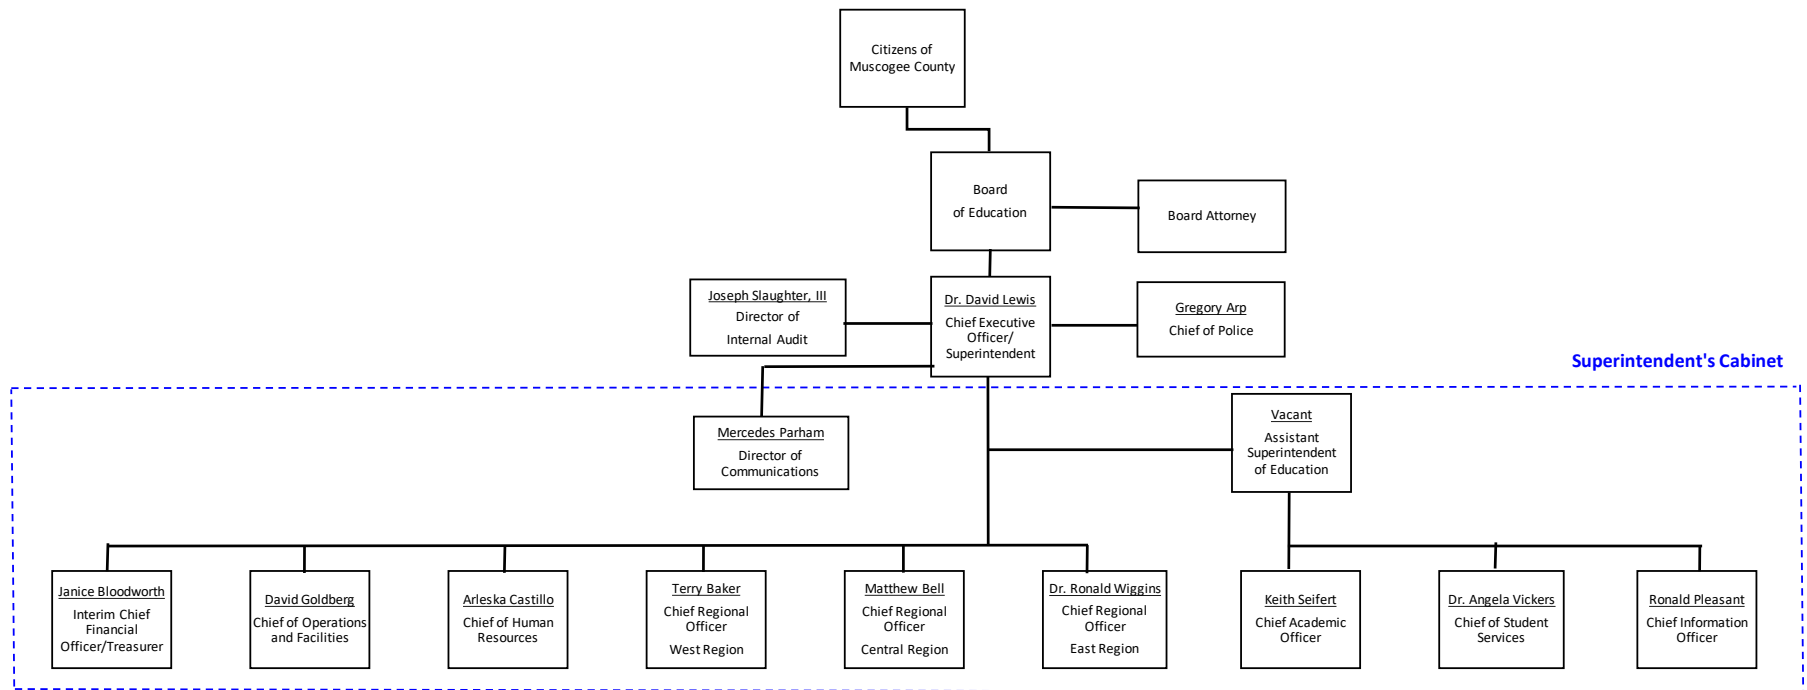

In 2004, Governor "Jeb" Bush made an official visit to Frostproof Middle School in recognition of the school's successful reading initiatives under Dr. Lewis. In 2005, Dr. Lewis was promoted to the district level position of Senior Director of High Schools, and was appointed Senior Director of Secondary Education in 2009. Effective September 1, 2010, Dr. Lewis was appointed as the Associate Superintendent for Learning of the Polk County District where he provided direct oversight for the curriculum and learning needs of 95,000 students, 6,000 teachers, and a \$126 million budget.

During his tenure in this leadership role, the district achieved seven consecutive years of improved graduation rates and was recognized as College Board's large District of the Year for the greatest increase in both student participation and performance on Advanced Placement assessments, particularly that of under-represented populations. Other leadership positions held by Dr. Lewis include President of the Division of Instructional Leaders for the Florida Association of School Administrators and President of the Florida School Music Association.

On July 23, 2013, Dr. David F. Lewis was appointed to the position of Superintendent of Education for the Muscogee County School District. On December 4, 2014, Dr. Lewis completed his dissertation to earn his doctorate degree in Educational Leadership. On June 12, 2015, Dr. Lewis received his doctorate degree in Educational Leadership. He is married to Karen, his wife of over 35 years. Karen Lewis is a retired educator. They have three children, Monica, Douglas, and Stephanie, and one grandson, Noah David.

MCSD Initiatives, Achievements, and Certificates

The District remains committed to addressing its challenges as it strives toward reaching the goal of becoming a premier district in Georgia. The district's top three challenges in prioritized order include:

- Ensuring high expectations in support of all students achieving graduation and success beyond
- Ensuring flexible and formalized staffing and operational processes in support of student achievement
- Ensuring the system's culture reflects the transition from compliance to commitment as evidenced through engaged stakeholders

Some of the initiatives and achievements earned through Fiscal Year 2020 include:

Initiatives:

- Launched first phase of the Personalized Learning initiative that focuses on providing individual support and ensuring mastery based on each student's strengths, needs, and interests. This initiative was aided by the rollout of 1:1 student-learning devices for all middle and high school students.
- Continued to integrate Multi-Tiered System of Supports (MTSS) framework of evidence-based assessment and intervention with the school-wide, multi-level prevention system to maximize student achievement and reduce behavioral problems,
- Expanded the Behavior Support Program, working in collaboration with our partnering educational company ChanceLight Behavioral Health, Therapy, and Education to provide mental health therapeutic supports, social-emotional learning, behavioral observations, and other related behavior supports.
- Established the police department allowing for full-time school resource officers to provide safety for students
- Continued use of Positive Behavior Intervention Strategies (PBIS) to improve discipline and reduce out-of-school suspensions

Achievements:

- Board of Education recognized as Distinguished Board for 2020
- According to a release from the Georgia Department of Education (GaDOE), the Muscogee County School District (MCSD) has increased its percentage of students identified as Proficient and Distinguished Learners in 70.8% (17 out of 24) of the content areas assessed by the 2019 Georgia Milestones End of Grade (EOG) and End of Course (EOC) tests. The District outperformed other Tier II comparison groups throughout the state in 17 out of 24 (70.8%) assessed content areas.
- The 2019 American College Test (ACT) subject results for the Muscogee County School District Showed an increase in all content areas (reading, English, math, and science) from 2018 scores. Muscogee County School District 2019 SAT results saw improvements in the District's reading and writing, math, and composite scores from 2018 scores. The District's reading and writing scores exceeded both the state and national averages. The District's math scores tied both the state and national averages.

Awards

- **Budget Presentation**

The Muscogee County School District was presented the 2018/19 Association of School Business Officials International (ASBO) Pathway to the Meritorious Budget Award. This award represents a significant achievement for the District. It reflects the commitment of the governing body and staff to meeting the highest principles of governmental budgeting. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

- **Financial Reporting**

The Government Finance Officers Association of the United States and Canada (GFOA) and the Association of School Business Officials International (ASBO) awarded the Certificate of Achievement for Excellence in Financial Reporting and the Certificate of Excellence in Financial Reporting, respectively, to the Muscogee County School District for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2018.

This marks the thirty-third and twenty-six consecutive year that the District has submitted and successfully achieved the prestigious Certificate of Achievement for Excellence in Financial Reporting from GFOA and the Certificate of Excellence in Financial Reporting from ASBO, respectively. To be awarded these awards, a government unit must publish an easily readable and efficiently organized comprehensive annual financial report that meets the prescribed program standards required by each organization. The report must also satisfy both generally accepted accounting principles and other legal requirements and

regulations. Both certificates, the Certificate of Achievement for Excellence in Financial Reporting and the Certificate of Excellence in Financial Reporting, are only valid for a period of one year. The District will submit the CAFR for the current fiscal year to both GFOA and ASBO for consideration. We are confident that the document continues to meet the standards for award.

- **Procurement**

For 2019, the Muscogee County School District was awarded the nationally recognized Achievement of Excellence in Procurement Award by the National Procurement Institute, Inc. (NPI). This esteemed award is earned by public organizations that demonstrate excellence in the areas of innovation, professionalism, e-procurement, productivity, and leadership attributes of the procurement process.

Attainment of this award was the result of the District's system-wide implementation of procurement best practices. Muscogee County School District is proud to be one of only 13 agencies in the state of Georgia and one of only 26 school districts in the United States and Canada to receive this award. This marks the first year that the District has earned this recognition. The District remains committed to continuous improvement regarding its purchasing policies and procedures and will pursue the award for fiscal year 2020.

FY 2021 Budget Parameters

Background and Rationale:

The Economic outlook of the State of Georgia has a significant impact on defining the ability of the State to participate in the funding of public education. Statewide. The COVID-19 pandemic that altered the everyday lives of Georgians dramatically impacted state revenue as well. On June 22, 2020, Governor Kemp lowered the revenue estimate for the FY 2021 budget by \$2.19 billion, or 7.8%, to reflect the decline in collections. The governor's revised revenue estimate of \$25.9 billion in state funds includes \$250 million from the Revenue Shortfall Reserve (RSR) to help offset budget reductions in the most critical areas.

Despite the reductions that were required to balance the FY 2021 budget to the revised estimate, the General Assembly maintained its priorities by restoring cuts and mitigating reductions to the greatest extent possible in several key areas including public education. However, K-12 education is the largest single expenditure in the budget, totaling \$9.6 billion, or 44.1% of the state general funds budget. With a revised revenue estimate reflecting a decline to state general fund revenues, it is nearly impossible to balance the state's budget without a reduction to K-12 education.

Governor's FY 2021 Budget

For FY 2021, the Governor provided funding for the following initiatives statewide:

- The Quality Basic Education (QBE) formula and corresponding grants are reduced by \$950.2 million to reflect a temporary decline in state revenues. Other enrollment-driven grants are also impacted, including reductions of \$6.1 million to the Georgia Network for Educational and Therapeutic Supports (GNETS), \$4.2 million to the Preschool Disabilities Services, and \$155,195 to Tuition for Multi-handicapped.
- The FY 2021 budget reflects \$457 million in federal funds for the Elementary and Secondary School Emergency Relief Fund that was authorized by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Of the total funds, \$411.5 million was sent directly to school districts based on Title I formula allocations.
- \$141.7 million for enrollment growth and training and experience.

- No reductions were made to Equalization or Sparsity grants.
- The FY 2021 budget does not reduce funding for the Nutrition and Pupil Transportation programs, both of which have been instrumental in ensuring students have access to healthy meals during the COVID-19 pandemic.
- The budget also includes \$20 million in the bond package for school bus replacement and \$1.25 million to incentivize the purchase of alternative fuel school buses.
- HB 793 includes an additional \$303,780 for projected growth of one AP exam for free and reduced-price lunch eligible students, and one science, technology, engineering, and math (STEM) exam per student.

FY 2021 Budget Parameters**

In the building of the District's FY 2021 General Fund Budget, the state's financial landscape serves as a backdrop in defining the District's budget parameters. Budget parameters include those considerations that will be forefront in the budget development process. Below for the Board's review and consideration are the revised FY 2021 Budget Parameters:

- ✓ Step Increase for Certified Staff and Non-Certified Staff
- ✓ Certified District Level and School Based personnel reassigned to fill vacant teaching positions
- ✓ Use of tiered furlough days to assist with balancing budget
- ✓ Decrease in Transfers- \$477,870
- ✓ Delay hiring open positions, where possible
- ✓ Use of Fund Balance of no more than \$10,000,000
- ✓ Continued Use of CARES Act to fund shortfall and additional safety precautions
- ✓ Decrease in Transfers Out for Chattahoochee Valley Regional Library System by \$477,870 from prior year
- ✓ Mill Levy retained at 23.321 mills

The changes in the net maintenance and operations (M&O) tax digest as well as the changes in property tax collections are reflected above. In regards to the net M&O digest, prior to CY 2020, the most significant change occurred in Calendar Year (CY) 2017, Fiscal Year (FY) 2018. During this period, the digest grew by \$567.2 million or 12.58% over CY 2016, FY 2017. This growth was due to the complete revaluation of properties county-wide. However, the county experienced over 11,000 in appeals to the assessments provided, resulting in sharp declines in the revalued properties. For CY 2018, FY 2019, the county net M&O tax digest realized a year-over-year decline of 76,418,047 or 1.51% in comparison to CY 2017, FY 2018.

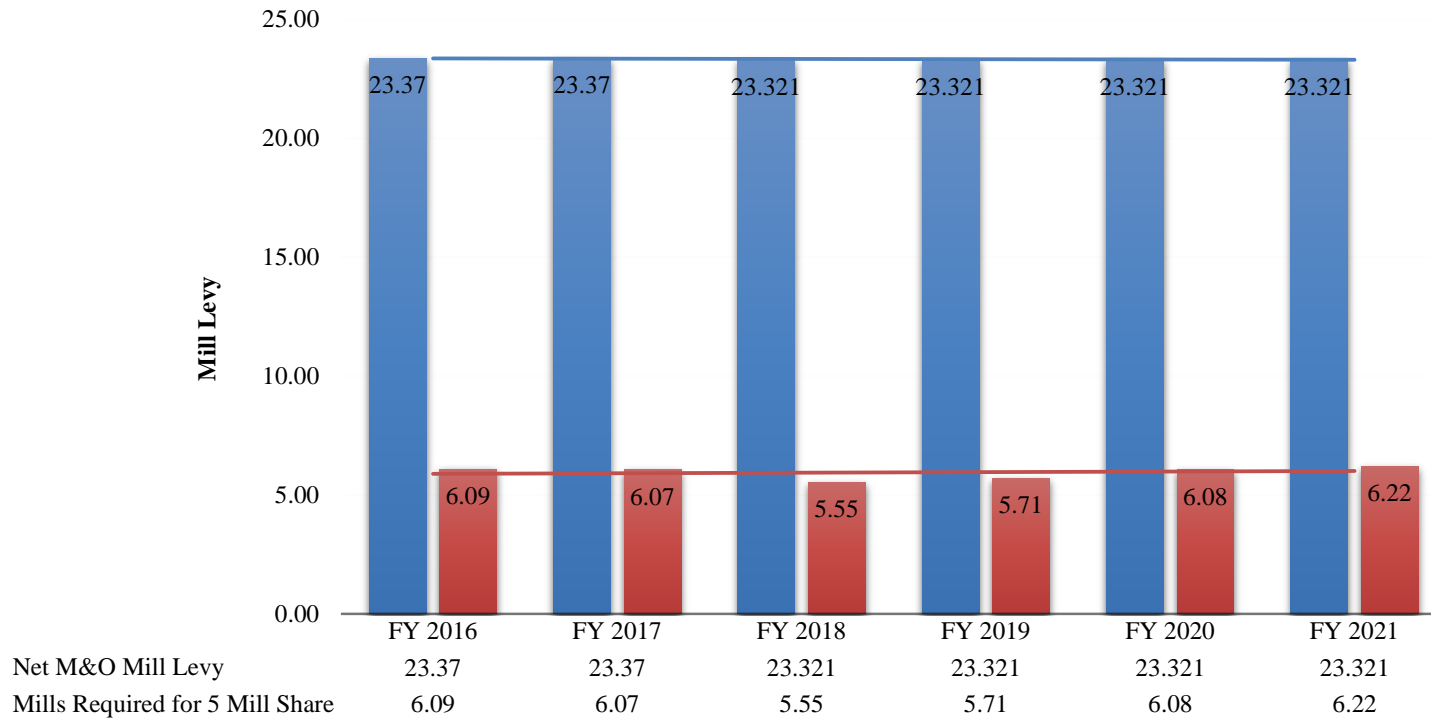

During CY 2020, FY 2021, the total digest decreased \$245.8 million or 4.82% resulting from revaluation of properties and a difference in the reporting for the Title Ad Valorem Tax (TAVT).

Muscogee County School District
Comparison of Mill Levy to Mills Required for 5 Mill Share
FY 2016 - FY 2021

As reflected in the above chart, the District has held its mill levy at 23.37 mills even while experiencing a continued increase in its required commitment to the funding of public education. The millage rate was held at 23.37 mills for eighteen consecutive years. For FY 2019, given the county-wide revaluation and the associated projected year-over-year gains in local property tax revenues, the Board voted to rollback the mill levy to 23.321 mills in hopes of realizing the 12.58% projected increase in the tax digest. Due to the over 11,000 residential properties under appeal, the projected increase in property tax receipts did not materialize.

The budget parameters for FY 2021 include maintaining the mill levy at 23.321 mills, as projected above. The District must then levy 6.22 mills to share in the funding of public education, which is 1.22 mills above the 5 mill share requirement.

Gross Maintance & Operations (M&O) Property Tax Digest
Projected FY 2021**

As reflected, Real and Personal Property account for over 98.93% of the projected gross M&O digest for FY 2021. Of the two, real property, which includes both commercial and residential properties, consistently accounts for the lion's share of values in this category. For ad valorem tax purposes, this is anticipated given that the extent of real estate in any locality will always far exceed personal property.

Note: In relation to FY 2020 (CY 2019), the Net M&O Tax Digest for FY 2021 (CY 2020) is projected to decrease by \$245 million or 4.83%. This change is mainly due to the Title Ad Valorem Tax no longer being reported as part of the annual tax digest, effective July 1, 2019. The District will receive these funds as a separate allocation each month.

MEDIA RELEASE

Columbus, GA – In an effort to restore some of the budget shortfalls facing the District, as part of the recently announced State-wide budget cuts, the Muscogee County Board of Education has announced its intention to potentially adopt a millage rate for fiscal year 2021/calendar year 2020 (FY 2021/CY 2020) that will require a maximum increase in property taxes by 3.92 percent. The proposed levy will provide additional funding needed to implement safety precautions, related to the COVID-19 pandemic, to help cover the reduction of funding for public education from the State due to the economic impact of COVID-19.

The Board has determined that this proposed mill levy might be necessary to provide the resources needed for all students to achieve as the District continues its efforts to providing premiere services. In recent years, the District has improved on all performance metrics to include the Georgia College and Career Readiness Performance Index (CCRPI), SAT, ACT, Advanced Placement (AP), and graduation rates.

With consideration to the State budget, the lack of significant increase in the property tax digest for Muscogee County further compounds the budget shortfalls; the District will face a funding shortfall, for the current year, totaling \$16,788,024. Thus, the Board of Education has deemed it necessary to levy 6.22 mills of tax to provide the local five-mill share revenue required for participation in the State education funding program.

This tentative increase will result in a millage rate of 24.321 mills, an increase of .917 mill. Without this tentative tax increase, the millage rate will be no more than 23.404 mills. The proposed tax increase for a home with a fair market value of \$125,000 is approximately \$33.47 and the proposed tax increase for non-homestead property with a fair market value of \$175,000 is approximately \$64.19.

The proposed millage rate requires a millage rate higher than the rollback mill rate. Georgia law requires that before the Board can set a final millage rate, it must hold three public hearings to allow for public input.

All concerned citizens are invited to the public hearings on this tax increase to be held through Zoom and live stream on the [District YouTube channel](#) during the following dates and times:

- Monday, July 13, 2020, 5:00 p.m.
- Monday, July 20, 2020, 11:00 a.m.
- Monday, July 20, 2020, 6:00 p.m.

The millage rate for FY 2021/CY 2020 will be set at the meeting scheduled for Monday, July 20, 2020; 6:00 p.m.

Individuals who wish to address the Board regarding the proposed millage rate may do so with the following options:

1. Virtually: to obtain an invitation to the Zoom meeting, each individual should email his/her request to Jones.Karen.P@muscogee.k12.ga.us at least three hours prior to the meeting. Each individual will use his/her personal device to access the meeting.
2. In person: Public Education Center Boardroom, 2960 Macon Road, Columbus, Georgia. Each individual must arrive no later than fifteen (15) minutes prior to the scheduled meeting start time.

Comments will be shared live as part of the Board's virtual hearing on the matter. The District is adhering to the social distancing and face covering guidelines presented by the Centers for Disease Control and Prevention (CDC) to prevent the spread of illness. Members of the public must also adhere to these guidelines to enter District property.

The mission of the Muscogee County School District is to inspire and equip all students to achieve unlimited potential. For more information, please contact the Office of Communications at 706.748.2034 or communications@muscogee.k12.ga.us.

###

Note: A press release was issued in anticipation of a possible tax increase. The Board ultimately voted to keep the levy the same, resulting in no tax increase.

EDUCATIONAL EQUALIZATION FUNDING GRANT

The Educational Equalization Grant was developed to offset some of the disparity in property tax wealth experienced by taxing jurisdictions statewide. School districts at or below the 75% property tax wealth level receive additional state funding in proportion to the amount of mills that they must levy beyond 5 mills to share in the funding of public education.

The Educational Equalization Grant funding for the District from FY 2011 through FY 2021 is reflected below. For seven of the past ten years, FY 2009 – FY 2020, the District experienced a decline in this state funding. This trend changed for FY 2021. Educational Equalization Grant funding for FY 2021 is projected to increase to \$13,950,425, which represents an increase in funding of \$6,290,071 or 82.1% from FY 2020.

Fiscal Year	Equalization Funding	Change (Dollars)	Change (Percent)

LOCAL FIVE MILL SHARE

The Local Five Mill Share is the amount of money required for a local school district to participate in the state funding of public education. For FY 2021, according to the *preliminary* property tax digest received June 2020, it is projected that the District must levy 6.22 mills to meet this requirement. This is 1.22 mills above the 5 mill share requirement. The District is projected to receive the final property tax digest for calendar year 2020 in late July 2020.

Below is the history of the Local Five Mill Share funding for the District from FY 2011 to FY 2020. For the most part, the District's required contribution has steadily increased from year to year. However, for FY 2021, the District has realized a decrease in its required contribution of \$1,081,278 or 3.61%. This would represent the highest year-over-year decrease since 2011.

AUSTERITY REDUCTIONS

The Austerity Reduction is a reduction to the State QBE Formula Earnings. It is the inability of the State to fund their share of the QBE programs; increasing the amount that local boards of education have to share in the funding of public education. This line item is used by the State to withhold earned State QBE Formula Earnings from school districts and is identified as “Amended Formula Adjustment” on the District’s annual Earnings Sheet. It is also a means to pass the revenue shortfalls realized by the State down to school districts.

During the past two years (FY 2019-FY 2020), the State was able to fully fund its share of the QBE funding formula for the first time since the onset of austerity reductions in 2003. Due to the economic impact of the COVID-19 Pandemic, the State had to reinstate this formula adjustment for FY 2021. The impact to the District totaled \$16,768,024 for FY 2021.

General Fund Expenditures:

As reflected above, Salaries and Benefit account for 89.93% of the total budgeted General Fund expenditures for FY 2021. Of these expenditures, the Division of Teaching and Learning's expenditures account for 66.78% of the District's total expenditures. This trend is consistent from year to year and expected given the nature of the district's overall operation, which is education of children.

As reflected above, the District has consistently dedicated over 65% of the General Fund expenditures to Direct Instruction (function 1000). Direct Instruction is defined as those activities dealing directly with the interaction between teachers and students. This includes those teaching activities provided for students in a classroom setting as well as teaching activities provided in a home, or hospital setting. Further, it includes those settings involving co-curricular activities. Other approved mediums such as television, radio, telephone and correspondence are also defined as instructional activities. Expenditures associated with activities of aides or other classroom assistants such as clerks who assist in the instructional process are coded to this function as well. For expenditure control purposes, the expenditures of counselors and technology specialist can be coded to function 1000.

Muscogee County School District Student Enrollment

The actual enrollments for school years as early as FY 2011 through FY 2020 are reflected on the following pages for all schools. The actual enrollment represents the enrollment as of the October Full-Time Equivalent (FTE) student enrollment count date. It is considered the official enrollment count for school districts. The FTE student enrollment count is taken each October on the first Tuesday of the month. It represents those students that were enrolled in one of the nineteen direct instructional programs defined by the state for at least one of the prior ten school days before the FTE count date.

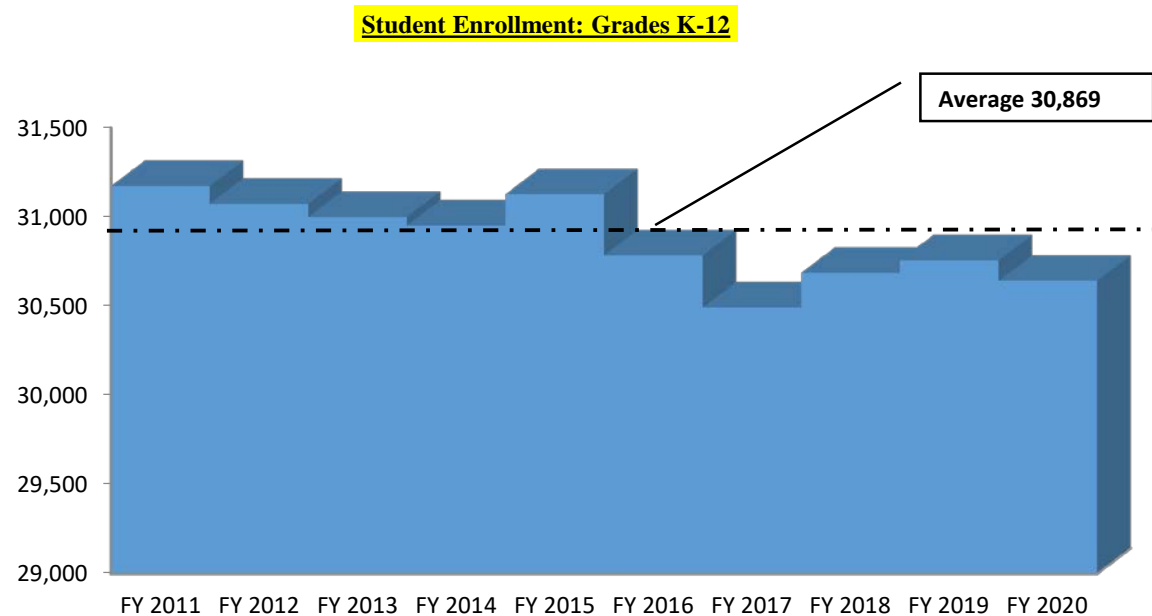

The nineteen direct instructional programs are as follows:

- Kindergarten
- Kindergarten Early Intervention Grades 1-3
- Grades 1-3
- Grades 1-3 Early Intervention
- Grades 4-5
- Grades 4-5 Early Intervention
- Grades 6-8
- Middle School Programs

- Special Education - Category I Special Education - Category II
- Special Education - Category II
- Special Education - Category III
- Special Education - Category IV
- Special Education - Category V
- Gifted
- Remedial
- Alternative Education ESOL Program

The Quality Basic Education (QBE) Act, which is the current mechanism used by the State of Georgia to provide funding for public education, requires school districts to report student enrollment in terms of FTE students. A funding weight or value is assigned to each instructional program. This value is the cost of providing the state funded courses. The base funding received for each FTE student is defined each year by the Georgia General Assembly. The number of students and the instructional programs to which the students are enrolled determine the total funding earned. Adherence to the maximum class size requirements also plays an important role in this process.

Local boards of education that are found to be out of compliance shall be subject to a complete loss of funding for the class or program that is not in compliance, unless there has been a flexibility waiver granted by the State. Since State QBE funding accounts for over 59% of the District's total revenues, the accuracy of the FTE enrollment count is critical to the district's continued solvency.

As reflected in the chart below, since FY 2011, the District's average student enrollment for grades K-12 is 30,869. The actual student enrollment for the periods referenced for grades K-12 can be found on the following page.

**Muscogee County School District
Student Enrollment**

The District's Student Enrollment trends for FY 2011 through FY 2020, as plotted on the chart on the preceding page are reflected below. In comparison to the prior fiscal year, for FY 2020 the District realized a decrease in enrollment for grades K-12 of 115 students or 0.37% below FY 2019. This decreased enrollment resulted in a projected decrease in State QBE Earnings for FY 2021.

As reflected, this is the first time in three years the District has realized a decline in student enrollment. This is primarily attributed to the transient nature of the student population.

As reflected in the chart above, for seven of the reported ten fiscal years, the District has realized a decline in student enrollment for grades pre-k through 12. This year-over-year decline has been as much as 413 students or a reduction of 1.3%, which was recently experienced in FY 2015 in relation to FY 2014. The continued decline in student enrollment is attributed to the transient nature of the student population.

A discussion regarding the enrollment trends can be found on the preceding page. Overall, the District continues to make a concerted effort to ensure that the enrollments are properly performed from year to year, capturing due funding for student growth gains.

State Health Benefits Plan (SHBP): As reflected above, for much of the years reported, school districts have realized a continued year-over-year increase in the SHBP non-certificated employer rate. For FY 2013, the non-certificated rate was over 50% *less* than the certificated rate. Beginning January 1, 2018 school districts were required to pay the identical rate of \$945 per employee per month or \$11,340 per year for both certificated and non-certificated staff. This increased rate continues through FY 2021, with no increase from the prior year. Confirmation of the SHBP rates for the upcoming fiscal year, as approved by the Board of the Ga Department of Community Health, is received in June of each year.

Teacher Retirement System (TRS):

Like the SHBP non-certificated employer rate, the TRS rate has progressively increased over the years. For FY 2013, the rate was 11.41% and grew to 21.14% for FY 2020. However, for FY 2021, the TRS rate has decreased 2.08%. This is the first decrease since FY 2013. Districts are hopeful that with the proposed new legislation regarding employee participation in TRS, that ultimately increases in this line item will be few and far between.

Public Schools Employees' Retirement System (PSERS): For most of the periods presented, the employer contribution for the PSERS 403B plans has been held constant at 1%. Beginning with fiscal year 2018, the employer contribution rate increased to 2%. This change continues through FY 2021.

Employees' Retirement System (ERS): The District has realized a continued increase in the ERS employer rate. However, for 2021 the rate is projected to remain identical to FY 2020.

As reflected above, the District has experienced a overall increase in both the State Health Benefit Plan (SHBP) and the Teacher Retirement System (TRS) employer cost. The actual cost incurred is driven by salary and wage increase as well as any mandated employer cost increases. For the most part, school districts have experienced a continued increase in the employer cost for each of these fringe benefits, resulting in increased cost of operations.

For FY 2021, the District is projected to incur SHBP employer cost of \$29.3 million, which represents an increase of \$185,483 or .64% above FY 2020. The SHBP employer cost increases from FY 2017 through FY 2020 resulted in \$4.5 million in additional expenditures for the District. The average increase for this period was 4.22%.

Likewise for the TRS employer cost, for FY 2021 the District is projected to incur total expenditures of \$31.7 million, which is a decrease of \$346,089 or 1.08% over FY 2020 resulting from a decrease in the required contribution rate from 21.14% in FY 2020 to 19.06% in 2021. Since FY 2017, the District has incurred \$11.4 million in additional TRS employer cost. The average increase for the same period was 12.88%.

The annual Transfer-Out to the CVL was approved by the Board as a FY 2021 Budget Parameter. Changes in the Net M&O tax digest define the extent of the year-over-year change in the transfer-out amount.

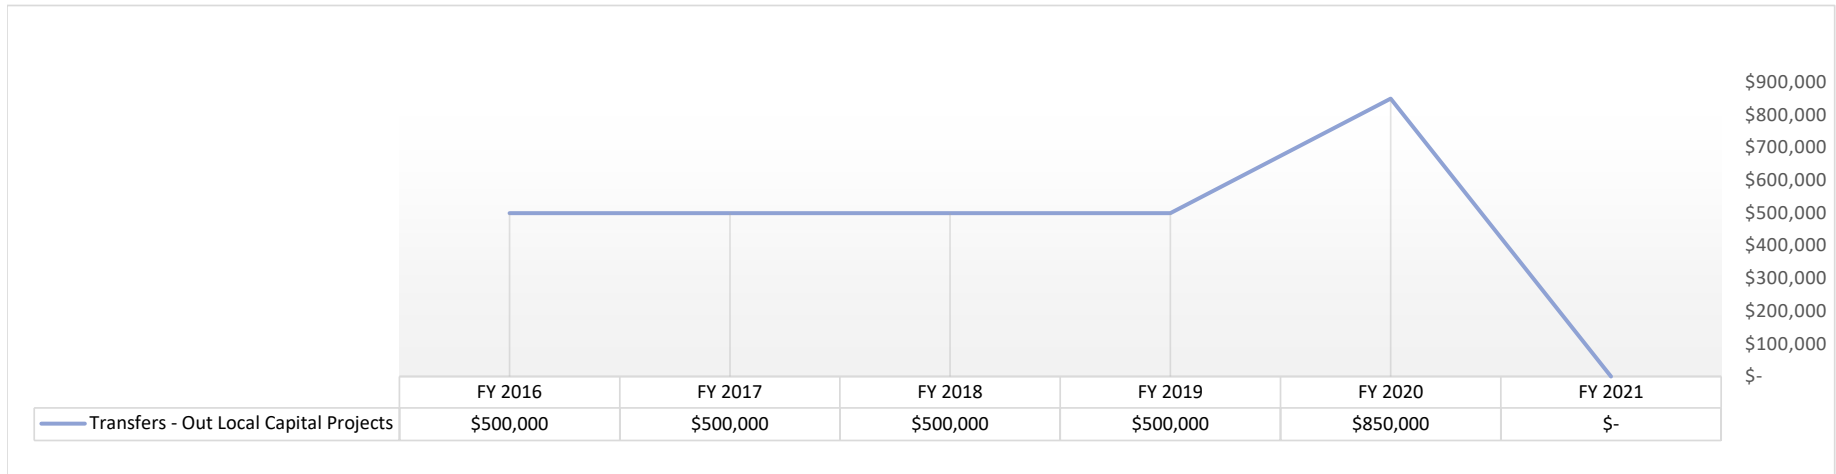

Due to the county-wide revaluation of local properties for calendar year 2017, the transfer-out to the Library for FY 2018 was increased to agree with the initial certified digest received on August 25, 2017. This resulted in an \$800,106 increase for a total increased transfer-out of \$902,865 for FY 2018 to comply with the 1.50 transfer-out mill agreement. However, due to the extensive number of properties under appeal (over 11,000) and the resulting reduced assessments, the District did not realize the increased tax revenues projected for FY 2018. Upon receipt of the final digest, we have since learned that the FY 2018 digest actually decreased considerably below the projected increase due to reassessments resulting from appeals. These reduced values serve as the basis for both the FY 2019 (CY 2018) and FY 2020 (CY 2019) tax digest.

Given that the FY 2019 (CY 2018) digest reflected a final year-over-year decrease in value of 1.51%, the District budgeted the FY 2020 Library transfer-out identical to the initial FY 2019 budgeted amount. In addition, this assisted the District in addressing the significant funding shortfall projected for FY 2020.

Based on the significant funding shortfall projected for FY 2021, the Library transfer out will equal approximately 1.3 mills.

Routine capital expenditures which entail those purchases designed to provide for the maintenance and operations of the District's facilities are budgeted to the local capital projects fund. This fund that is financed by a transfer from the General Fund also provides for the safety and security of the District's facilities as well as facility improvements and energy conservation measures. Included each year in the Board's annual budget parameters is an allocation to the local capital projects fund. In FY 2020, proceeds from the sales of property were transferred to the Capital project fund. In FY 2021, no funds will be transferred to capital projects.

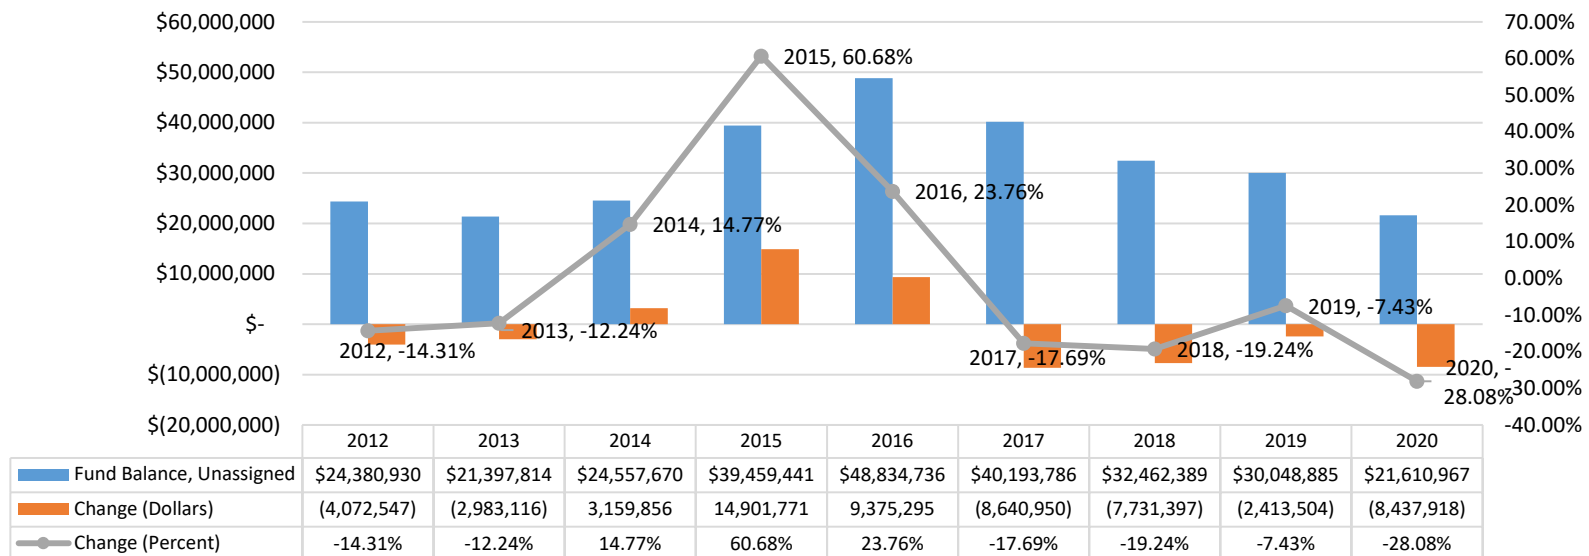

FUND BALANCE

Fund Balance - General Fund

Unassigned or unreserved fund balance represents that portion of the Total General Fund's Fund Balance that is not restricted, committed, or set aside for a specific purpose and occurs when the revenues and other financing sources exceeds expenditures and other financing uses. The unassigned fund balance also includes the accumulation of revenues in excess of expenditures for prior fiscal years. The primary purpose of the Unassigned Fund Balance is to provide for the maintenance and operations of the District during the summer months while awaiting receipt of the new property tax revenues associated with the current year's assessments. In Muscogee County, property taxes are generally levied in October and payable in two installments with the total taxes due sixty days after the initial billing, which is on December 1st each year.

The recommended General Fund Unassigned Fund Balance is predicated on the anticipated local property tax receipts. It is recommended that school districts maintain a General Fund Unassigned Fund Balance of 28% to 30% of anticipated local property tax receipts. For FY 2021, this would equate to a low of \$30.3 million to a high of \$32.4 million. As reflected in the chart below, the FY 2021 projected General Fund Unassigned Fund Balance of \$21,610,967 is below this recommended amount. The District is projected to recognize a \$11.7 million or 33.1% reduction in the Total General Fund, Fund Balance for the June 30, 2021 fiscal year end. This decrease in fund balance, however, is primarily due to the continued shortfalls in revenues. This funding shortfall is expected to continue for years to come as the District, like school districts from across the nation, is asked to do more and more with funding that fails to keep pace with unfunded mandates, growing students needs, and the rising cost of overall operations to meet these needs.

The chart below depicts the Unassigned Fund Balance trends for FY 2011-2021, with FY 2019 and FY2020 reflecting the current projections
