Block Waiver

Seniors may waive one period each term.

Seniors who wish to waive a class period (1st or 4th period) must meet the following criteria:

- 2) Be eligible – 2.0 GPA, less than 2 F's, no discipline/behavior issues, and good attendance (including tardies).

Students are not to be on campus during the waived period.

NOTE: Having a Block Waiver for one or both terms will automatically disqualify a student from Valedictorian/Salutatorian consideration.

Credit Deficiency Policy

Students and parents must stay on top of academic progress (Student and Parent Connect are great resources to track grades, assignments, and progress towards graduation).

Should your student fail a required course for graduation, they **MUST** repeat the course through Manteca Adult School Credit Remediation.

Eligibility Information

Eligibility Policy

Students will be ineligible for extra (i.e. athletics, clubs, dances -- including those held at other schools) and co-curricular performance activities (i.e. band, drama) for any of the following reasons:

- Less than 20 units per term
- Less than 2.0 GPA previous semester
- Two (2) F's or U's in a grading period
- Suspended 5 days or twice (less than 5 days) in the same grading period = "U"
- Students become eligible on the 46th school day after the suspension(s)
- Grades calculated on 4 point system; AP and Honors classes may be weighted.

Seniors receiving a 5 day suspension, 2 suspensions of less than 5 days, or 2 U's for the fourth quarter will not participate in the graduation ceremony and activities. Seniors must be eligible to attend Grad Night.

Citizenship Grades

The staff of Lathrop High has high expectations for student behavior. All students will receive a citizenship grade each semester. Citizenship guidelines are as follows: attending class regularly,

- being on time with all necessary materials,
- completing homework on time,
- meeting deadlines,
- doing work independently when requested,
- exercising care of school equipment,
- showing respect for students, staff, and others,
- not disrupting class, and
- exercising good conduct.

If a student receives two "U" grades on a report card, he/she is ineligible for the next semester. Unsatisfactory citizenship may be earned for exhibiting inappropriate behavior, being disruptive, being uncooperative, or interfering with other students' learning.

How to Calculate Your GPA

Assign grade points to each letter grade:

- A = 4.0 grade points
- B = 3.0 grade points
- C = 2.0 grade points
- D = 1.0 grade points
- F = 0.0 grade points

Calculate total grade points earned: Add up all the "grade points earned" for each course you have taken.

Calculate GPA: Divide the total grade points earned by the number of classes taken. The formula is:

$$\text{GPA} = \text{Total Grade Points Earned} / \text{Total Number of Classes}$$

Pathways to Academic Success

Academic Block L and Lamp

The Academic Block L is achieved by earning:

- A grade point average (GPA) of 3.6 or higher for three terms.
- For every two additional terms with a 3.6 or higher, the student will earn a Lamp Pin.
- Throughout four years of high school, a student can earn up to 1 Academic Block and 2 Lamp Pins.

See your counselor for an application.

Honor Cords

Department honor cords recognize a student's academic accomplishments according to specific department criteria. Honor Cord requirements are updated annually.

Students who meet requirements within each department must submit an application for review. If approved by Department Chair, students will be presented with a colored honor cord that can be worn at the graduation ceremony.

Applications are available in April.

Seal of Biliteracy

This San Joaquin County Office of Education award is given in recognition of seniors who have attained proficiency in 2 or more languages as demonstrated by meeting the California State requirements.

Attendance Policies & Information

When Absent...

All absences must be cleared through the Attendance Office by phone (938--6350) **WITHIN 5 WEEK DAYS**, i.e. if a student is absent on Friday, the absence must be cleared by the following Friday, **INCLUDING** holidays.

Documentation is recommended for medical/ dental appointments. Parents are encouraged to schedule medical appointments after school hours.

****Failure to clear absences WITHIN 5 WEEK DAYS will result in Saturday School. Unexcused absences cannot be cleared beyond the 5 day limit. A doctor's note is required after 3 consecutive days of absence.****

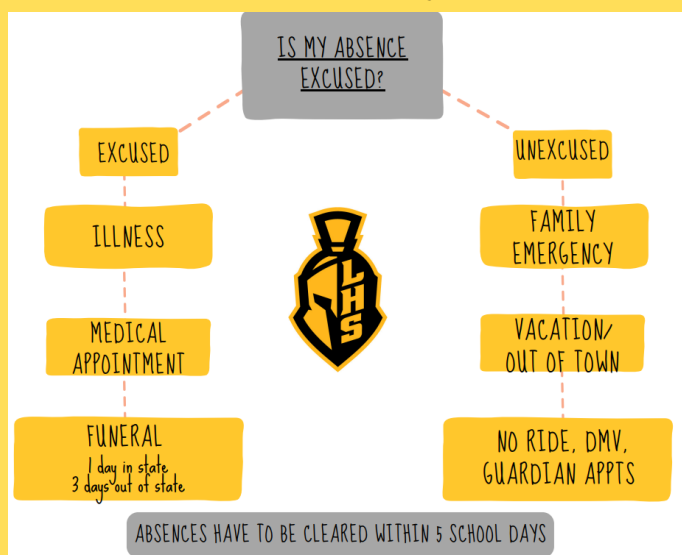

Types of Absences:

- Excused: illness, medical appointment, (doctor note required after 3 consecutive days), funeral; (one day in state, maximum of three out of state; memorial card or letter from funeral home required), family emergency (acceptable explanation must be provided), school sponsored activity
- Unexcused: vacations, missing bus, no ride, oversleeping, baby-sitting, shopping, out of town, working, unexplained, functions or appointments for other persons, translating for other persons, club/travel sports and dance competitions, graduations, DMV appointments, sibling performances, are some examples of unexcused absences.
- Must be pre-approved (documentation required): college visit (juniors/seniors only; requires preapproval form and documentation, for 3 days per year), religious holiday/retreat/ event, court, Military Entrance Processing Station (MEPS; not to exceed more than 3 days without administrative approval).

Make-up for Excused Absences

Students with excused absences are entitled to make up all work for full credit. Students must be responsible for arranging all such make up with each teacher. Students shall have no less than two (2) days make up time for each day of absence up to five (5) days. This time shall exclude weekends and holidays. At the teacher's discretion, time limits may be extended. Each teacher shall determine the standards necessary to receive a grade.

Physical Education, Band, Choir and Ag FFA require attendance for participation in and performance of course work. Thus, these courses may use penalties for reason of absences, if attendance is an integral part of the grade and that such standards are uniformly implemented throughout the department. Penalties may include lowering of a grade. Board Policy 6154.

Board Policy No. 5113a A student should not be absent from school without the parent's knowledge and consent. Students will be allowed to be absent from school, for reasons expressly authorized by applicable law. Verification of absence can be verbal, in person or written to be determined by the principals. The Board of Education directs that absences for "justifiable personal reasons" under Education Code Section 48205 shall be granted only for comparable short-term absences (maximum: five days) unless a longer time is required by applicable law. Absences for School Activities

No academic penalty shall be issued because of absence(s) for a school sponsored activity. Work due on the day of absence is expected to be turned in, on, or before the day the absence occurs, and every effort must be made by the student to get assignments done prior to known absences.

Check Out Procedures

Students who must leave prior to the end of the school day MUST check out through the Attendance Office.

Call the Attendance Office to check out your student for appointments. The office will send your student a pass to leave class at the appropriate time to check out through the attendance office.

Parents are encouraged to make all appointments after school hours whenever possible, as this will lessen instructional disruptions. Failure to properly check out of school will result in an unexcused absence plus disciplinary action: either detention or Saturday School.

Students are not to use personal cell phones to call home to check out, as the Attendance Office must contact parents first. Please, do not leave a message on the recorder to check students out

Poor Attendance

Consistently poor attendance and trancies will lead to several negative ramifications:

- Parent notification and truancy letters
- Referral to Vice Principal for parent conference
- Referral to SARB (Student Attendance Review Board)
- Excessive absence letter to improve attendance (after 6 excused absences)
- Pre-medical warning letter to improve attendance (after 10 excused absences)
- Medical note requirement from doctor for each absence— telephone advice is not accepted (after 15 excused absence)
- Saturday School/suspension
- Community School referral

Automated Calling

Our automated dialing system calls home nightly for absences and tardies of one or more periods, unless cleared ahead of time.

Clearing Absences Made in Error

To correct a student absence that was marked in error, the student must have their teacher email the attendance clerk verifying the student was present on the day in question. It is the responsibility of the student to take care of this task. A parent may also contact the teacher to verify the absence made in error and get the error corrected.

Tardy Policy

As per school policy, any student who is late to class (unexcused) will be assigned detention. The following steps will be taken:

1st tardy:

Teacher warning

2nd tardy:

Parent contact and detention assigned

3rd tardy:

Parent contact and detention assigned

4th tardy:

Parent contact and referral to counselor

5th tardy:

Referral to Vice Principal

Additional tardies will result in progressive disciplinary consequences, such as Saturday School or in school suspension.

Tardy sweeps will occur at random. Any student who is late to class during a tardy sweep will be assigned a 30 minute detention.

Habitual Tardiness

Reasons such as oversleeping, missing the bus or train, car problems, the alarm not going off, etc. Will not be considered as excused tardies. Such actions may result in disciplinary action, a tardy contract, other possible consequences.

Electronic Device Use Policy

Students are responsible for their own school issued device. This includes damage that occurs due to fire, water, theft, etc. Students should not loan their school issued device or charger to friends. It is the student's responsibility to notify their teacher if their device needs any repairs.

Cell Phone Electronic devices may NOT be used during class time without teacher permission.

Consequences:

1st offense:

Electronic Signaling and Communication Devices

The Manteca Unified School District Governing Board allows pupils to possess and use electronic signaling and communication devices while on campus. If directed by the driver all electronic signaling and communication devices will be in the off mode and out of sight while being transported by District-operated vehicles, and during instructional school hours; passing periods, rallies, assemblies, and other school activities during the instructional day, for all grades K-12. Electronic signaling and communication devices may be used grades K-12 before and after school, and grades 9-12 during brunch and lunch. With prior written permission from the teacher, school principal, and the parent, the student may use an electronic device in class only under the direct supervision of the teacher for instructional purposes. Students that capture photographic or digital images while on school property during the school day without prior permission of the Principal or designee may be subject to disciplinary action. Students and parents are to be advised that the District is not responsible for the theft or loss of students' electronic devices. No student shall be prohibited from possessing or using portable communication or electronic signaling devices that are determined by a licensed physician or surgeon to be essential for the health of the student and use of which is limited to purposes related to the health of the student.

Student Procedures for Reporting Sexual Harassment

Below is the procedure to follow if any student feels that he/she is being sexually harassed by another student or by a school employee or other person who is on the school grounds or at a school activity:

- Report this verbally or in writing to any school administrator, counselor, teacher, or other staff member, or to the District Coordinator of Child Welfare and Attendance. This person may be reached at 825-3200, X50735.
- You will be asked to put the complaint in writing and sign it, or the person you complained to can put it in writing and have you sign it.
- Within one school day, the person you report the harassment to will forward this information to your principal (unless he/she is the one you feel is harassing you) and to the Coordinator of CWA.
- Within one school day, the principal or Coordinator of CWA will designate a trained investigator who will initiate an investigation within two school days of receiving the report. • Your complaint will be handled in accordance with MUSD Policy 5145.8.
- Each complaint shall be promptly investigated in a way that respects the privacy of all parties concerned to the extent permitted by the law and to the extent practical and appropriate under the circumstances.
- The investigator will communicate his/her findings to you and to the alleged harasser as quickly as possible.
- After concluding the investigation, the complaint investigator will put his/her findings in writing and will forward a copy to the principal and the Coordinator of CWA within one week or a reasonable extension of time thereafter for good cause.
- A written record of the investigation will be maintained by the school and district separate and apart from your student file.

Weapons/Graffiti Laws

SB292 expands bans on weapons by also prohibiting any instrument that propels a metallic projectile, such as a BB or pellet, through pressure. It also prohibits knives or an ice pick. SB374 makes the defacing of public property or vehicles by graffiti punishable by a fine up to \$500 and a minimum 24 hours of community service.

District Policy Sexual Harassment

The Manteca Unified School District has adopted a student policy on sexual harassment (5145.81a)

The policy strictly prohibits sexual harassment by a student or employee. It is defined as unsolicited and unwanted sexual advances, requests for sexual favors, and other verbal, physical, or visual conduct of a sexual nature (EC 212.5), which can create an intimidating, hostile or otherwise offensive educational environment.

Examples of types of conduct which are prohibited or may constitute sexual harassment include:

- Unwelcome leering, sexual gestures or propositions
- Unwelcome sexual slurs, threats, verbal abuse, derogatory comments or sexually degrading descriptions
- Graphical verbal comments about an individual's body, or overly personal conversation
- Sexual jokes, stories, drawings, objects, pictures, or gestures
- Spreading sexual rumors
- Touching an individual's body or clothes in a sexual manner
- Any act of retaliation against an individual who reports a violation of the district's sexual harassment policy or who participates in the investigation of a sexual harassment complaint

Bullying

Bullying is a form of violence. It can be physical, verbal, psychological, or sexual. Here are some examples of bullying:

- Physical: hitting, kicking, spitting, pushing
- Verbal: teasing, threatening, name-calling
- Psychological: excluding someone, spreading rumors, intimidating
- Sexual: touching, assault, exhibitionism, and many of the actions listed above

Bullying may also occur through the Internet or other forms of technology. This is known as cyber bullying. It is sending or posting hurtful material. Bullying is common, but it should not be viewed as a normal part of growing up. It is more damaging to children than previously thought. Bullying has a negative effect on a student's ability to learn. Bullying/cyber bullying will not be tolerated at Lathrop High School.

Discipline/Behavior Guidelines Continued

Disciplinary Action for Less Serious Offenses:

Saturday School: students will be assigned Saturday School from 8:00am to 12:00 noon for the following reasons:

- For any unexcused absences
- For persistent behavior problems, i.e. violation of tardy agreement, leaving campus without a pass or checking out, 2 or more phone/dress code violations and any other inappropriate behavior.
- Alternative: students may perform 2 hours of work detail or 2 hours of tutoring with a staff member.

Search and Seizure

In order to keep our schools safe, MUSD policy allows for the search of students and their possessions when they are at school, on the way to or from school, or at a school sponsored activity.

Why search students?

- MUSD Board Policy 5145.12 states that it is our intent that to the extent possible we are to eliminate the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities.
- As necessary to protect the health and welfare of students and staff, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items.

When can a student be searched?

- School officials may search any individual student, his/her property, or district property under his/her control when there is a **reasonable suspicion** that the search will uncover evidence that he/she is violating the law, Board policy, administrative regulation, or other rules of the district or the school.
- **Reasonable suspicion** shall be based on specific and objective facts that the search will produce evidence related to the alleged violation.
- Board policy states "the principal or designee shall notify the parent/guardian of a student subjected to an individualized search as soon as possible after the search." MUSD policy does not require school administrators to notify parents before or during the search.

Teacher Suspension

(Ed Code 48910) a teacher may suspend a student from class for any of the acts enumerated in EC 48900 for the day of the offense and the following day. The teacher shall ask the parent/guardian to attend a conference to discuss the incident.

Detection Dogs

Lathrop High has participated in the use of detection dogs on campus to provide a deterrent for the possession or contraband items on campus. There may be routine, random inspection of areas such as lockers, classroom backpacks, gym areas, and parking lots (cars). These random inspections will be conducted to insure consistency of areas searched. The dogs are not trained to sniff individuals. The dogs will pick up scents of live or spent ammunition, traces of alcohol, and illegal substances, as well as empty alcohol containers.

Detention

Students are required to serve assigned detention in a timely manner. Contracts with the teacher and administration may follow if tardies become habitual. Unserved detention may result in Saturday school.

Other Means of Correction

In addition to traditional consequences for discipline, Lathrop High School also employs restorative practices as other means of correction, which may include:

- conflict mediation between students
- BASE Social Emotional Learning lessons to be completed as a learning tool
- student/parent conference
- Referral to Coordination of Services Team (COST)
- Referral for Valley Community Counseling services
- Tutoring/academic support
- Check in with designated staff member
- Referral to Link Crew for peer mentorship
- Alternative Placement

DRESS CODE

Manteca USD Administrative Regulation Dress and grooming AR 5132 policy states: Students In cooperation with teachers, students and parents/guardians, the principal or designee shall establish school procedures governing student dress and grooming which are consistent with law, Board policy and administrative regulations. These school dress codes shall be regularly reviewed. (cf. 0420 - School Plans/Site Councils)

The following guidelines shall apply to all regular school activities:

1. Clothing, jewelry, and personal items shall be free of writing, pictures, or any other insignia which is vulgar, lewd, obscene, profane, or sexually suggestive or which promotes the use of alcohol, drugs, tobacco, or other illegal activity.

2. Appropriate shoes must be worn at all times.

3. Clothes shall be sufficient to conceal undergarments at all times. See-through tops and bare abdomens are prohibited.

(cf. 3260 - Fees and Charges)

The dress code shall be modified as appropriate to accommodate a student's religious or cultural observance, health condition, or other circumstance deemed necessary by the principal or designee. In addition, the principal or designee may impose dress requirements to accommodate the needs of special school activities, physical education classes, athletic activities, and other extracurricular and cocurricular activities.

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

Students shall be allowed to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)

Gang-Related Apparel At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.

As necessary, the school shall collaborate with law enforcement agencies to update definitions of gang-related apparel.

Lathrop High School Title 1, Part A School-Parent Compact

The faculty and staff of Lathrop High School and the parents of the students participating in activities, services and programs funded by Title I, Part A, agree that the School-Parent Compact outlines how the parents, the entire school staff, and the students will share in the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State high academic standards (ESSA Section 1116[d]).

Educators Responsibility

Lathrop High school's responsibility is to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under Title I, Part A to meet the challenging State academic standards (ESSA Section 1116[d][1]):

- It is the responsibility of the faculty to support and work toward the MUSD goals: grade-level standards, safety, and emerging students.
- It is the responsibility of the faculty and staff at Lathrop High School to provide high quality, standards-based curriculum.
- It is the responsibility of the faculty and staff at Lathrop High School to provide high quality instruction to students using the base curriculum (and supplementary opportunities as appropriate) provided by the Manteca Unified School District.
- The faculty and staff at LHS will continue to maintain and improve a safe, nurturing and engaging environment that provides the greatest level of effective support for students to be successful.

It is critical to build a strong partnership between school personnel and parents in support of all students achieving grade level standards. In addition to traditional access to student progress (parent portal grade access and formal progress and grade reporting, automated calls), school staff seeks parent connection and collaboration through parent-teacher and counselor-teacher conferences, phone calls and emails between school staff and families. LHS uses a variety of social media platforms to keep parents aware of events, activities on campus, and upcoming academic opportunities for students. School personnel will continue to work with parents to continue to look for ways to encourage greater parent involvement on campus through parent committees and booster organizations, School Site Council, ELAC, Coffee With The Principal meetings, Parent University events, and the like. In turn, parents will avail themselves of opportunities to participate in such events and/or continue to be a part of improving the relationship between the school and the families it serves.

Parent's Responsibility

Each parent will be responsible for supporting their children's learning; and participating, as appropriate, in decisions relating to the education of their children and positive use of extra-curricular time (ESSA Section 1116[d][1]):

- Parents will take advantage of opportunities to engage with and support their children, including staying in close communication with teachers and counselors.
- Parents will regularly monitor student progress, school activities and announcements via the parent portal, school publications, emails, and social media.
- Parents will strive to create and maintain effective partnerships with teachers and school staff to encourage the academic growth necessary for students to reach their full potential.

Communication

Communication between teachers and parents on an ongoing basis through, at a minimum the following means (ESSA sections 1116[d][2][A-D]):

1. Weekly updates on students' assignments and academic progress in the student/parent portal.
2. Reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities.
3. Reasonable access to staff and opportunities to observe in classrooms.
4. Ensuring regular two-way, meaningful communication between family members and school staff, and to the extent practicable, in a language that the family members can understand.
5. Sitewide technology (hardware and software) to help keep students and parents connected to school.

This Compact was established by Lathrop High School July 2023 and will be in effect for the period of school year 2023-24. The school will distribute the Compact annually to all parents and family members of students participating in the Title I, Part A program on, or before the end of the first semester.
