Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023–24)

Fenton Charter Leadership Academy (FCLA) is an independent charter school, servicing students in grades Transitional Kindergarten through Sixth Grade. The school currently serves approximately 350 students in Sun Valley. FCLA has been in operation since August 17, 2015. Fenton Charter Leadership Academy operates under the Fenton Charter Public Schools (FCPS) umbrella. The creation of Fenton Charter Leadership Academy stems from a teacher-driven initiative to strengthen social-emotional learning ("SEL") at Fenton schools. Using the extensive research available on SEL, the educational program of Fenton Charter Leadership Academy strives to create an environment that is safe and caring, with the philosophy of social and emotional learning infusing all aspects of school, community engagement, and home life. Students, staff, parents and the immediate community participate in activities that teach and reinforce SEL skills to promote, encourage and ultimately ensure academic, social and emotional success for all students. Educators access innovative year-long Service Learning Projects to build leadership skills as they experience first-hand the impact they have on their community. Comprehensive data analysis

reveals students are exceeding growth goals and demonstrating strong academic achievement in the areas of reading and responding to informational text, problem solving, and language skills.

The mission of Fenton Charter Leadership Academy is to nurture the development of responsible, thoughtful citizens in an increasingly interdependent global society by creating environments in which students are challenged to explore, to create, and to make decisions while actively participating in and being accountable for their learning.

Opened in August 2015, Fenton Charter Leadership Academy (FCLA) is charter number 1613 in the state of California and one of five schools within the Fenton Charter Public Schools charter management organization. FCLA's charter was renewed for five additional years during September of 2018 and a material revision was approved during 2019 to expand to 6th grade beginning August 2020. Fenton Charter Leadership Academy received the highest level of WASC Accreditation during the 2019-2020 school year and continues to serve students with an exceptional instructional program with the safest learning environment possible.

Beginning the 2021 school year, the school opened its doors to the additional 22,000 square foot building for upper grade students and staff. Fenton Charter Leadership Academy continues to enhance its facility and learning program to benefit all stakeholders.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

| Reading/Language Arts | Benchmark Advance, a program of Benchmark Education, was adopted in the fall of 2016 as the school wide language arts series. Benchmark Advance is a research-based comprehensive language arts program that integrates instruction in all areas of the discipline. It incorporates high quality, multicultural, awardwinning literature with explicit instruction and ample practice. Benchmark integrates the components of a balanced literacy program under a single umbrella: phonemic awareness and phonics, fluency, reading comprehension strategies, English language development and mainstreaming strategies, differentiated instruction techniques and materials, small group strategies and resources, and vocabulary tools and strategies. Benchmark Advance is on the approved Language Arts adoption list from the California Department of Education. | Yes | 0 |
| Mathematics | i-Ready Classroom Mathematics, published by Curriculum Associates is a robust mathematics program that helps students become strong, independent mathematical thinkers. The program uses an enhanced and strategic approach to math instruction, focusing on reason, problem solving, and student-to-student conversations about conceptual mastery. The series utilizes hands-on activities to introduce new concepts with rich mathematical conversations, actively engaging students in the learning process, while concepts are developed, reviewed, and practiced over time. Students move from the concrete to the pictorial to the abstract, as opportunities for connections across mathematical strands are presented daily through | Yes | 0 |

| Science | Twig Science is a complete TK-6th grade curriculum that is approved by the State Board of Education and aligns with NGSS. This program was implemented in Fall 2019. Students are required to investigate, design, build, and understand phenomena using a blend of hands on, digital, and print resources. Each grade level is provided a supply of materials needed to conduct ongoing science experiments and engineering tasks that correspond and integrate with all subject matter. | Yes | 0 |
| History-Social Science | Freckle Education provides students with history-social studies curriculum through an online platform. Weekly units focus on learning history through diverse perspectives. In many Freckle Social Studies lessons, students will receive character cards. As they learn about historical events through their reading, they reflect on those events from the perspective of their assigned character. Program components include engaging reading passages, interactive videos, and assessments to gauge student comprehension. | Yes | 0 |

School Facility Conditions and Planned Improvements

Fenton Charter Leadership Academy is in great condition with no safety hazards or structural damage. The restrooms, sinks, fountains, playground, school grounds, windows, doors, gates, and fences are all in great condition. Facilities are cleaned throughout the school day. Maintenance staff ensures hallways, bathrooms, and lunch tables are clean at all times. They are quick to respond to teacher requests.

The classroom environment is clean, safe, and nurturing. Furniture is arranged in an organized manner to create sufficient space for movement. Student and teacher materials are assembled for easy accessibility. Student work is proudly displayed throughout the room. Learning objectives and state standards are evident in all student work displayed. Students are provided access to the curriculum from resources within the classroom. The room environment is warm, friendly, and inviting upon entering the classroom. Students are made aware of acceptable use policies to ensure internet safety.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

Fenton Charter Leadership Academy engages parents in multiple ways. Parent information meetings (open to all parents), and monthly board meetings have been held throughout the year to inform parents and community members about the transition to the Local Control Funding Formula, and the corresponding plan which describes how funding will be expended at the school.

The school operates a School Site Council and English Language Advisory Committee which meet monthly to review the instructional program of the school, review budgetary action, and discuss school wide topics.

Parents are invited on campus multiple times throughout the year including Fall Family Math Night (October), Winter Holiday Show (December), Leadership Summit (April), Open House (June), and Sixth

Grade Culmination (June). Parents meet virtually with teachers through Parent Teacher Conferences (November and March). In addition, they are invited for monthly field trips, school wide assemblies, fundraisers, and community events.

Parents are kept informed via weekly school newsletters, website postings, and social media accounts.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

School Safety Plan (School Year 2023–24)

Fenton Charter Leadership Academy (FCLA) follows the established standards of health and safety as commonly practiced in California public schools. According to the California Education Code and California Health and Safety Code, including Education Codes 44237, 45125.1 and 45122.1. All city, county and state building codes are also followed. To secure our campus, a full-time security employee patrols the campus and surrounding perimeter daily. Additionally, a security guard patrols the campus after the regular workday and on weekends. The school has an intrusion alarm with sensors in all classrooms, offices and supply areas. The result is a campus that is secure 24-hours a day, 7-days a week. Students are supervised at all times by administration and supervision staff when on the yard and the school also routinely participates in monthly emergency drills to ensure students and staff are aware of appropriate procedures in case of emergency. A school nurse serves students on a regular full-time basis.

The FCLA Safety Plan is reviewed yearly and revised as needed through input from all stakeholders. It is maintained in the Main Office. All employees are fingerprinted and cleared through the Department of Justice as required by Education Code 44237, and are required to provide a negative TB test result no more than 60 days prior to their first day of work. In addition to the ongoing and daily review of school facilities by the facilities plant manager and administrator of operations, FCLA is a member of ASCIP and participates in periodic health and safety reviews of the entire campus as part of ASCIP's risk management program. Risk managers inspect all interior and exterior areas of the school including playground equipment, asphalt, cement, food service areas (multipurpose room and servery), custodial storage areas and office (including areas for storage of hazardous materials).

The Illness and Injury Prevention Program is regularly updated and a summary of the program is posted in the workplace. The procedures that FCLA follows to ensure the health and safety of pupils and staff includes the requirement that each employee of the school furnish the school with a criminal record summary as described in 44237 [Education Code 47605(b)(5)(F)].

Types of Services Funded (Fiscal Year 2022–23)

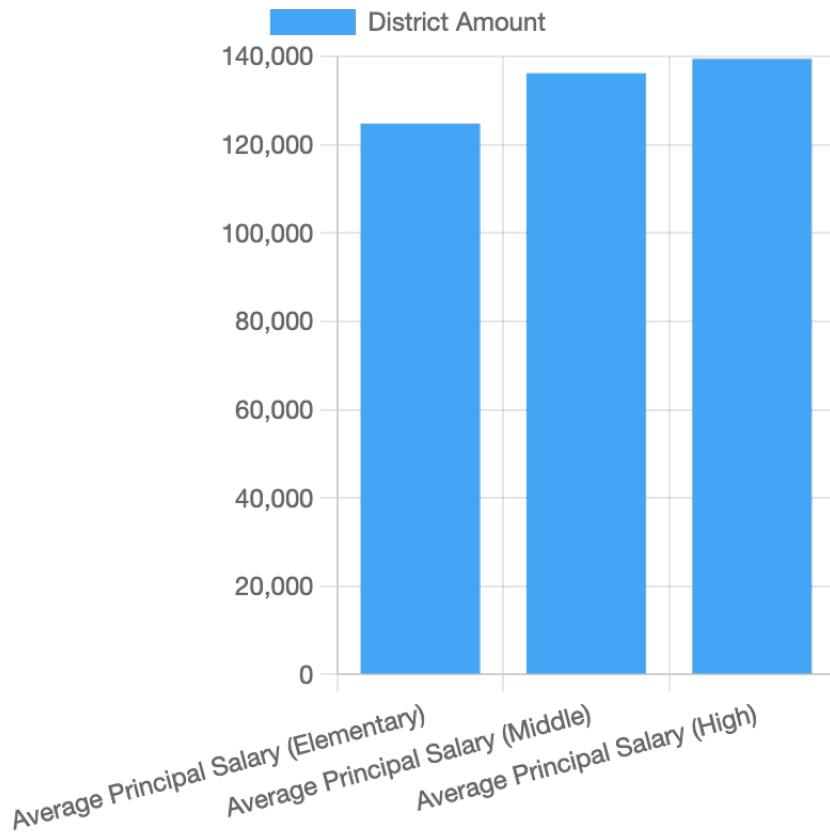

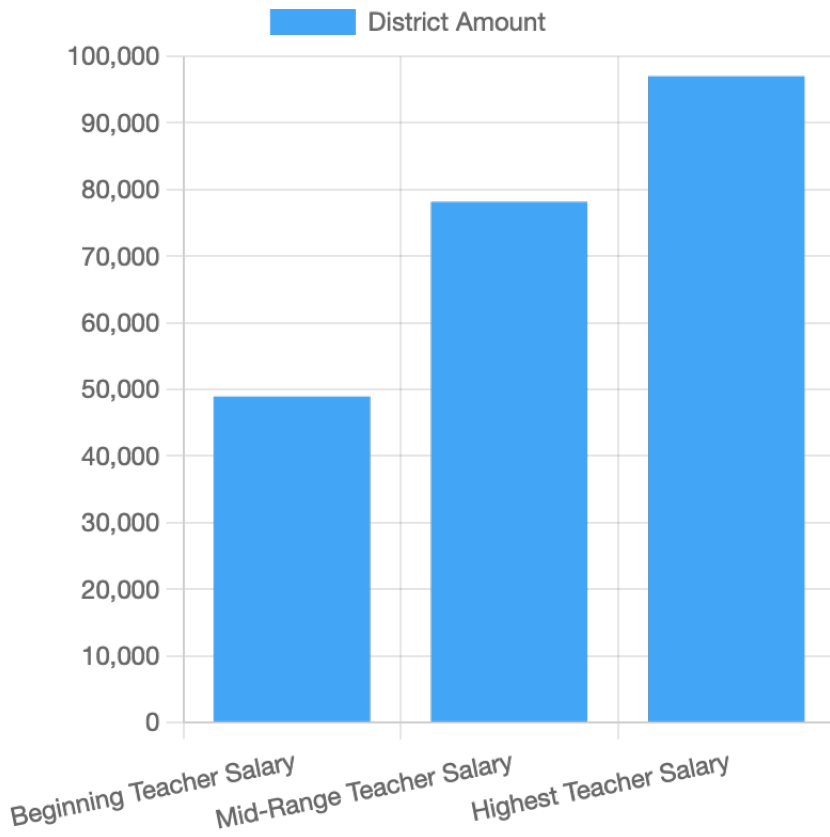

The school provides students with a variety of services at the school that support and assist students including four and six-hour teacher assistants and supervision aides, after school programming through the Think Together Organization and the Fenton Expanded Learning Program, four resource specialist teachers, and various service providers including a full time psychologist, counselor, speech and language pathologist. Various contracted vendors such as Occupational Therapy, Adaptive Physical Education and Deaf and Hard of Hearing provide services to students. FCLA also works closely with families to ensure their preferred outside agency is welcomed at the school to support their child. The school employs a full time Family Center Director responsible for engaging families and providing equitable access. In addition to these services, FCLA adopted and implements Benchmark Education, Ready Math curriculum, employs an interactive Hands on Lab, Reading Garden, and our social emotional learning curriculum focused on teaching Humane Education - the Mutt-i-grees curriculum.

Professional Development

Professional development activities are determined by the advisory committees and are selected based on a review of student assessments, new programs and policies being implemented by the state or federal government, or the specific curricular needs of the student body. As needs overlap, professional development will overlap at the five Fenton schools. For example, there are often different needs for new hires, and one school may schedule a presenter who will present a topic that is most relevant to new hires. All schools will arrange to send their new teachers to the one site for that particular presentation. The same is true for a presentation on new adoptions. All Lead Teachers may attend a presentation at one site, or one grade level may gather at one site. This type of scheduling encourages faculty with similar needs and interests at different sites to meet, interact, and share resources and knowledge. It is also a better use of fiscal and material resources.

The Charter School involves all stakeholders in the monitoring process of students. The governance board receives reports of students' progress at the monthly board meetings. The staff looks at student data at grade-level meetings multiple times during the month. Parent orientation meetings are conducted at the beginning of every school year for all grade levels. Teachers conduct parent conference twice yearly to review student progress as well as monthly progress reports to report student progress toward mastery of standards. The school also has monthly student awards assemblies to recognize positive citizenship, achievement, work habits and attendance.

The Charter School provides ongoing trainings, professional development, and resources to support families to understand and exercise their legal rights and advocate for their own students and all students. The Charter School will continue to seek innovative and unique ways to increase and improve the engagement of underrepresented families.
