Happy Monday Shipmates!

Wow, what a very busy few weeks it has been on the campus of BHS! I am so very proud of our students, staff, and faculty for making the past few weeks flow smoothly! Proud to know that all know and understand when it is time to "work like a captain" and then "play like a pirate"! Keep up the hard work and effort!

Department Highlights: Collaborative Education/ESL

Department Personnel: Tiffany Jenkins, Patricia Willis, Olivia Stewart, Bo Brannon, Andy Sims, Michelle Walker, Jill Gaskin, and Rachel Eller

Folks, these outstanding teachers are multi-talented. They have the ability to serve students at every level. The most important quality that stands out to me is their dedication to and advocacy for each student in their care! I am so thankful for their hard work and daily efforts for our BHS students!

Faculty Highlights: Mrs. Jill Gaskin and Mrs. Michelle Walker

Also known as Coach Gaskin and Coach Walker, these two cross country coaches work hard to provide our student-athletes with the skills they need to succeed and improve on the running surface and in life! During the day, Mrs. Walker serves our students as a collaborative teacher - working together with other teachers to provide our students with the support they need to

succeed. Mrs. Gaskin works with our students and collaborates with other instructional staff to ensure our students who are learning the English language have the resources and skills they need to succeed in school and in life. Ladies, we are so thankful for your hard work, dedication, and support you give your students daily!
