

**Will-Moore PTO
Meeting Minutes
December 12, 2017**

Meeting was called to order. Minutes from previous meeting were approved.

Reports:

- **The treasurer's report** was given by Jacki Darr. Total is \$25,453.33. Motion made to approve treasurer's report.

1. The principal's report was given by Brad Barnhardt:

- Chromebooks: school went half on the order. It was just under \$7000 for the chrome books. We ordered 30 Chromebooks.
- Playground grant: due in January. Brad will take the same process that they submitted last year and the grant will match up to \$5000.
- Music programs have started for first and second grade and will continue through the school year
- Samaritans feet: University of Mary students will be volunteering to help get shoes and distributed. Each student will get a new pair of sock and shoes. Parents are able to opt out of the shoes if they wish. There is a sheet that went home today with each student and that has a spot for families to opt out.
- Angel tree has been up and running getting gifts to those families in need at Will Moore
- Trees: with the boulevard there have been trees taken down. We will need some to fill the gaps. We could partner with the city and we will need to take a look at that this coming spring. There is a Cub Scout troop that needs to plant trees and will offer to help plant.
- Math Night: January 25th, 2018. Time is 6-7pm at Will Moore. More information will be sent home soon. Reading night will be in May
