- Lego Robotics have been purchased. No outstanding Lego needs as there currently are no kits for K – 2nd grade.
- Mr. Jeske is continuing to meet with the anti-bullying task force. They hope to have some information available by 1/26 for families. Intent is to have a bullying policy, harassment policy and a conflict policy. The big different between harassment vs. bullying is harassment may have charges associated.
- Map testing coming up along with checking behavior plans.
- Waiting on a quote for the PA sound system (pending installation investigation/cost).
- Legacy students presented the importance of staying in school and not missing classes some of the Pioneer students.
- Legacy students may be sharing their bullying stories with Pioneer students. Mr. Jeske would like to confirm their message is appropriate before proceeding.
