In the winter you can find my family downhill skiing. In the summer you can find us water skiing, wake surfing, and enjoying a campfire at our cabin on Lake Isabel!

KARI ANDERSON, Co-President

**Hometown: Bismarck | Kids: Trey (11) Wachter, Max (8) Mrs. Rossman | Occupation:
Interior Designer Big River Builders**

I have been a "river rat" my whole life and just love being by water. To see our boys love the water as much as me makes me so happy. Spending time as a family whether traveling, cooking, or watching a movie is my favorite thing to do. We also love to play golf and recently the boys have been beating us. My occupation is an interior designer, and it is a fun career that is always changing.
