Is your child going to be Absent from School? 📞

Parent(s)/guardian(s) are responsible for contacting the school office prior to 9:00 a.m. if their child will be absent from school for illness or parent request.

If a phone call is not received from the parent(s)/guardian(s), school personnel will make attempts to call the parent(s)/guardian(s) to inquire about the absence.

The full attendance policy can be viewed here:

Change of PICK-UP Plans 📞

We know that things come up throughout the day that may result in a change of plans in how your child is getting home after school. When this occurs, please call the office before 2:00 if possible to make sure that the message is delivered in time. 701-323-4260

Recess Weather Policy

Recess - the following can be found on the [BPS website](#).

The health and safety of your child will be the major consideration when making decisions about the appropriateness of going outside during extremely cold or wet conditions. Other considerations will be the need of children for fresh air, exercise, work breaks, and unstructured play time for social development. Students should come to school dressed appropriately to be outside during the weather expected that day. BPS Elementary Schools have jointly developed a

guideline which states that outdoor recess will not normally occur when the wind chill drops below -10 degrees Fahrenheit (based on the National Weather Service website). Keep in mind that actual time outside during recess breaks is generally limited to about ten-fifteen minutes. Based on the relative openness or protection of a particular school site, variations in this guideline will exist.

Recesses are shortened when wind chill drops below 0 degrees.
