Dear Wachter Parent,

Your son/daughter is planning to join FACS Club, please fill out the membership information form and return it to Mrs. Iverson-Houston. Students will not be able to join FACS Club without this form.

Note:

3 unexcused absences may result in termination of membership.

If students are going to be absent they must contact me the day before the meeting and not the day of.

All school conduct guidelines will be followed including, Wachter ROAR – Students not following these guidelines may be dismissed from FACS Club.

Students are required to participate in Community Service Projects.

By filling in and returning the form below you agree to the above terms.

This is brand new club this year. My vision for this club is to create leadership and community awareness in our students. We will also be learning more life skills beyond the FACS classroom.

Please feel free to contact me with questions you may have.
