

The **NYS Deferred Compensation Plan** has two special retirement related webinars in April, **Social Security** and the **NYS Pension**. In addition, I conduct **NYSDCP** webinars to assist all employees who are able to attend. NYSDCP is a supplemental retirement (457b) plan, and their mission is to help State and local-public employees achieve their retirement savings goals and help bridge any potential financial gap in retirement. Individual assistance is available using the book an appointment link below. I hope you will share with your staff so anyone interested may attend. Thanks very much for your assistance and partnership. Please let me know how I may assist,  
Mark
