Simple Repairs (Stuck Mouthpiece, Water Key Problem, Twisted Valve, Broken String, etc.)

Bring your instrument to Mr. Bodemer's office in the Band Room. He will probably be able to fix it.

Major Repairs (Dent Work, Detached Solder Points, Lost Hardware, Valve/Slide Work, etc.)

School-owned instrument: Call J&E Instrument Service (688-0013). Clarence CSD will foot the repair cost.

Rental instrument: Take the instrument to the place of rental.

Personally owned instrument: Take the instrument to the repair shop of your choice.

Please take care of your instrument. Repairs can be pricey.
