World Languages Examinations

Thank you for choosing to administer our World Languages Checkpoint examination(s) at your school district. Please be reminded that Oneida-Herkimer-Madison BOCES requires that our January 2022 World Languages examinations be administered on the common administration date/time listed below.¹

Level	Date	Time
Checkpoint A	<i>Only offered in June</i>	<i>n/a</i>
Checkpoint B	January 26, 2022	In the morning

As a) the nature of our examination's administration is segmented and b) materials associated with the examination are available as a hybrid of print and online resources, please reference the checklist on page 2 to ensure that you have all of the resources to administer and score each part of the examination.

The administration and scoring of our examinations must be performed in accordance with the manuals, rubrics, and score sheets published by Oneida-Herkimer-Madison BOCES. Previously developed procedures for administering and scoring of examinations that were disseminated from New York State, Oneida-Herkimer-Madison BOCES, or any other organizations do *not* apply to the current Oneida-Herkimer-Madison BOCES checkpoint examinations.

Should you have any questions about the administration or scoring of examinations, please feel free to reach out to our World Languages Team via the [OHM Support Desk](#) found on our website or via phone from January 24, 2020 - June 28, 2022:

- (315) 223-4703
- (315) 223-4705

We wish the best of luck to you and your students on our exams!

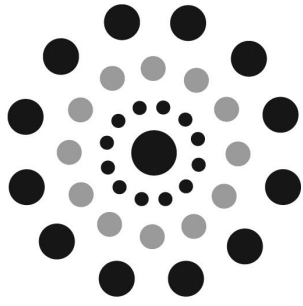

Sincerely,

World Languages Team

¹ Individual students who have recommended or required accommodations for regents examinations may implement those same accommodations on the Oneida-Herkimer-Madison BOCES examinations.
