Yesterday the students, administrators and guidance counselors met with the dean of Middlesex Community College and folks from admissions to learn about opportunities available to them through concurrent classes, online and in school courses for dual credit as well as to hear about the access our enrolled students will have with admissions and career counselors through MCC. There will be a January event for this program for parents publicized by Mr. Tarksy. Yesterday was the winter concert. December 18th will kick off spirit week at the HMHS.

District

School and district staff are working on a multi-media project called *Hometown High School* which is aimed at showcasing our middle-high school in efforts to students staying in district after grade 8.
