Proposed Policy Revisions Appendix 7	<p>On March 8, 2021, the Board of Education approved new BOE Policy 1117. The policy is intended to ensure compliance with certain amendments of the regulations implementing Title IX of the Education Amendments of 1972 (Title IX) that took effect on August 14, 2020.</p> <p>At this time, clarifying revisions to six Administrative Implemental Procedures (AIPs) were being submitted for the Board’s approval. General Counsel approved the proposed revisions. Human Resources requested the Board’s approval of these revisions today. This would allow HR staff to use the updated version of BOE Policy 1117 during inservice training on June 9, 2021.</p> <p>Today, Board member Julie Hedrick noted her opposition to the original version of the policy approved on March 8th. Ms. Hedrick also said that female students already have a hard time reporting harassment, and while P117 provides alleged victims with additional rights the policy also provides alleged violators with rights as well.</p> <p>Mr. Reeser (Ms. Logan) moved the Board accept the proposed policy revision.</p> <p>Motion passed 5-2.</p> <p>Yeas: Ben Blankley, Sheril Logan, Stan Reeser, Ron Rosales, and Mia Turner.</p> <p>Nays: Julie Hedrick and Ernestine Krehbiel.</p>

2021 Legislative Update	<p>Executive Director of Governmental Affairs and Special Projects Terrell Davis presented an update of the 2021 Legislative Session, highlighting bills and/or issues that impact the Wichita Public Schools.</p> <p>Mr. Davis' said the district's outlook going into the 2021 session was pessimistic. The outcome, however, was the best the district could have hoped for. Several bills contrary to district interests were defeated, while a bill fully-funding schools in accordance with the <i>Gannon</i> decision was passed and signed into law. A bill extending the 20 mill levy for schools was also passed, while a bill addressing revenue-neutral mill levies is considered a relative gain.</p> <p>The complete presentation is included in the archival copies of this BOE Agenda and Minutes. This report was provided for the Board's information only.</p>
Finance	
Budget Report	<p>Chief Financial Officer Susan Willis updated the Board on the budget.</p> <p>The BOE will need to decide by June 30, 2021 related to the adjusting the district's mill levy to remain "revenue neutral" or direct staff to calculate a mill rate to capture up to the maximum budget authority in all funds. Staff have continued to review all feedback from surveys to staff, students, parents, and community members, in addition to needs assessment input from schools and programs. Summer School and Mental Health initiatives are the early focus of Elementary and Secondary School Emergency Relief (ESSER) funding. Fixed costs and other costs increases are estimated to be about \$4.3 million. If the district does not gain/lose any enrollment, the General Fund and Supplemental General Fund (LOB) increases based solely on the scheduled base aid increase would provide about \$7.4 million in new funding.</p> <p>The complete presentation is included in the archival copies of this BOE Agenda and Minutes. This report was provided for the Board's information and discussion.</p>
