NEC Corporation of America – Server Replacement	<p>Rob Dickson, Chief Information Officer, provided details on the supplier and fee structure. The district’s current fault tolerance (FT) voice servers are approaching 5 years of life, limiting hardware support and warranty. Replacement FT voice servers will allow for a performance upgrade. The current FT servers will only support VMware ESXI 6.5 and VMware announced End of Support for ESXI 6.5 on November 15th, 2023. To maintain support, obtain new features and bug fixes, this update is necessary. Warranties and support are included.</p> <p>Ms. Stabler (Ms. Logan) moved the Board approve the purchase and installation of needed FT server replacements, payment to NEC not to exceed \$121,000.</p> <p>The motion passed 7-0.</p>
Fuel for Student Transportation Appendix 7	<p>Fabian Armendariz, Director of Operations, provided details on the status of supplying gasoline to First Student buses utilized by the district. Kansas State Statute K.S.A 72-1151 allows an exemption to the bid law for the bid of fuel related to student transportation. In accordance with this statute, historically, quotes were requested multiple times each week to procure fuel as needed at the specific amounts needed for each lot. Over the last couple of years, we have begun to experience challenges with this process and timely deliveries.</p> <p>In November of 2021, a quote request was sent to all eligible fuel suppliers for long term pricing based on a percentage markup from the Oil Price Information Service (OPIS) pricing to ensure guaranteed on-time fuel deliveries. Mid-Kansas Co-operative Association was determined to be the most cost effective and operationally advantageous option for the district.</p> <p>Ms. Bond (Ms. Hedrick) moved the Board approve the initial contract term from May 1, 2022 until July 31, 2022 in an amount not to exceed \$750,000. This agreement does have an option for extensions. If an extension is determined to be the most cost effective and advantageous option for the district, reporting to the BOE will happen retroactively each quarter.</p> <p>The motion passed 7-0.</p>

<p>Membership Dues: Kansas Association of School Boards</p>	<p>Dr. Alicia Thompson provided the Board details on resources and opportunities for collaboration from KASB.</p> <p>Ms. Logan (Ms. Hedrick) moved the Board approve annual membership in the Kansas Association of School Boards (KASB) for the fiscal year July 1, 2022 through June 30, 2023 in the amount of \$33,174.64.</p> <p>The motion passed 6-1, with Kathy Bond voting no.</p>
