The 2022-23 Capital Outlay budget includes monies for construction projects at various district sites. On December 13, 2021, the Board of Education approved utilizing the Construction Manager At-Risk Delivery Method on the East High School science wing project. Subsequently, on February 7, 2022, the Board approved a contract with McCown-Gordon Construction, LLC to provide Construction Manager At-Risk services for the East High School science wing project to address structural repairs and associated construction work to facilitate those repairs.</p> <p>Currently, the East High School science wing project is in the late design stages with Schaefer, Johnson, Cox, Frey Architecture. A final guaranteed maximum price (GMP) will be prepared by McCown-Gordon upon completion of the design documents, which will be presented to the Board for approval in July.</p> <p>In the interest of mitigating supply chain concerns and preventing schedule delays, early bid packages have been issued for roofing and select HVAC equipment. The amount approved for these early roofing and HVAC equipment bid packages will be rolled into the total guaranteed maximum price (GMP) presented in July.</p> <p>Ms. Hedrick (Ms. Logan) moved the Board approve an amount not to exceed \$989,287 with McCown-Gordon for roofing and select HVAC equipment, to be rolled in with the final GMP for the East High School Science Wing project.</p> <p>The motion passed 6-0, with Board member Diane Albert absent.</p>
<p>ESOL Endorsement Program (Annual)</p>	<p>At Board member Kathy Bond's Request, Andi Giesen, Executive Director of ESOL Services, briefed the Board on this item. Wichita State University, Kansas State University and Newman University provide English for Speakers of Other Languages (ESOL) teacher licensure endorsement programs, available to all Wichita Public Schools teachers working directly with English Language Learners (ELL). ESOL program courses are available through WSU, KSU, and NU in Fall 2022, Spring 2023, and Summer 2023. The Wichita Public Schools ESOL Instructional Service Department provides WPS teachers the opportunity to acquire ESOL endorsements, making them highly qualified ESOL teachers.</p> <p>Ms. Bond (Ms. Stabler) moved the Board authorize payment to Wichita State University, Kansas State University, and Newman University for providing ESOL programming to Wichita Public Schools teachers in an amount not to exceed \$300,000.</p> <p>The motion passed 6-0, with Board member Diane Albert absent.</p>

Employee Assistance Program (Annual)	<p>At Board member Hazel Stabler’s request, Sean Hudspeth, Chief Human Resources Officer, and Danielle Dettmer, Functional Manager of Employee Benefits and Insurance Management, provided an overview on the district’s employee assistance program. To improve employee productivity and lower costs to the health plan, the district has contracted with the vendor New Directions since the 2015-2016 budget year for employee assistance programs. Due to an over 300% increased overall contract amount set forth by this vendor for the 2022-23 budget year and without any willingness on their part to negotiate, a new vendor needed to be established. After thoughtful consideration and research, ComPsych is recommended to be the new vendor for the district for employee assistance programs.</p> <p>Their services will include formal management referrals for poor work performance, alcohol and/or drug use, plus education seminars and critical incident meetings as requested. Employee services include emergency counseling for marital and family relationships; alcohol and drug use; emotional and social concerns; financial and legal concerns; and short-term counseling.</p> <p>ComPsych provides local counselors, 20 of whom are certified Department of Transportation (DOT) and Substance Abuse Professionals (SAP), a dedicated account manager, same-day appointments for mandatory referrals, comprehensive full-service web access, phone consultations, and over 10 locations.</p> <p>Ms. Stabler (Ms. Bond) moved the Board approve an amount not to exceed \$160,000 to purchase employee assistance program services from ComPsych for the 2022-2023 fiscal year. An additional \$85,000 in ESSER funds is requested again this year to cover the following services: 1) Moving the 6-visit model to a 10-visit model; 2) CCBT (Cognitive Behavioral Therapy) through MyStrength; and 3) a financial well-being package through WellthSource. ComPsych has agreed to lock in this rate for the next 5 years or through June 30, 2026.
