

Levy Voter Pamphlet Statement Committees

Coupeville School District will be placing (1) a four-year replacement EP&O levy, (2) a four-year replacement Technology Capital Projects levy and (3) a two-year Building Excellence Capital Projects levy on the February 8, 2022 ballot.

Following adoption of three resolutions by the Coupeville School Board of Directors on November 22, 2021, election regulations require Coupeville School District to appoint up to three members each to “Pro” and “Con” committees for each proposition, who are willing to write statements for the local voters’ pamphlet.

If you would like the District to consider you for appointment to a committee and write a statement in support or opposition to one or more of the levy propositions, please email your name, mailing address, phone number, email address and a brief statement of interest for consideration to Arianna Bumgarner via email at abumgarner@coupeville.k12.wa.us, no later than 12:00 pm on Tuesday, November 30, 2021. Please identify which of the following committees you would like to participate in:

- Pro Committee: Replacement of Existing Educational Programs & Operations Levy
- Con Committee: Replacement of Existing Educational Programs & Operations Levy
- Pro Committee: Replacement of Existing Technology Capital Projects Levy
- Con Committee: Replacement of Existing Technology Capital Projects Levy
- Pro Committee: Building Excellence Capital Projects Levy

Additional information regarding the levy propositions will be shared on the district website by November 23, 2021.
