TUSD Names Principal at Southwest Park Elementary

(TRACY, CA) – Tracy Unified School District has named Juan Lopez as Principal of Southwest Park Elementary School. Mr. Lopez has been the interim principal since the departure of former principal, Ramona Soto in early December.

Lopez has been the assistant principal at Southwest Park Elementary School for several years and spent the last three months as interim principal of the school. He was first hired by TUSD in 1998 as a math teacher. Through his years here, he has been Coordinator of Independent Study and ELL Coordinator for Duncan Russell High School and Assistant Principal of North Elementary School. Lopez received his Bachelor's in Mathematics from Cal State Stanislaus and his Administrative Credential and Master's Degree from Sacramento State University.

"We are excited for Mr. Lopez to continue his leadership role at Southwest Park Elementary," said Dr. Pecot, Superintendent. The District will begin the search for an assistant principal.
