A. Purpose – N.J.A.C. 5:39-1.1

1. The purpose of N.J.A.C. 5:39-1.1 et seq. and Bylaw 0164.6 is to ensure a Board of Education or Board of Trustees of a charter school can conduct official public business in an open and transparent manner whenever a declared emergency requires a local public body to conduct a public meeting without physical attendance by members of the public.
2. Nothing in N.J.A.C. 5:39-1.1 et seq. prevents a local public body from holding a remote public meeting under such other circumstances as may be permitted by the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq.

B. Definitions – N.J.A.C. 5:39-1.2

For the purpose of this Bylaw and in accordance with N.J.A.C. 5:39-1.2, the following words and terms have the following meanings, unless the context clearly indicates otherwise:

"Adequate notice" shall have the same definition as at N.J.S.A. 10:4-8; however, for the purpose of N.J.A.C. 5:39-1.1 et seq., and to the extent not otherwise set forth at N.J.S.A. 10:4-8, the notice transmitted to at least two newspapers for publication may occur through electronic mail or other electronic means that is accepted or requested by the newspaper.

"Annual notice" means a schedule of regular meetings of the public body to be held in the succeeding year noticed pursuant to N.J.S.A. 10:4-8 and 10:4-18. For the purpose of N.J.A.C. 5:39-1.1 et seq., the annual notice may be transmitted through electronic mail to newspapers and persons requesting an annual notice pursuant to N.J.S.A. 10:4-18. If the declared emergency prevents the local public body from mailing an annual notice to individuals requesting notice pursuant to N.J.S.A. 10:4-18, it shall be mailed to individuals for whom the local public body does not have an electronic mail account as soon as practicable.

Remote Public Board Meetings
During a Declared Emergency

1. In addition to any circumstances under which public meetings held by means of communication equipment may be authorized pursuant to the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq., the Board may hold a remote public meeting to conduct public business during a declared emergency if the emergency reasonably prevents the Board from safely conducting public business at a physical location with members of the public present.
 2. If, during a declared emergency, the Board holds a physical meeting in a location where, pursuant to State and/or Federal guidelines meant to mitigate the risk of a contagious infection, the declared emergency necessitates capacity restrictions reducing the number of individuals that can be present in the meeting room to an amount below that reasonably expected for the public meeting by the Board, the Board must either hold the public meeting at another location with adequate capacity for the reasonably expected attendance by the public or hold the public meeting as both an in-person meeting and a remote public meeting.
 - a. As set forth at N.J.A.C. 5:39-1.4(c), no in-person meeting shall proceed if the room capacity does not permit any member of the public to attend unless the Board members are accessing the meeting remotely even if from a centralized location.
 3. Nothing in N.J.A.C. 5:39-1.3 shall be interpreted to prevent the Board from broadcasting the audio and/or video of, or taking remote public comment during, a public meeting that the public can physically attend without being subject to public health-related capacity restrictions.
- D. Minimum Technological and Procedural Requirements for Remote Public Meetings Necessitated by a Declared Emergency – N.J.A.C. 5:39-1.4
1. If a declared emergency requires the Board to hold a remote public meeting to conduct public business, the Board shall use an electronic communications technology that is routinely used in academic, business, and professional settings, and can be accessed by the public at no cost.

- a. Participant capacity on the selected platform should be consistent with the reasonable expectation of the public body for public meetings of the type being held and shall not be limited to fewer than fifty public participants (beyond those persons required to conduct business at the meeting).

2. Remote public meetings may be held by means including, but not limited to, audio-only teleconferencing, electronic communications platforms with video and audio, and Internet-accessible technology, such as live-streaming.
 - a. If an electronic communications platform or Internet-accessible technology is being utilized for a remote public meeting, a telephonic conference line shall also be provided to allow members of the public to dial-in by telephone to listen and provide public comment as otherwise required by law.
 - b. The Board **shall** require members of the public to state, prior to providing public comment, whether they wish to speak and to identify themselves prior to speaking.
3. The Board shall provide the public with similar access to a remote public meeting as members of the Board, staff of the Board, and any individuals seeking one or more approvals from the Board.
 - a. If a remote public meeting is held by audio and video, the public shall also have the opportunity to participate in the meeting in both audio and video capacities.
4. Any remote public meeting where sworn testimony is being taken shall be broadcast by video, as well as by audio.
 - a. All individuals giving sworn testimony at a remote public meeting shall appear by video in addition to audio.
5. Any presentations or documents that would otherwise be viewed or made available to members of the public physically attending the Board meeting shall be made visible on a video broadcast of the remote public meeting or made available on the Internet website or webpage of the entity governed by the Board, or the Internet website or webpage of the entity responsible for appointing the members of the Board.

- a. If a document would be made available to individual members of the public in hard copy while physically attending the meeting, the document shall be made available in advance of the meeting for download through an internet link appearing either on the meeting notice, or near the posting of the meeting notice, both on the website and at the building where the meeting would otherwise be held.
 - b. If the Board does not have its own website, such documents shall be available upon request ahead of the meeting and provided through an official social media account if one exists.
6. The Board holding a remote public meeting shall allow members of the public to make public comment by audio, or by audio and video, if the remote public meeting is held over both audio and video, during the meeting.
 - a. In advance of the remote public meeting, the Board shall allow public comments to be submitted to the Board Secretary by electronic mail and in written letter form by a reasonable deadline.
 - b. The Board shall **not accept** text-based public comment received during a remote public meeting held through an electronic communications platform or Internet-accessible technology. Public comments submitted before the remote public meeting through electronic mail or by written letter shall be read aloud and addressed during the remote public meeting in a manner audible to all meeting participants and the public.
 - c. The Board shall impose a reasonable time limit, where permitted by law, of **two** minutes on individual public comments and the same limits shall be placed on the reading of written comments. Each comment shall be read from the beginning, until the time limit is reached. The Board may pass over duplicate written comments; however, each duplicate comment shall be noted for the record with the content summarized. If the Board elects to summarize duplicative comments, the Board must not summarize

certain duplicative comments while reading other duplicative comments individually.

 - a. Any electronic communications platform or Internet-accessible technology used for a remote public meeting shall also allow the Board to regulate participation by individual members of the public.
 - b. A telephonic audio conference call line must have a queueing or similar function for regulating public comment.
8. Subject to D.5. and D.6. above, the Board shall adopt, by resolution, standard procedures and requirements for public comment made during a remote public meeting, as well as for public comments submitted in writing ahead of the remote public meeting.
 - a. Such procedures and requirements shall include standards of conduct to be followed by members of the public when making comment.
 - b. The procedures and requirements for making public comment, along with an explanation of the audio muting function of the electronic communications platform being used, shall be announced at the beginning of the remote public meeting.
 - c. Regulation of conduct by members of the public on a remote public meeting shall be consistent with law and practices followed if a member of the public disrupts an in-person meeting. The following procedures shall be incorporated:
 - (1) The Board shall facilitate a dialogue with the commenter to the extent permitted by the electronic communications technology;
 - (2) If a member of the public becomes disruptive during a remote public meeting, including during any period for public comment,

the member of the Board charged with running the remote public meeting shall mute or continue muting, or direct appropriate staff to mute or continue muting, the disruptive member of the public and warn that continued disruption may result in being prevented from speaking during the remote public meeting or removed from the remote public meeting.

Should the person remain disruptive, the individual may be muted or kept on mute for the remainder of the remote public meeting, or removed from the remote public meeting.
- 9. Electronic communications platforms and Internet-accessible technologies used for remote public meetings shall be hosted on FedRAMP Moderate Impact Level Authorized dedicated servers or in a FedRAMP Moderate Impact Level Authorized Cloud, unless the host of the dedicated servers or cloud provides annual evidence of satisfactory cybersecurity internal controls through a SOC2 audit report.

5. If the Board expects to conduct remote public meetings for a series of regularly scheduled meetings advertised in its annual notice, the annual notice shall be revised at least seven days prior to the next regularly scheduled meeting, indicating which meeting(s) will be held as a remote public meeting and shall contain clear and concise instructions for accessing those remote public meetings, the means for making public comment, and where relevant documents, if any, will be made available.
