

Treatment and Injury Management

If you are injured, please inform the athletic training staff as soon as possible. Morning treatments are held in the Athletic Training rooms. Please report with an adequate amount of time for evaluation and treatment before school begins.

Fall Semester Treatments:

Located in the High School by the basketball gyms

7:30am- 8:30am

Spring Semester Treatments:

Located in the Athletic Facility

If, at any point, you are evaluated by a doctor, a clearance note must be submitted to the athletic training staff to continue full participation. Any notes that include restrictions need to be turned in as well. If you need help locating a doctor, we are happy to help as best as we can.
