

# CAREER AND TECHNICAL EDUCATION ASSOCIATION OF NEW JERSEY WILLIAM M. DEVONALD SCHOLARSHIP

## *History of the Scholarship*

The William M. Devonald Scholarship was established over 50 years ago by his family and a professional vocational education association/organization to honor him as a dedicated industrial arts teacher in the Newark, New Jersey school district. As a teacher, he was interested in meeting the needs, interests and concerns related to vocational education through providing relevant and up-to-date courses and programs.

In 1973, two vocational education related organizations merged to form the Vocational Education Association of New Jersey (VEA-NJ). At that time the Association assumed the administration of the scholarship. Later VEA-NJ became the Career and Technical Education Association of New Jersey (CTEA-NJ).

In 2023, the Executive Committee of CTEA-NJ voted to increase the amount of the scholarship to \$500. There will be four scholarships awarded to the selected applicants who meet the criteria identified in the application.

---

**Eligibility** Any secondary student enrolled in a Career and Technical Education program with plans to pursue postsecondary education at a 2-year or 4-year college, apprenticeship program, or Career and Technical school in the fall after graduation.
