or scan the QR Code.

**For additional information or tuition assistance please  
contact the after-school coordinator at your school.**

Our Community Education Summer Learning Program (CESLP) Camps provide enrichment activities during the summer months. The CESLP seeks to promote positive youth development with a focus on enhancing student experiences through a hands-on learning approach. Programs will operate based on the ability to hire staff and meeting the minimum number of students enrolled per site. Student's are enrolled in a site's CESLP on a first come, first serve basis.
