

Dear Open Classroom Families,

Our New family Night on February 29 at 6:30 pm is coming up fast. This event will be held on Zoom. We will be providing beneficial information about Open Classroom that will help you be successful.

The Open Classroom has a strong philosophy of community building. For over 40 years, families at the Open Classroom have enjoyed year-end closure and community building with grade-blends camping trips. Sponsored and run by parents, these camping trips are a great time for parents and siblings to enjoy the outdoors together while spending time out in the great state of Utah! You will forge new friendships to last through the summer and beyond! Watch for information on these camping trips being sent to you by your child's teacher.

Registration for the talent show is now open. Students from grades Kindergarten through 8th grade are invited to sign up using this [LINK](#). Sign-ups close on March 8th. Come show off your talents! Tickets to attend are by donation, and ALL are invited to attend! Concessions and OC merchandise will be sold. Money raised will help 8th graders attend science camp!
