Kindergarten Information Night at Bryantville will be on **Thursday, May 2 at 6:30** in the cafeteria. Families are encouraged to attend to get an overview of our program and meet our kindergarten staff. This is a great opportunity to drop off any paperwork that you need to submit to the office.

The Kindergarten screening process for the 2024-2025 school year will be held at Bryantville Elementary School on May 29 and June 3. Upon completion of the online registration you will be sent a link to schedule your child's screening. **Screenings take place during the school day and last about 60-90 minutes. We ask that you enter the building from the back of the building.**

We encourage all families to review the information document and complete the enrollment and screening process, even if you are unsure at this time about enrolling your student in Pembroke Public Schools for the 2024-2025 school year. Enrollment and staff requirements are closely related, so if you do choose to not join Bryantville for the upcoming school year, we ask that you notify erika.rossini@pembrokek12.org. Please email, by May 24, if you are choosing to enroll in a private or parochial school and by May 31 if you are electing not to enroll for the upcoming school year.

Thank you for your attention to all of the information. We know it can be overwhelming! Please reach out if you have any questions during any part of the process. We look forward to meeting you and our future Bryantville Titans!
