Dear Mahwah Community,

As we shared with the Board and our school community at last week's Board of Education meeting, the attached letter is reflective of our introduction to the proposed equity and inclusivity work within our district.

The 7-slide introductory presentation is found under our Strategic Planning Website here – [Inclusivity: Our Across-the-Board Educational Opportunity for All](#)

Your voice is an essential part of this very important process. As we have emphasized in the drafting of our district's strategic plan based on community input, our work together remains paramount.

Thank you,

The Mahwah Administrative Team
