Dear Parent(s)/Care Providers and Students,

Mt. Diablo High School has an established code of student conduct that allows students to work and interact with one another in a positive manner, and this policy includes all school functions and activities. We wish to remind you the Junior/Senior Ball is a school sponsored activity and expect all participants to follow MDHS's behavior expectation. Parents/guardians must provide the school with the names and phone numbers of two responsible adults who can be contacted should the need arise. Please review these important student expectations.

**Substance Abuse By Students** – It is unlawful to possess, use, sell or otherwise furnish, or be under the influence of any controlled substance (i.e., alcoholic beverage, drugs, or an intoxicant of any kind). *Students found to be under the influence of, or in possession of, any drugs or alcohol will be subjected to disciplinary action including, but not limited to, suspension and a 45 day activity suspension.*

**Monitoring the Behavior and Physical Condition of Participants and Approved Guests**

If it is determined that a student and/or guest is in possession or under the influence of a controlled substance, he/she will be confined to a special location and parent(s)/care providers will be called to remove the student from the premises. Further disciplinary action may result including a referral to law enforcement. Any inappropriate behavior/conduct during the dance will result in the student(s) being removed from the dance and no refund will be made. Students and parents accept that school sponsored activities fall under the jurisdiction of Mount Diablo Unified School District's authority. Students of Mt. Diablo High School and/or guests must follow all school policies governing proper behavior.

When a student signs below, he or she is agreeing to attend the Junior/Senior Ball drug and alcohol free. There may be random testing with a breathalyzer. By signing, you consent to the use of the breathalyzer. Anyone who refuses to take the test will not be allowed to participate and parent/guardian will be notified. A parent/guardian signature is still required for students 18 years of age or older. Students must have this form completed in order to purchase ticket(s). Outside guests must be in 10<sup>th</sup> grade or above and sponsored by MDHS student with parental consent on a completed Outside Guest permission slip. **Age limit for outside guests is 20 and they must have a valid picture ID in order to attend event.**
