

REGISTRATION FORM COMPLETION INSTRUCTIONS

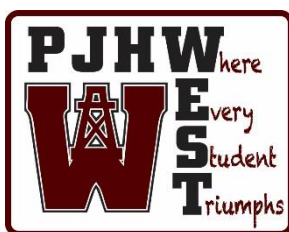

This form is intended as a worksheet to help you enter your course requests in SKYWARD. Use it to select and rank your course preferences. You will not need to turn it in.

Course selection verification sheets will be sent home at a later date. At that time, students and parents will have the opportunity to confirm the selections made in SKYWARD and/or request any changes by the proposed deadline. After the deadline, course change requests will no longer be available and schedules will be created based on the courses/alternates entered in SKYWARD at the time of scheduling. NO EXCEPTIONS.

1. Circle the appropriate English, math, history, and science courses. Ask your current teacher for help if you are unsure of the appropriate class level.
2. Choosing Athletics requires coach's approval; if you do not obtain approval from the head coach prior to course registration, you will not be enrolled in the class. Be sure to consult the course handbook for requirements. You should only select PE if you did not fulfill your requirement in 7th grade.
3. Choose four (4) electives and **RANK** them in your preferred order with **one representing your first choice, two representing your second, etc.**
 - a. Band, and Athletics are automatically considered your first choices.
 - b. Although we will make every effort to place you in your first choice, **ranking classes does not guarantee course placement.**
 - c. We will make every effort to place you in your first choice. However due to course availability, we cannot guarantee course placement and will move on to your next choices where necessary.
4. **Commit.** Remember that you get to choose your classes for the coming school year, but you are expected to commit and complete those courses upon registration. *Make sure the courses you choose are the ones YOU want to take.* After course placement, course changes will not be offered.

STUDENT REQUESTS FOR LUNCH PERIOD OR TEACHER WILL NOT BE CONSIDERED.
