Re: Continuous Improvement and Monitoring Plan (CIMP)

Dear Mr. McDonald,

The Carlisle Public Schools is committed to implementing the requirements set forth in the CIMP, which identifies SE20 as a partially implemented criteria.

The District will be posting the full report and the CIMP on the District website and the report will be shared publicly with the School Committee and the District SEPAC. We are in agreement with the identified recommendation and we have taken steps to address it, so the CIMP is being implemented and will be fully implemented by the approved date of completion.

Sincerely,
