

To help slow the spread of
COVID-19, if you are
feeling unwell

you should avoid going to the emergency
room, urgent care or your medical provider
until you first

call your doctor.

If you don't have a medical provider, call us
and we will help you

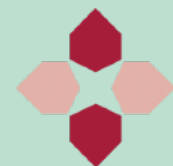

find a doctor.

Even if you are without insurance or
immigration documentation, we can
connect you with a medical provider.

Call us at

(716) 338-0010
