*Students MUST have their parking pass placed on driver's side back passenger window. **Parking will be in District Office parking area (the backside of Middle School).** Please notify the office of any changes in vehicle information.*

*Prior to students driving to school, student drivers must have obtained a student parking permit issued through the main office. All other campus parking slots are off limits to student vehicles. Students parked illegally will be issued a ticket by local law enforcement officers. Parking on school grounds is a privilege. **When students create a dangerous situation for themselves or others, their driving and/or riding privileges may be suspended.***
