## Why pay thousands of dollars for SAT/ACT tutoring?

Marietta High School has partnered with Applerouth Tutoring Services to provide SAT/ACT classes as an elective offering.

 **5 pts**

**AVERAGE ACT INCREASE**

Applerouth tutors help students with each section of the ACT to bring their composite score up an average of 5 points.

 **100 pts**

**AVERAGE SAT INCREASE**

Students are seeing big gains on the new, 1600-point scale SAT. A gain of 100 points is roughly equivalent to a 180 point gain on the old scale.
