

5th Grade Career Day 2022

*May 13th from 9:30-12:00*

Rotations:

Students are broken into small groups (listed in the following pages). Students will start in the room indicated on the small group chart. From there, students will switch rooms in a clockwise rotation at each rotation time. Scheduled teachers will get students' attention when time to switch.

Teachers:

Please plan to stay at the career fair for your scheduled block. We need extra bodies to ensure students are well behaved, engaged, and not rotating until the appropriate time. Please feel free to switch small groups as you see fit!
