### 1) Updates since our last meeting:

Sandwich station, salad bar, grab and go are being implemented at the Jr/Sr High School

Monday and Friday- sandwich station  
Tuesday and Thursday- Salad bar  
Friday- grab and go

Junior High takes more sandwiches than high school

Looking at what is being taken and what is not for the salad bar. Cauliflower is not going to be offered due to lack of popularity. Cucumbers are well received.

Menu was drastically changed. This month the top ten items were placed on the menu.

- Multiple choices at secondary school
- Salad Bar
  - a) Pasta salad and coleslaw will be placed on the salad bar in the future
  - b) Implemented new cooling structure for salad bar

Maybe introduce veggies for the sandwich bar.

### 2) Next Steps—thinking about next year

- Bringing more variety to elementary schools
- Continued improvement overall

-Potential Salad Bar for both elementary schools and sandwich bar  
-Potential school lunch advisory team led by Mike and kitchen staff  
-Adding student help in the kitchen; prep, potential culinary pathway
