

High School Library Consent Form

As a middle school student, your child has access to all books that have been deemed appropriate for grades 7 and 8. But, parents/guardians have the right to decide what they will allow their child to read. If you would like to give your child access to the high school side of the library, which may contain more mature themes and language, please fill out the form below and send it to our Learning Commons.

Feel free to call with any questions: 717-677-7191 (ask for Nicole Starner at the middle school library) or email at n.starner@upperadams.org.

Thanks, and I look forward to helping your student grow in his/her love of reading!
Miss Nicole Starner
Librarian
