Nondiscrimination Policy and Access to Equal Educational Opportunity Policy

The Board of Education does not discriminate on the basis of race, color, national origin, (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

The person designated to handle any questions and/or complaints concerning the nondiscrimination policy of Davison Community Schools is Assistant Superintendent Kevin Brown, 1490 N. Oak Road, Davison, MI 48423 -- (810-591-0808).

GRIEVANCE PROCEDURE

FOR TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 TITLE IX OF THE EDUCATION AMENDMENT ACT OF 1972 SECTION 504 OF THE REHABILITATION ACT OF 1973 TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990

Section 1

Any person believing that the Davison Community School District or any part of the school organization has inadequately applied the principles and/or regulations of (1) Title VI of the Civil Rights Act of 1964, (2) Title IX of the Education Amendment Act of 1972, (3) Section 504 of the Rehabilitation Act of 1973, or (4) Title II of the Americans with Disabilities Act of 1990 may bring forward a

complaint, which shall be referred to as a grievance to:

Civil Rights Coordinator
Matthew Lobban, Assistant Superintendent
Davison Community Schools
1490 N Oak Rd
Davison, MI 48423
(810) 591-0808

Section II

The person who believes a valid basis for grievance exists shall discuss the grievance informally and on a verbal basis with the Civil Rights Coordinator, who shall in turn investigate the complaint and reply with an answer within five (5) business days. If the complainant feels the grievance is not satisfactorily resolved, they may initiate formal procedures according to the following steps.

Step 1

A written statement of the grievance signed by the complainant shall be submitted to the Civil Rights Coordinator within five (5) business days of receipt of answers to the informal complaint. The Coordinator shall further investigate the matters of grievance and reply in writing to the complainant within five (5) business days.

Step 2

A complainant wishing to appeal the written (or Step 1) decision of the local Civil Rights Coordinator may submit a signed statement of appeal to the Superintendent of Schools within five (5) business days after receipt of the Coordinator's response. The Superintendent shall meet with all parties involved, formulate a conclusion, and respond in writing to the complainant within ten (10) business days.

Step 3

If still unsatisfied, the complainant may appeal through a signed, written statement to the Board of Education within five (5) business days of receiving the Superintendent's response in Step 2. In an attempt to resolve the grievance, the Board of Education shall meet with the concerned parties and their representative within forty (40) days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) days of this meeting. The decision of the Board of Education shall be final.

Section III

If the complaint is against the Superintendent, it should be reported to:

Vice-President of the Board of Education
Davison Community Schools
1490 N Oak Rd
Davison, MI 48423
810-591-0801

vens. His activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin and Quiz Bowl.

Wyatt will attend Illinois Institute of Technology. He plans to major in computer science.

Paul

DEF recognizes DCS staff members

When the district announced it was unable to hold its annual End of the Year Staff Recognition Luncheon due to COVID restrictions and school building schedules this year, the Davison Educational Foundation was determined to find a way to recognize employees. Annually, the DEF purchases the Cardinal watches that are gifted to employees marking 25 years of service, awards thousands in classroom mini grants and honors the Teachers and a Support Person of the Year.

In an email sent in May, Thomson Elementary Paraprofessional Cheri Nill suggested that instead of selecting three teachers and one support person for the "Teachers/Staff Person of the Year" that the DEF consider honoring all DCS staff members.

"I love the idea that people are encouraged to write letters and share their nominations with staff but this has been a very difficult year for everybody," Nill said. "DCS staff has gone above and beyond to make this year successful. We couldn't have made this work without EVERYONE giving their all."

DEF board members loved the idea. On June 10 and 11, DEF board members showed up at buildings to share the news that every single employee in the district would be getting a tote bag, beach towel, Cardinal logo sunglasses and a small beach ball (stress ball) for their dedication this year.

Those staff members who were nominated for the Teacher/Support Person of the Year also received copies of their nomination. Nominees included:

Elementary Teacher of the Year

Melissa Barraco, Amanda Barrett, Alicia Bautista, Brielle Bayliss, Suzanne Binkley, Bart Blanchard, Debbie Bobchik, Andrea Bredow, Jacqueline Brisbin, Christian Bush, Jennifer Carnell, Erica Carr, Stephen Culbert, Sarah Driskill, Alicia Eaton, Stacy Evans, Brad Fuson, Jennifer Galbreath, Katie Gist, Christine Glann, Marie Glenn, Tracy Griggs, Sara Harris, Bobby Hatten, Crystal Hoganson, Sara Howes, Nicole Illig, Dana Johnson, Melissa Jones, Rita Jones, Mike Kennedy, Chloe Kring, Lindsay Lane, Melvina Lightfoot, Gwen Lindsay, Leandra Lints, Wendy Lockrey,

Chelsea Long, Bridgette Massaro, Ashley McCann-Markham, Cindy McCollum, Andrea McDunnah, Rachel McKinnon, Tanya Meinburg, Ellen Meinecke, Ben Montgomery, Michelle Murphy, Mary Naranjo, Mindy Parrot, Suzie Richards, Leisa Robertson, Megan Romanik, Michael Romanik, Ashley Romine, Karla Ruzicka, Kelly Ryckaert, Alexis Schaepekens, Alexandra Schaibly, Jaynie Shiflett, Brenda Smith, Jenna Stegall, Linda Strine, Sara Swoyer, Amanda Tanner, Julia Tober, Becky Turkovics, Ami Unger, Julie VanEvery.

Middle Level Teacher of the Year

Amanda Bailey, Jenny Berhe, Katie Bohms, Jim Bronson, David Clifford, Jodee Collick, Jan Crawford, Diana DeSilva, Charlotte Dotson, Cayla Dowdall, Mandy Gilbert, Kelly Graves, Jenifer Green, Patricia Heasty, Tara Hendrix, Amie Hicks, Amanda Hoggard, Tiffany Hopper, Ashley Horton, Anna Hotchkiss, Heather Janiga, Brook Johnson, Lisa Knopf, Kimberly LaFave, Kim Lawrence, Michelle Lynch, Robert Konzman, Kim Macko, Danielle Moehlman, Christa Parks, Gabrielle Pennington, Ben Price, Sandy Rhyne, Amber Rogers, Shawna Shorkey, Stephanie Slemmons, Angela Stratman, Kristen Souders, Karen Thompson, Tisha Torres, Amy Tysick, Patti White, Michelle Wilson.

High School Teacher of the Year

Jodi Aboneaaj, Matt Ames, Jody Baldrige, Robert Belprez, Lauren Crongeyer, Katie Davis, Zachary Evans, Ron Fray, Doreanna Freeman, Mary Hainline, Pat Herriman, Lindsey Hollenback, Mary Ignatowski, Brandon Jakeway, Shannon Kelsey, Darcey Kondel, Janey McGlashen, Andrew Michalik, Michelle Nuckolls, Jennifer Orkisz, Raina Palso, Brooke Piger, Mark Ragnone, Tony Schaaf, James Schuster, Sarah Seiter, Amy Sherlock, Blake Smith, Mary Ann Stedry, Cory Sturgess, Crystal Weekley, James Wilcox, Doug Wilson.

Support Person of the Year

Penny Alband, Carrie Blazen, Brianna Book, Terry Cline, Taya Cumpata, Pat Cunningham, Tiffany Echols, Brigitte Fletcher, Christina Fortune, Patty Galea, Megan Gatz, Mary Naranjo, Custo Joe Francis, Becky Holt, Erica Johnson, Jennifer Leask, Debra Lutze, Chuck Masterson, Peggy McCurdy, Beverly Nichols, Pam Osgood, Jacob Perry, Katlyn Peru, Laurie Potter, Katherine Rivette, Ariello Romano, Chris Schlak, Dee Schneider, Tammie Shewmaker, Claudia Singles, Walter Smith, Micah Tharpe, Andrea Tomczak, Heather Townsend, Kelly Wangler, Julie Whitman.

Challenging yet successful year in the books

We made it! We successfully completed a school year that was fraught with challenges caused by the COVID-19 pandemic. Despite those challenges - including the very

difficult decision to delay our start date, a pre-holiday "pause," contact tracing and quarantining, and staff shortages, we

were able to offer a full school year of face-to-face and online instruction and help get our students back on track.

As I reflect over the last year and its challenges, I can't help but feel tremendously proud of our students and staff. They really rose to the challenge and persevered. We were one of only a handful of school districts in our county to offer a full year of full time face-to-face instruction five days a week. While 70% of our parents opted to send their children to school for face-to-face instruction we also provided about 30% of our students the opportunity to complete their instruction online.

There were also a lot of positives that came from this school year and I think it's important to reflect on those. They include:

- Davison High School earned high National and metro-area rankings in the 2021 Best High Schools by U.S. News. Davison High School ranked #134 in the state and #3,631 in the nation. When you consider there are over 1,700 public high schools in the state of Michigan that puts Davison High School in the top eight percent. And, with 13,394 schools ranked nationally we rank in the top 27% in the country.
- Much work is being done on the 2020 Bond. We held a small groundbreaking ceremony for our new auditorium/performing arts center prior to our June 14 Board of Education meeting. Work on the Thomson Elementary two-classroom addition is moving forward and the turf and extra restrooms have been completed at Cardinal Stadium. Work also continues at the new Cardinal Station, the property on Lapeer Road where our Transportation, Food Services and DCER offices will be relocated in July. Other work that will take place this summer is the installation of new boilers at Davison High School, Davi-

son Alternative Education, Davison Middle School and Hahn Intermediate, a complete utility relocation (sanitary sewer, water, electrical, storm sewer, gas) at DAE/DHS in order to accommodate the new performing arts center and connector between the alternative education and high school buildings, asbestos abatement on the first floor of the high school, new installation of ceilings and 3-D lighting in the cafeteria, kitchen, varsity locker rooms and boiler room (where the abatement is taking place), improvements to the high school kitchen, cafeteria and serving lanes, new bleachers in the high school gymnasium and the installation of a new chiller at the high school to provide air conditioning to the entire high school and new performing arts center.

- We were able to hold graduation ceremonies for about 350 Davison High School seniors and nearly 40 Davison Alternative Education students. I know this is just a "normal" rite of passage, but not being able to hold a traditional graduation last year because of COVID restrictions hurt deeply and still does.
- Our staff has become much more proficient with the use of technology for instruction.
- Our Wrestling team won the Class A Division 1 State Championship. We also had five individual state champs (a school record) and set a state record by qualifying wrestlers from all 14 weight classes as All-State.
- Our football team made their second straight appearance at Ford Field to play for the Class A Division 1 State Championship.
- Our Boys' Bowling Team was also runner up for the state title.

As you can see, we have so much to be proud of. Thank you for hanging in with us this past year and a half. As with most trials, we know we will emerge stronger. That is why our 2021-22 school year will focus on Social Emotional Learning, or SEL. People with strong social-emotional skills are better able to cope with everyday challenges and benefit academically, professionally and socially. From effective problem-solving to self-discipline, from impulse control to emotion management and more, SEL provides a foundation for positive, long-term effects on students, adults and communities. If ever there was a time for this to be a focus, it is now.

Have a restful and relaxing summer. See you back here in August!

Emma Lewandowski is ranked 15th in her class with a grade point average of 4.004. She is the daughter of Jennie and Paul Lewandowski.

Emma's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society and DECA.

Emma will be attending Michigan State University.

Emma

Parker Arnold is ranked 16th in his class with a grade point average of 4.002. He is the son of Colleen and David Arnold.

Parker's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, Vice President National Honor Society, String Orchestra and Tennis.

Parker is undecided at this time of his college major.

Parker

Marguerite Sherwood is ranked 17th in her class with a grade point average of 4.001. She is the daughter of Kathy and Tony Sherwood.

Marguerite's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, Community Service Cords, Saginaw Valley League All Academic – Competitive Cheer, Sideline Cheer and Lacrosse, Saginaw Valley League Varsity Letter – Competitive Cheer, Sideline Cheer and Lacrosse.

Marguerite plans to attend Mott Community College and then transfer to the University of Michigan Flint to pursue a career as a physician assistant.

Lauren Sayles is ranked 18th in her class with a grade point average of 3.995. She is the daughter of Tiffany and Greg Sayles.

Lauren's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, Community Service Cords, Student Ambassador, Saginaw Valley League – Volleyball, Saginaw Valley League All Academic – Volleyball, Varsity Letter – Volleyball.

Lauren

Marguerite

Lauren plans to attend Wayne State or Michigan State University to major in chemical engineering.

Braeden Moore is ranked 19th in his class with a grade point average of 3.990. He is the son of Valerie and Brian Moore.

Braeden's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin and BPA Semi-Finalist Medal.

Braeden plans to attend Michigan Tech University and major in computer science.

Ellary Darling is ranked 20th in her class with a grade point average of 3.987. She is the daughter of Lisa Jarman and Jason Wienandt.

Ellary's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society Treasurer,

Student Ambassador, Yearbook, Kiwanis A+B=C Award Nominee, Saginaw Valley League All Academic – Basketball and Golf, Saginaw Valley League – Basketball and Golf, Varsity Letter – Basketball and Golf.

Ellary plans to attend Lake Michigan College.

Elizabeth Brandes is ranked 21st in her class with a grade point average of 3.983. She is the daughter of Tammi and Jeff Brandes.

Elizabeth's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, Community Service Cords, Marching Band, Concert Band, Saginaw Valley League – Sideline Cheer and Competitive Cheer, Saginaw Valley League All Academic – Sideline Cheer, Varsity Letter – Sideline Cheer and Competitive Cheer.

Elizabeth is attending Mott Community College and plans to transfer to Grand Valley State University to major in ultrasound technology.

Caleb Eicher is ranked 22nd in his class with a grade point average of 3.981. He is the son of Nadia and Shawn Eicher.

Caleb's activities and accomplishments include High Honor Roll,

Braeden

Ellary

Elizabeth

Caleb

Academic Certificate Letter and Pin, Cardinal Code Pin, Robotics and Soccer.

Caleb plans to attend Rosedale Bible College and Ohio State. He plans to major in computer science.

Trayza Haido is ranked 23rd in her class with a grade point average of 3.974. She is the daughter of Angela and Ady Haido.

Trayza

Trayza's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, Student Council Historian, DECA, Spanish Club, Student Ambassador and Tennis.

Trayza plans to finish Mott Early College and then transfer to

Northwestern University or Purdue to major in engineering.

Emily Smith is ranked 24th in her class with a grade point average of 3.971. She is the daughter of Daniel and Amanda Smith & Susan Pitock.

Emily's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, Student of the Month and Bowling.

Emily plans to attend Mott Community College and major in baking & pastry arts.

Emily

Ella Brandow and **Chloe Evoy** share the 25th ranking in their class as both have a grade point average of 3.967.

Ella

Ella is the daughter of Jamie Bates and Jason Brandow. Her activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, Community Service Cords and the Kiwanis A+B=C Award.

Ella is undecided at this time of her college choice.

Chloe is the daughter of Anna and Ronald Evoy. Her activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, Community Service Cords, National Honor Society, Yearbook, Saginaw Valley League – Golf, Saginaw Valley League All Academic – Golf,

Chloe

Varsity Letter – Golf, Powerlifting.

Chloe plans to attend Saginaw Valley State University to major in nursing.

Grayson Lumsden is ranked 27th in his class with a grade point average of 3.966. He is the son of Carol and Grant Lumsden.

Grayson

Grayson's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, Robotics, Ski and Snowboard Club, Saginaw Valley League – Tennis, Saginaw Valley League All Academic – Tennis, Varsity Letter – Tennis.

Grayson plans to attend Kettering or Michigan State University to major in chemistry.

Tyler Loisel is ranked 28th in his class with a grade point average of 3.961. He is the son of Trisha and Bradley Loisel.

Tyler's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin and Student of the Month.

Tyler will attend Mott Community College and major in Library & Information Science.

Tyler

Shelby Murphy is ranked 29th in her class with a grade point average of 3.958. She is the daughter of Michelle Murphy and Rob Murphy.

Shelby

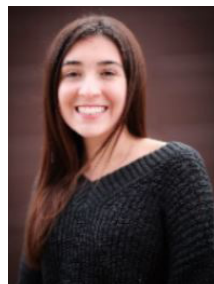

Shelby's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, Tennis and Volleyball.

Shelby plans to attend Central Michigan University to major in biology.

Mara Lieske is ranked 30th in her class with a grade point average of 3.956. She is the daughter of Emily and Eric Lieske.

Mara's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, DECA, LINKS, Saginaw Valley League – Tennis, Saginaw Valley League All Academic – Tennis and Varsity Letter – Tennis.

Mara plans to attend Michigan

Mara

State University to major in animal science/business.

Mallory Morton is ranked 31st in her class with a grade point average of 3.954. She is the daughter of Kyndra Morton and stepfather Christopher Belcher and Chad Morton.

Mallory's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, Student Ambassador, Ski and Snowboard Club, HOSA, Saginaw Valley League All Academic – Soccer, Saginaw Valley League – Soccer, Varsity Letter – Soccer.

Mallory plans to attend Michigan State University to major in human biology.

Mallory

Isabelle Keeler is ranked 32nd in her class with a grade point average of 3.941. She is the daughter of Adrienne and Patrick Keeler.

Isabelle's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin and National Honor Society.

Isabelle plans to attend Central Michigan University to major in biochemistry.

Isabelle

Kyle Hart is ranked 33rd in his class with a grade point average of 3.935. He is the son of Lisa and Larry Hart.

Kyle's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin and Cardinal Code Pin.

Kyle will be attending the University of Michigan Flint to major in biochemistry.

Kyle

Natalie Benjamin is ranked 34th in her class with a grade point average of 3.933. She is the daughter of Tina and Michael Benjamin.

Natalie's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, Student of the Month and National Honor Society.

Natalie plans to major in biomedical engineering.

Bailey Saffron is ranked 35th in her class with a grade point average of 3.923. She is the daughter of Tara Manwaring and

Natalie

Terry Saffron.

Bailey's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, Marching Band, Saginaw Valley League – Softball, Saginaw Valley League All Academic – Softball, Varsity Letter – Softball.

Bailey plans to attend Michigan State University to major in dietetics.

Bailey

Regan Snyder is ranked 36th in her class with a grade point average of 3.919. She is the daughter of Deanna and Paul Snyder.

Regan's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, President of Student Council Executive Board, National Honor Society, Debate Club, Student Ambassador, Saginaw Valley League All Academic – Tennis, Saginaw Valley League – Tennis, Varsity Letter – Tennis.

Regan plans to attend Adrian College to major in business/marketing.

Sydney Jones is ranked 37th in her class with a grade point average of 3.915. She is the daughter of Brenda and Barry Jones.

Sydney's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, Saginaw Valley League – Volleyball, Saginaw Valley League All Academic – Volleyball, Varsity Letter – Volleyball.

Sydney plans to attend Olivet Nazarene University to major in biochemistry.

Sydney

Cameron Livingston is ranked 38th in his class with a grade point average of 3.908. He is the son of Julie and Jeffrey Livingston.

Cameron's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin, National Honor Society, Marching Band, Concert Band and Wind Ensemble.

Cameron

Cameron is currently undecided of his college plans at this time.

Tyler Gibbard is ranked 39th in his class with a grade point average of 3.904. He is the son of Traci and Matthew Gibbard.

Tyler

Tyler's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin and Cardinal Code Pin.

Tyler plans to attend University of Michigan Flint to major in computer science.

Krislin Weier is ranked 40th in her class with a grade point average of 3.902. She is the daughter of Dawn Weier and Michael Weier.

Krislin

Krislin's activities and accomplishments include High Honor Roll, Academic Certificate, Letter and Pin, Cardinal Code Pin and Community Service Cords.

Krislin plans to attend the Early College at Mott and then College for Creative Studies to major in Graphic Design

Traveling Library Bus making stops throughout summer

If you need some reading material to help you complete your challenges, then be sure to watch for our DCS Traveling Library bus in a neighborhood near you this summer. Students from ALL buildings are welcome to stop at any or all stops. Here is the schedule:

June 30 - Siple Elementary staff will host visits to:

- 1-1:30 p.m. Kidcare Daycare, 3181 N. State Road
- 1:40-2:10 p.m. Hunt Farms, 10000 block N. Hunt Road
- 2:15-2:45 p.m. Broadview Estates, Bus Stop #3
- 2:50-3:20 p.m. 9300 block of Tiger Run
- 3:30-4 p.m. 4000 block Winter Hue Lane

July 14 - Central Elementary staff will host visits to:

- 1-1:30 p.m. Continental Estates Clubhouse
- 1:45-2:15 p.m. Carriage Way/Carriage Trails
- 2:30-3 p.m. Manford Heights
- 3:15-4 p.m. Collingwood @ Central Elementary

July 21 - Gates Elementary staff will host visits to:

- 1-1:30 p.m. Belle Meade, Irish Village
- 1:45-2:15 p.m. Brandywine/Vassar Park/Hidden Trails
- 2:30-3 p.m. Kearsley Creek/Creekwood
- 3:15-3:45 p.m. Kindercare Daycare
- 4-4:30 p.m. Country Club Estates/Woodridge/Rivershyre/Copper Ridge
- 4:45-5:15 p.m. Gates Elementary

July 28 - Thomson Elementary staff will host visits to:

- 1-1:30 p.m. Lake Callis
- 1:45-2:15 p.m. Abernathy Park
- 2:30-3 p.m. Cardinal's Nest
- 3:15-3:45 p.m. Stratford Square @ Thomson Elementary

August 10 - Hill Elementary staff will host visits to:

- 4:30-6:30 p.m. @ Hill Elementary during Open House

Congratulations to our 2020, 2021 DCS retirees

We are sad to see these DCS staffers leave but wish them well in their retirement!

Doreen Bednard began working at the Cardinal's Nest in September 2009.

Doreen

"We plan to travel to see our children and grandchildren who live out of state and to live life to the fullest," Doreen said of her retirement plans.

Doreen said that she will always cherish the interactions she had with the children.

Doreen has been married to her husband, Wally, for more than 32 years. They have three

children: Nicole, Ashley and Shawn; and two grandchildren, Saylor and Jonah.

Doreen's advice to her successor is to "be patient and listen to what the children have to say."

Lori Bolton retired at the end of last school year as the Music Teacher at Central Elementary. She began her career with Davison Community Schools in March 1994 as the Choir Director at Davison Middle School.

Lori

For the immediate future, Lori is spending her retirement taking care of her granddaughter three days a week. She does

hope to travel both stateside

and overseas. "I think that the most surprising thing to me is that a farm girl from North Dakota was brave enough to move away and teach in four different states and with ages K-12, all in music," Lori says of herself. "I was blessed."

Lori and her husband, Mark, have two sons. Andrew is married to Tara and Joshua and his wife, Rose, have a daughter, Eleanor.

Lori's advice to her successor is to "enjoy the kids as much as you can because time really does go by quickly."

Julie

Julie Davenport began driving a school bus as a substitute in January 1993 and was hired as a permanent employee in 1994.

Julie is spending her retirement healing from broken bones, spending time on the

lake and tending to her gardens and flowers.

Julie says she has so many memories from her years of driving.

"Children are so funny," she said. "Just the smiles in the morning from them made my day."

Julie also fondly recalls playing games while waiting to unload at the school buildings and singing Christmas carols during the holidays.

Julie and her husband of 11 years, Ralph, raise two of their grandchildren so that keeps them busy. Between the two of them, they have four children and five grandchildren.

Julie's advice to other drivers is to "get to know your children on the bus and keep communication open with parents/caregivers. Always take the time to listen to the little ones."

Amy Edmond's retirement plans came a little earlier than expected due to COVID-19, but now that she has adjusted to her new schedule and doing things she's always wanted to do, there is no looking back! Amy is volunteering at the Genesee County Animal Control and is able to see family much more and, of course, spoil her husband of 34 years, Murray, and their two rescue dogs, Lucy and Ethel. Amy, a physical education teacher at Gates Elementary, retired before the school year began last fall. Prior to beginning in Davison in August 1991, Amy taught at Clio and Lakeville school districts.

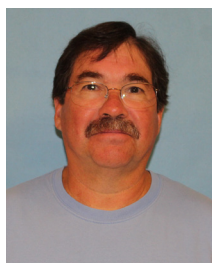

Amy

"The thing that stands out to me during my career as being an elementary physical education teacher, are the number of children you get to influence, teach and help to make the world a better place," Amy said. "You soon realize that the parents of the children you teach have the same interest in mind: to give their child the best opportunity for learning and make sure they are loved."

Amy and her husband have two children: Emily is a physician assistant who lives in Austin, Texas, with her husband Anthony Ruscitto. They are expecting their first child in late August. Son, Cameron, moved to Austin a year ago with his girlfriend, Katie Kennedy, and is a personal trainer.

Amy's advice to her successor is to invest in the best gym shoes because your feet are going to hurt! But seriously, she says: "remember the positive things you say and the way you treat people will always be remembered far more than the subject matter you teach."

Tom

Tom Esper retired at the end of the 2019-20 school year. He taught earth science and social studies during his 26-year career at Davison High School.

An avid birdwatcher, Tom hopes to increase the number of birds he has seen on his life list.

Tom said he was proud to serve as the Science Olympiad Coach with retired teacher Diane

Root and current DHS teacher Brent Prim for 26 years. The team reached state finals seven times. Tom said he also loved coaching tennis and teaching hundreds of kids how to play a life-long sport.

Tom and his wife, Kim, have two Davison High School graduates, daughter Kristina and son, Thomas. They are also the proud grandparents of two grandsons.

Tom's advice to his successor is to "accentuate the positive."

Jennifer Hall began working for Davison Community Schools in August 1997. She has worked as a teacher, administrator and counselor.

Jen

Jen's retirement plan is to start a second career.

Jen is married to Roy and they have three children: Chase, Haley and Cannon, all of whom are Davison High School graduates.

Kelly Hilgendorf hired in to the district in August 1999. She has taught at Thomson, Gates, Siple and Central Elementary buildings.

Before coming to Davison, she taught seven years in the Almont and Cro-Lex school districts.

Kelly plans to travel as much as possible, hang out with friends and family more often and eventually do some sailing around the Caribbean and enjoy retirement by the ocean.

Kelly

One particular incident that occurred early in her career happened after she introduced herself as "Miss Myers" to a classroom of kindergarteners. About an hour later, a sweet little guy approached her and was struggling to remember

her name. Kelly said "yes?" and the boy paused and said "Miss Kmart?"

'When I laughed, he said, 'I forgot your name.' He knew I was the name of a store!"

Kelly has two children, Keegan, 27, and Alayna, 24. They, along with Kelly, are Davison alumni. Kelly's

"better half" is Tim Rutkowski, physical education teacher at Central Elementary.

Kelly's advice to her successor is 1. Stand up for what you believe is right and remember that you are a professional, don't sell yourself short. 2. Think outside of the box! Some of my best teaching moments were when I tried something different or new. 3. Be a good colleague and friend to other staff members, they will have your back and be your strongest support system.

Kathryn Jurasek retired as a special education paraprofessional at Davison High School earlier this year. She has worked for the district for four years but has served as a substitute teacher, administrator, teacher and paraprofessional during her career.

"Retirement thus far has been wonderful," Kathryn exclaimed, adding that she has been busy reading murder mysteries, eating out with friends, walking the dog, fixing things around the house, attending Tigers games and traveling to her home in West Palm Beach. She particularly likes not having to use an alarm clock anymore.

Kathryn

Kathryn's family includes an "opinionated" older brother, Jerry, and a "pesky" younger sister, Mary. "As you can figure out, I am the neglected, unknown, middle child," she said kiddingly.

The real VIP of her family, though, is "Handsome Jack," her Labrador-mixed-hound dog.

Janice LaLonde is one of the "originals" at Hahn Intermediate, transferring to the new building in 1998 after working the previous year as a paraprofessional at Thomson Elementary. In all, Janice worked 10 years as a paraprofessional and the last 13 as the secretary to the principal at Hahn. She retired at the end of the 2019-20 school year.

"I wish I would have started a journal years ago," she said. "I've seen and heard so many things in my (career). One of my favorites was my first year. A kindergarten student was so upset because as he was washing his paintbrush, it fell down the drain. I calmed him down and explained how we could easily fix it. I even showed him the drain in the cabinet and told him how the paint brush could be retrieved later that day. He went home and told his mom that I was magic! Not only was I a teacher but I was also a plumber."

Janice

When she's not subbing in the district, Janice is spending her retirement reading, relaxing with family and friends, camping, hunting and fishing with her husband, traveling to see kids and

grandkids and enjoying cups of coffee on sunny mornings on her deck.

Janice and her husband, Tom, have been married for 42 years. They met at a wedding where he caught the garter and she caught the bouquet. They have five awesome, hard-working children plus five more when you count their spouses. Janice is also a grandmother to 14 amazing grandchildren; six girls and eight boys. Only three of them live in Michigan due to military commitments so she and Tom are thankful for the technology that links them when they can't be together.

"Always be honest and do the right thing," is Janice's advice to her successor. "You never know who is paying attention. Just as important is to have a sense of humor so you can make the best of any situation."

Dale Miller retired as the high school Security Director in August 2020 after 19 years of service to his second career.

Dale is spending his retirement working in his garden and hobby farm and looks forward to touring Michigan and attending his grandchildren's events.

Dale

"My position was not popular with students and a few staffers but at year's end, numerous students would say thanks for having their safety in mind – many staffers also," Dale said. "I tried to bring 28 years of law enforcement experience to the campus to keep it safe."

Dale is married to his "super" wife, Denise. They have a daughter and son-in-law. Their grandson plays baseball for Mott Community College and their granddaughter plays high school volleyball.

Cheri Nill has been teaching our youngest learners about the importance of reading since she was hired as a library aide (paraprofessional) in February 1995.

Cheri

"When I am reading and see the connection and joy in the children's faces," has been among the most memorable experiences of her career, Cheri says. Other highlights have included the comments she has received from parents saying how much their child loves library, the excitement of Book Fair week and, of course, the hugs.

"There are so many special memories and friendships that I have developed over the years," Cheri said.

Cheri and her husband, Walt, have been married for 40 years. They have two children. Stacey is a 2003 DHS graduate and lives in East Lansing where she is

an administrative assistant and food pantry coordinator for a church in Okemos. She also is an administrative secretary for the Michigan District of Kiwanis and is a charter member and secretary for the Greater Lansing Young Professionals Kiwanis. Son, Kevin is a 2006 DHS graduate and is a producer for an advertising agency in San Diego, Calif., where he lives with his partner of 12 years, Bill. Kevin enjoys playing beach volleyball, performing in the San Diego Gay Men's Chorus and is a fabulous cake decorator.

Cheri's advice to her successor is "set your expectations for classroom behavior on Day 1. Read with emotion and animation. Make it fun! Meet them at the door with a smile. Work with your teachers as you have a wonderful staff – this is a very special school."

Cheryl Nitzschke has worked as a special education paraprofessional at Thomson Elementary since 2001.

Her retirement plans include spending as much time as possible up north, traveling and spending time with family and friends.

Cheryl says it is hard to pick out one memorable experience during her nearly 20-year career.

"Every day working with the Thomson staff and children in the building was a happy day for me," she said.

Cheryl and her husband, Al, have four children: Paula, Wendi, Kyle and Kelly; five grandchildren: Cody, Cory, Isabella, Arabella and Jackson.

Her advice for her successor is to "love what you are doing, it makes it so much easier. Enjoy the children even when they are having a bad day. We all do now and then."

Christa Parks began working at Davison Community Schools in August 1995. She taught at Central for four years and the remainder of her career has been at Hahn Intermediate.

Focusing more on her art and her family are Christa's primary retirement plans.

One of Christa's more memorable experiences happened when one of her students got stuck in pond muck when the class was taking water samples and catching invertebrates. After a few tense moments and much encouragement from Christa – who had forgotten waders for herself, the student was finally able to wiggle himself free; he learned the rest of his class was waiting on him to go hunt for salamanders.

Cheryl

Christa

Christa's family includes her parents and a sister. Sadly, another sister passed in November from colon cancer. Christa also has many fur babies that she loves more than life itself.

Christa's advice for her successor is to be patient and kind to everyone. "Remember that all of your colleagues are in the same boat – or plan – and need your support, too. Do not let anyone make you feel like you are not a rock star at this job. Keep going if this is your passion and find something else if it is not."

Diana Rutherford says she is going to try and make retirement "stick" this time around. Diana is leaving DCS as a success coordinator after nine years

Diana

of service to the district. She came to DCS in 2012 after retiring from a 33-year career at Genesee County Probate Court .

Diana plans to rest, relax and enjoy her family as well as travel.

"I will always remember the connections I made with students," she said.

Diana and her husband, Randy, have a daughter, Hillary, and son-in-law, Garrett. She also has three step-children and five grandchildren.

Diana's advice for her successor is to practice patience and really listen.

Sue Seymour retired at the end of last school year as the Payroll Specialist for Davison Community Schools. She began her career, however; in 1997 as a paraprofessional at Thomson Elementary.

Sue

Sue is spending her retirement traveling, running, agility training with her puppy, Hazel, running, reading, running and spending her time doing what she wants to do. Did we mention that she likes to run?

Some of Sue's most memorable experiences include the realization that a National Donut Day really does exist and she made sure it was celebrated at the Cardinal Center!

"I always enjoyed helping employees understand their pay, W-2, etc. and helping them with retirement questions.

Sue is married to Denny. They have two children: son, Brian, and daughter, Lisa and husband Brody. Sue is over the moon excited that she will be a grandmother in November. She already has a grand dog, Oliver, and, of course, new pup Hazel has been a welcome addition to the family.

Sue's advice to her successor is "trust yourself. Listen to your instincts and have faith in yourself."

And, most importantly – take your vacation days!

Kris Souders was hired by Davison Community Schools in June 1994. She taught two years of fourth grade at Central Elementary, two years of fifth grade at Siple Elementary, 19 years of fifth grade at Hahn Intermediate and four years of social studies at Davison Middle School.

Kris

Kris plans to spend much of her retirement time back in West Michigan, where she is from originally. She also has plans to travel to new places and spend time with her family.

Some of the most memorable moments during her career include moving into the new building when Hahn Intermediate was built, creating some of the best friendships she now has from years of working with amazing people and after moving grade levels several times in the last few years there have been eight students she had as fifth graders, seventh graders and now eighth graders.

Kris and her husband, Pete, have two daughters, Makenna and Reese. Both are currently attending Michigan State University. Go green!

Linda Strine has taught first grade since hiring in at Davison Community Schools in August of 2002. With the exception of her first year where she taught at Central Elementary, Linda's classroom has been at Hill Elementary.

The first order of business on Linda's retirement checklist is to declutter her house. She also plans to devote more time to her 91-year-old mother and other family members. Linda and her husband, Karl, plan to travel to Vegas to celebrate son Andrew's 30th birthday and a winter trip to Mexico is also in the works.

Linda

A memorable moment for Linda happened during the holiday season on a day that the school was celebrating Polar Express Day.

"During my fourth year, Mr. Harper announced on the PA 'All of you riding the Polar Express today better bundle up. It's going to be sunny but very cold.' One student asked, 'Are we really going on the Polar Express?' I replied 'what do you think?' His classic response was 'I'm not sure anymore – I'm so confused.' It really brought a smile to my heart. I always enjoyed the magic of the season."

Linda is married to Karl. They have a son and daughter-in-law, Andrew and Bailey Sutherland.

Susan Vamos taught in school buildings in the Flint and Flushing school districts before coming to Davison in 2001 where she taught first graders at Hill

Retirees/Continued from Page 13

Elementary.

“Every elementary year that my boys attended school at Hill is a positive memory,” she said. “It was such a blessing to get to teach in the same school that my boys attended. Every one of the boys’ teachers was outstanding and I got the best of both worlds being a mom and a teacher during those early years.”

Susan

Susan’s retirement plans include traveling to as many places as possible – including warm locales when it’s cold at home and to her son’s college baseball games. She may even pick up a part-time job and has thought about getting her real estate license reinstated. She is also going to take her sheltie, Stanley, to agility training and spend lots of time loving on him.

Susan and her husband, Robert, have two sons. Logan is studying physical therapy at Oakland University. In addition to his job at Health Quest Physical Therapy, he umpires baseball games. Youngest son, Mitch, just graduated and will be attending Jackson College where he will play baseball and study for his electrician’s certificate.

Susan’s advice to her successor is to be strong but empathetic, work hard but remember to have fun along the way. “If it isn’t going to matter in five years from now, then it doesn’t matter! And most of all, keep God in your life and pray for others and thank him for all your blessings.”

Congratulations also to these retirees:

- **Marcia Taylor**, Paraprofessional, Hahn Intermediate, 7 years
- **Louis Renner**, DHS Teacher, 17 years
- **Veronique Hungerford**, DHS Teacher, 19 years
- **Linda Scharrer**, DHS Teacher, 19.5 years
- **Patricia Heasty**, DMS Teacher, 23 years
- **JoAnn McCarty**, Bus Driver, 24 years
- **Linda Briggs**, Paraprofessional, Hill Elementary, 25 years
- **Jayne Jacot**, Custodian, 29 years
- **Carol Riegle**, Custodian, 29 years
- **Joyce Loren**, DHS Cook, 30 years
- **Jim Bass**, Head Custodian, Thomson Elementary, 35 years
- **Petra Herron** Cardinal’s Nest Preschool Teacher, 35 years

Several summer reading challenges available for students and adults

Calling all DCS students - we have a challenge ... a summer reading challenge! In fact, students (and adults) have an opportunity to participate in one or more reading challenges this summer.

Read to a Million Summer Literacy Challenge

Students from all Genesee County school districts have been invited to participate in the Genesee District Library “Read to a Million Summer Literacy Challenge.” (C’mon Davison - we got this!)

Open to all students in grades PreK through 12, this challenge is simple to join! When you read this summer, simply log your books/pages in this Google Form: <https://tinyurl.com/GISDreadtoamillion>

Your books/pages will be tallied for Davison and the county. You can enter up to 10 different books at a time using the Google Form, which will be open until August 31. Help Genesee County get to a MILLION books/pages.

The Genesee Intermediate School District will hold a drawing at the end of the summer for any student who participated and will also be giving away a “Bucket of Books” to the top three districts with the most students (percentage) participating.

Audiobooks and parents reading to their child also count! You can log your book/pages for those as well using the Google Form.

Davison Community Schools Summer Reading Challenge

In what has become an annual tradition, DCS is once again holding its Davison Summer Reading Challenge for grades K-4. All reading counts! Every reader who returns his/her calendar signed by a parent will receive a new book. The goal of the program is to read 20 minutes each day over the course of the summer.

You can download the instructions and monthly calendars for June, July and August by visiting the website at www.davisonschools.org.

Tails and Tales Summer Reading Challenge

This challenge, offered through the Genesee District Library, runs from June 12 – August 7 and is open to all ages. Read, log your time and activities online and enter prize drawings. When you complete the challenge, collect your completion prize. Youth Services Librarian Marissa Boisclair has created a short video about the program, which you can watch here: <https://youtu.be/hjl26hwZhrE>

Bond 2020

Update to the community

It has been a very busy few months as crews work to complete the first of the projects that were included in the bond approved by voters in March 2020. Clockwise, work continues on the two-room addition at Thomson Elementary;

work continues on the two-room addition at Thomson Elementary; a groundbreaking ceremony for the performing arts center was held prior to the June 14 Board of Education meeting; the turf and additional restrooms are installed at Cardinal Stadium

and work is now taking place on the track; Transportation, Food Services and DCER staff will be moving into their new digs (the Cardinal Station) off Lapeer Road at the end of July; the concrete block goes up for the addition at Thomson Elementary.
