## Pounding the Pavement

In addition to work continuing on the new Performing Arts Center and other Bond work, you may have noticed that there is a lot of pavement work being done around the district. A separate bus loop and new parent parking lot has been completed at Siple (top) and crews continue to work on a new bus loop and parent pick-up/drop-off drives at Davison Middle School and Hahn Intermediate (above). The parking lots at Thomson Elementary and the Cardinal Center are also being repaired prior to the start of the 2022-23 school year.

## Some familiar faces taking on new roles

*New principals announced at DHS, DAE, Gates and Thomson elementary buildings*

The faces may be familiar but students and parents will find new principals when they return this school year at Davison High School, Gates Elementary and Thomson Elementary as well as a new assistant principal at Davison Alternative Education.

Jerry Piger

Natalie Miller

Veteran administrator and current Davison Alternative

Education Principal **Jerry Piger** has been selected to replace Ron Jacobs as the Principal of Davison High School. Jacobs has accepted a high school principal position in his hometown of Corunna.

In his new role, Jerry will serve as Principal of both Davison High School and Davison Alternative Education; however, **Jesse Szatkowski** will oversee the day-to-day operations at Davison Alternative Education as the building's new Assistant Principal. Jesse, who was hired in 2017 as a classroom teacher at Hahn Intermediate, served as the Dean of Students at Hahn during the 2021-22 school year.

Jerry began his career at Davison Community Schools as a substitute teacher in December 1997 and was hired to teach English at Davison High School in August of 1998. He was in the classroom until August 2006 when he stepped into the role of Assistant Principal. It was a position he served until July 2017 when he was named Principal at Davison

Please see **ROLES**/Page 15

# Teacher Qualification Information

In compliance with the requirements of the Every Students Succeeds Act, the Davison Community Schools would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/or paraprofessional(s). The following information may be requested:

- Whether the student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the

teacher provides instruction; is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and is teaching in the field of discipline of the certification of the teacher.

- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning your child's teacher's and/or paraprofessional's qualifications, please call 591-0808.

## Cardinal Caller

Michelle Edwards, Editor

The Cardinal Caller is published by the Board of Education and is distributed without charge to each household in the Davison School District. If you wish to comment or have questions concerning any article in the newsletter, please address all correspondence to: Cardinal Caller, Public Information Office, 1490 N. Oak Road, Davison, MI 48423 or [medwards@davisonschools.org](mailto:medwards@davisonschools.org).

### Nondiscrimination Policy and Access to Equal Educational Opportunity Policy

The Board of Education does not discriminate on the basis of race, color, national origin, (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

The person designated to handle any questions and/or complaints concerning the nondiscrimination policy of Davison Community Schools is Assistant Superintendent Kevin Brown, 1490 N. Oak Road, Davison, MI 48423 -- (810-591-0808).

### GRIEVANCE PROCEDURE

FOR TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 TITLE IX OF THE EDUCATION AMENDMENT ACT OF 1972 SECTION 504 OF THE REHABILITATION ACT OF 1973 TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990

#### Section 1

Any person believing that the Davison Community School District or any part of the school organization has inadequately applied the principles and/or regulations of (1) Title VI of the Civil Rights Act of 1964, (2) Title IX of the Education Amendment Act of 1972, (3) Section 504 of the Rehabilitation Act of 1973, or (4) Title II of the Americans with Disabilities Act of 1990 may bring forward a

complaint, which shall be referred to as a grievance to:

Civil Rights Coordinator  
Matthew Lobban, Assistant Superintendent  
Davison Community Schools  
1490 N Oak Rd  
Davison, MI 48423  
(810) 591-0808

#### Section II

The person who believes a valid basis for grievance exists shall discuss the grievance informally and on a verbal basis with the Civil Rights Coordinator, who shall in turn investigate the complaint and reply with an answer within five (5) business days. If the complainant feels the grievance is not satisfactorily resolved, they may initiate formal procedures according to the following steps.

##### Step 1

A written statement of the grievance signed by the complainant shall be submitted to the Civil Rights Coordinator within five (5) business days of receipt of answers to the informal complaint. The Coordinator shall further investigate the matters of grievance and reply in writing to the complainant within five (5) business days.

##### Step 2

A complainant wishing to appeal the written (or Step 1) decision of the local Civil Rights Coordinator may submit a signed statement of appeal to the Superintendent of Schools within five (5) business days after receipt of the Coordinator's response. The Superintendent shall meet with all parties involved, formulate a conclusion, and respond in writing to the complainant within ten (10) business days.

##### Step 3

If still unsatisfied, the complainant may appeal through a signed, written statement to the Board of Education within five (5) business days of receiving the Superintendent's response in Step 2. In an attempt to resolve the grievance, the Board of Education shall meet with the concerned parties and their representative within forty (40) days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) days of this meeting. The decision of the Board of Education shall be final.

#### Section III

If the complaint is against the Superintendent, it should be reported to:

Vice-President of the Board of Education  
Davison Community Schools  
1490 N Oak Rd  
Davison, MI 48423  
810-591-0801

The 2022-23 school year officially begins on Tuesday, August 16, for all students in grades K-12. Before heading to classes, students will complete the registration process and pick up schedules at the annual Student Check-Ins. Parents and students are also invited to meet teachers and visit classrooms during school open houses. Please note that some school buildings have divided times based on the first letter of the student's last name in an effort to reduce crowd sizes. Wishing all of our students and families a great school year!

## Central Elementary

Open House  
August 10  
Last names beginning A-M: 5-6 p.m.  
Last names beginning N-Z: 6-7 p.m.

PM Families: 6-7 p.m.  
Full Day: 5-7 p.m.

## GSRP (at Central)

Open House  
August 18  
4-5 p.m. (AM Families)  
5-6 p.m. (PM Families)  
4-6 p.m. (Full Day Families)

For a complete list of school start and dismissal times, upcoming events and other information, please visit our website at [www.davisonschools.org](http://www.davisonschools.org).

# Annual Notifications

## Pest control notice

State of Michigan law requires that schools and daycare centers that may apply pesticides on school or daycare property must provide an annual notification to parents or guardians of students attending the facility.

Please be advised that the Davison Community Schools utilizes an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes all suitable techniques in a total pest management system with the intent of preventing pests from reaching unacceptable levels or to reduce an existing population to an acceptable level. Pest management techniques emphasize sanitation, pest exclusion, and biological controls. One of the objectives of using an IPM approach is to reduce or eliminate the need for chemical applications of pesticides. However, certain situations may require the need for pesticides to be utilized.

As required by State of Michigan law, the school or daycare will provide advance notice regarding the non-emergency application of a pesticide such as an insecticide, fungicide or herbicide, other than a bait or gel formulation, that is made to the school or daycare buildings or grounds. Advance notice will be provided, even during periods when not in session. Advance notice is not given for the use of sanitizers, germicides, disinfectants or anti-microbial cleaners. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without advance notice to prevent injury to students, but the school or daycare will provide notice following any such application.

Advance notice of pesticide applications, other than a bait or gel formulation, will be given by at least 2 methods by which advance notice of the applications of a pesticide will be given at least 48 hours before the application. The first method will be by posting at the main entrance to the school building. The second method will be E-mail.

Please be advised that parents or guardians of children attending the school or day care center are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the pesticide application, if they so request. If you prefer to receive the notification by first class mail, please contact Rod Hoover, Director of Custodial and Maintenance at 810-600-2022.

Please be advised that parents or guardians of children attending the school may review the school's Integrated Pest Management program and records of any pesticide application upon request by contacting **Rod Hoover** at the above phone number or by email at [rhuover@davison-schools.org](mailto:rhuover@davison-schools.org).

## Family Educational Rights and Privacy Act guidelines

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask Davison Community Schools to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise the individual of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedure will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel, a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Please see **NOTICES**/Page 5

## Notices/Continued from Page 4

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, D.C. 20202-4605

### **Notice for Directory Information**

The Family Educational Rights and Privacy Act requires that the Davison Community Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include this type of information from your child's education records in certain school publications. Examples include:

- a playbill, showing your student's role in a drama production.
- the annual yearbook.
- honor roll or other recognition lists.
- graduation programs.
- sports activity sheets, showing weight, height of players.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student's information disclosed without prior written consent.

If you do not want the Davison Community Schools to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing. Please send a written request to the **Communications Department at Davison Community Schools, 1490 N. Oak Road, Davison MI 48423.**

The District has designated the following information as directory information: student's name, address, telephone number, electronic mail address, picture, parent or guardian, date and place of birth, major field of study (i.e. technology preparation program, honors program, etc.), dates of attendance, grade level, participa-

tion in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or school attended by the student.

High school students and their parents/guardians may prevent disclosure of a student's name, address and telephone number to military recruiting representatives (who can only use that information to provide information to students concerning educational and career opportunities available in the U.S. Armed Forces or service academies) by submitting a signed written request to that effect to the school district. Again, please send those written requests to the Communications Department, 1490 N. Oak Road, Davison MI 48423.

### **Transfer of student records**

The transfer of student records in Michigan is governed by Revised School Code Section 1135 (MCL 380.1135) which requires that: Within 14 days after enrolling a transfer student, the school shall request in writing, directly from the student's previous school, a copy of his or her school record. Any school that compiles records for each student in the school and that is requested to forward a copy of a transferring student's record to the new school shall comply within 30 days after receipt of the request unless the record has been tagged, pursuant to section 1134 (Section 1134 deals with records of missing students). In the view of the Michigan Department of Education, the "school record" referred to in section 1135 includes a student disciplinary record, including any suspension or expulsion action against the student.

### **School publications, Website**

Names and pictures of students may be used in district publications, including the *Cardinal Caller*, a newsletter mailed to all homes in the 48423 ZIP code, building newsletters, slide show presentations, DTV, social media (Facebook, Twitter, etc.) and on the web site. From time to time, a student's picture may also be released to local media when press releases are issued.

If you object to your student's image or name appearing in any of these publications, please send a written request to the **Communications Department at Davison Community Schools, 1490 N. Oak Road, Davison MI 48423.**

## **McKinney-Vento Homeless Act**

Children who meet the Federal definition of "homeless" will be provided a free appropriate public education in the same manner as all other students of the District. To that end, homeless students will not be stigmatized or segregated on the basis of their status as homeless and will be assigned to the school serving those non-homeless students residing in the area in which the homeless child is actually living. The District shall establish safeguards that protect homeless students from discrimination on the basis of their homelessness. For more information, please contact our McKinney Vento Liaison, **Amy Chorley**, at 591-0913.

# 2022-23 Bus Routes

Please use the bus routes listed below as a guide for your student's approximate pick-up time (times are subject to change) for the start of the 2022-23 school year.

- Please be patient the first few days of school and have your student out at least 5 minutes prior to the approximate bus time.
- If you do not see a bus within 15 minutes, please call our Transportation Department at 591-0816.
- We look forward to providing great, reliable and safe transportation to our students in the upcoming school year. Pick-up and drop-off times may be delayed the first week of school as routes are fine-tuned based on the amount of passengers and timeliness of runs. For questions or concerns please contact one of our friendly dispatchers at 591-0816 or Mark Fahr, Transportation Director, at 591-0813.

## New to district or just moved?

Resident parents who wish to enroll their child in Davison Community Schools for the 2022-23 school year should complete the registration process as soon as possible.

The registration process takes place at the school the child will be attending. If you are not sure which elementary school your child should be attending, please call the Superintendent's Office at (810) 591-0801.

When registering your child, please provide your child's original certified birth certificate (issued from the county clerk's office with the official raised seal on it), immunization records, and three proofs of Davison residency. Please see our website for a complete list of items that you will need to bring with you. (Select the "About Us" tab from our home page and click on Enrollment Information.)

Also, please note: If you move from your current address to another in-district address, you will be required to provide three new proofs of residency (per the requirements noted above) in order to have your child's record updated for future school mailings.

## Asbestos compliance notice

The Environmental Protection agency (EPA) Asbestos Hazard Emergency Response Act (AHERA) requires that each year district workers and building occupants receive notification about asbestos activities such as response actions and inspections. The purpose of this correspondence is to meet those requirements and familiarize you with the asbestos-related activities that have been conducted in Davison during the past year.

Management Plans - The existing Management Plans are located in the Main Office of each building and are available for review. A copy of each Management Plan is also located at the District's Operations Office, 1490 N. Oak Road, Davison, Michigan.

Periodic Surveillance - The AHERA regulation requires surveillance of the condition of asbestos containing materials every six months. This monitoring is being conducted as required by the asbestos standard and copies are located in the management plans.

Reinspection - The AHERA regulation requires a three-year reinspection of the condition of asbestos containing materials in all school buildings. This monitoring is being conducted by State of Michigan accredited asbestos inspectors and copies are located in the management plans.

All asbestos abatement records are located in the management plans and available for public review.

## School closing, emergency information

If weather, road conditions or other emergencies make it necessary to close Davison Community Schools, the following steps will be taken:

- Information will be texted and emailed to parents signed up to receive text/email alerts. (Parents can sign up to receive this by clicking on the Ed-Alert quick link on our website, [www.davisonschools.org](http://www.davisonschools.org).)
- Calls using our automated telephone system will be sent.
- Information will be posted on our website.
- Information will be posted on the District's Facebook, Twitter and Instagram social media sites.
- The following media outlets will be notified: WJRT TV-12, WEYI-TV 25, WNEM TV-5.

The decision to close school is based on several factors, the most important being student safety. Unfortunately, road conditions can change at a minute's notice which may necessitate closing school with very little advance notice or during the actual school day. Please discuss the possibility of a school closing or delay with your child(ren) and develop a plan if you have already left for work.

## Roles/Continued from Page 1

Under Jerry's leadership, Davison Alternative Education has been recognized several times for the impressive evidence-based practices that have been put into place and resulted in improved performance by students. Jerry has been invited to speak about those initiatives at the Michigan School Improvement and the Michigan Alternative Education Organization annual conferences. The Genesee Intermediate School District also recently recognized the work taking place at Davison Alternative Education by sharing a video, featuring students and staff talking about the success of the program, with other schools across the county.

During his tenure at Davison Alternative Education, Jerry has fostered a family-like environment and built relationships with students through such initiatives as "Pancakes with Piger" and "Every DAE counts" to encourage attendance. He, along with his staff, also introduced "Decision DAE," a schoolwide ceremony to celebrate and highlight graduating seniors each year by introducing them and announcing their post-high school plans. And even though he often tells his students that he loves them, by no means is he a pushover.

Jerry earned his bachelor's degree in education and master's degree in public administration (with a focus on education) from the University of Michigan-Flint. He has a master's degree in teaching from Marygrove College.

**Natalie Miller**, who has served as the Principal at Thomson Elementary for the last 10 years, has been selected to replace Theresa Wendt as Principal of Gates Elementary. Mrs. Wendt retired at the end of June after a 37-year career in education as a teacher and administrator.

Natalie has been with Davison Community Schools for 23 years, starting out as a split Reading Recovery and first grade teacher. She then taught first grade at Siple Elementary before taking a job as a Literacy Specialist at Hill Elementary and Central Elementary and, later, solely for Central. She became Principal at Thomson in January 2012.

Natalie earned her bachelor's degree from Michigan State University. She also has a master's degree in literacy and reading and an education specialist degree in school leadership and administration

**Melissa Williams**

from Oakland University.

Replacing Natalie as principal at Thomson Elementary is Central Elementary Literacy Specialist and Coach **Melissa Williams**. Melissa began working for the District as a second grade teacher at Central Elementary in 2008. After seven years in that position, she was named Literacy Specialist at Thomson Elementary. She worked there for more than a year before going back to Central where she has served as the Literacy Specialist and Coach.

It is because of Melissa's initiative that the District is implementing the Reading Intervention for Students to Excel (RISE) program. After winning a Davison Educational Foundation Professional Scholar award in 2018 to attend the Guided Reading Institute at the University of Massachusetts, Melissa knew RISE was a program she wanted to try at Central after hearing author Jan Richardson, Ph.D. speak at one of the sessions.

**Jesse Szatkowski**

When Melissa returned to Central, she transformed her classroom to accommodate the RISE platform where students attend 30-minute intervention sessions outside of regular classroom instruction. During the intervention, they visit three 10-minute stations, each staffed by a fully-trained staff member. The District has seen a tremendous amount of growth from students who participate in the fast-paced intervention because it helps keep students engaged in what they are learning.

Melissa earned her bachelor's degree in elementary education from the University of Michigan-Flint. She has endorsements in Early Childhood Education, General Science and Language Arts. She also has a master's degree in literacy instruction from Marygrove College and an Administrative Certification from the Michigan Association of Secondary School Principals.

Before coming to Davison Community Schools, Jesse taught elementary students for seven years at several charter schools in the Warren and Southfield areas including Michigan Math and Science and Pace Academies. He served as the Dean of Students at Hahn Intermediate last school year.

Jesse has a bachelor's degree in elementary education from Oakland University and a master's degree in educational leadership from Grand Valley State University. While at Hahn, he also served as School Improvement Chair and a head teacher before taking the Dean of Students position.
