

## SCC Notes for 2/15/24

Attendees: Frances Battle, Lamar Spotted Elk, Willow Amendola-Francis, Crystal Rudds, Alexander Hyres, Hope Jenkinson, Rielly Butler, Julia Waldroup, Camala Richard, and Kelli Neuteboom

### Discussion:

- Updates from last chair meeting will be shared when they are received.
- Minutes from last meeting were approved.
- Next year's start and end times will be consistent across schools (elementary, which is where they align Nibley) Also, each school is being surveyed as to whether they want a short Wednesday, short Friday, or all days consistent. Lamar will be moving to Hillside; Fran will be in the Teaching and Learning department at the district.
- Next year's SIP will focus on Culture, Numeracy, Reading, and Science. We will be receiving more money in the Land Trust and that helps pay for our middle school science teacher. We will need an SIP committee. We may have to have another SCC meeting prior to our March 21<sup>st</sup> meeting to discuss the SIP.
- We will have a new principal (Keslie Green) and new assistant principal {Craig (Joie) Ellis} next year. Fran has met with the Ms. Green.
- The open house went well. Many people attended and the Q&A was packed with mostly MELP/DLI parents. Visitors felt very welcomed by our staff. Likely will have more parent involvement next year.
- Staffing- the goal is to keep all current positions. Will be adding 6 MELP/DLI teachers and traditional DLI teachers as needed.
- Superintendent's February visit went well, she saw lots of positive things.
- SHARP Survey results are in- Willow will be sharing those- these drive the funding for counselors, etc. This survey is given in grades 6, 8, 10, and 12.
- PTO- March 4<sup>th</sup> is a family night at Chipotle.

\*Next Meeting- March 21, 2024
