ABOUT US

The Munster High School Choral Department is comprised of four curricular choirs - Beginning Treble Chorus, Beginning Bass Chorus, Intermediate Choir, and Chorale - and two extracurricular ensembles - SING (Tenor/Bass Voices) and SONG. (Soprano/Alto Voices). Programming includes an eclectic repertoire that spans from traditional to significant contemporary works, all in their original languages, and to selections that express multicultural perspectives.

Over the last five years, MHS Choirs have performed with the Northwest Indiana Symphony Orchestra (NISO), participated in the world premiere of Symphony No. 5: Return to Middle Earth by Dutch composer Johan de Meij; sang in Carnegie Hall, New York City, under the direction of Grammy-winning composer and conductor Eric Whitacre, and headlined at the 2020 IMEA Professional Development Conference in Fort Wayne. In 2023, the program made its international debut at the Salzburg Choral Festival under the direction of both Dr. Edith Copley and Professor János Czifra. In addition, Munster Choirs presented a standalone, headlining concert in Vienna on July 3, 2023, to a sold-out audience. The program has released two full-length, albums, *Through the Valley*, in May 2021 and *With Love In Our Heart: Live from Austria* in December 2023. Students routinely receive Gold ratings at Regional and State Solo and Ensemble Contests and are frequently selected for state, regional, national, and international honor choirs.

SCHOLARSHIPS

Since 2020, Munster Choir alumni have earned over \$200,000 in vocal scholarship funds to continue singing as majors and non-majors in collegiate ensembles.

JOVI SAVAGLIO

"I am in choir because I long for the thrill of performing and being on stage! Along with that, I love to continue to sing alongside my friends and fellow peers and travel internationally!"

KAMERYN HUBBARD

"I've always been interested in singing but my first spark initiated from singing in my church's kid's choir where we sung gospel songs every Sunday and Wednesday. My favorite part about choir at Munster would have to be the people in choir and how close we've grown over the years, this has truly become my second family. My passion for singing grows deeper and deeper as the years go on and somehow we top off what we did the previous year."

DIEGO CASAS

Through choir, I have been able to develop skills and abilities that I can utilize in both classes as well as the real world. I have also been able to travel a lot to many places around the state and even out of the country with more trips to come!

ANNIE FULLER

"Sports and choir are a powerful combination. My main sport is tennis, and for me it is release, a place where I can leave everything behind me and just hit. Choir is just as powerful; I am able to go out on stage and really live up every song I sing. Even being Varsity 1 Doubles on my team, I still manage to sing and connect with others through choir; I am able to find balance in my schedule to do both and have fun!"
