* Negative expenditure amounts are due to correcting charges to correct project

** Cannot exceed 5% of Principal & Premium - used for salaries, benefits, purchased services, supplies

*** Less cost of issuance, overhead budget, project contingencies

**** These notated projects are part of the 2021 bond series. 2015 funds were used to pay for a small portion of these projects in order to not halt construction progress between Nov. 2021 and the sale of bonds in March 2022.
