Final Project

Keane's 4th &
5th

Step One

Brainstorm! Take your time. Planning (and pacing) your process is essential. Make sure your ideas work to communicate a big idea. Which are realistic?

Step Two

Pick your strongest idea and make an action plan. How do you execute this idea? What will you need to accomplish it?

Step Three

Make a calendar and a to-do list. How do you complete this by the deadline? What needs to be accomplished each day? What resources need to be gathered? Arrangements made (MakerSpace)?

Step Four

Begin your project.
