**ORANGEBURG COUNTY SCHOOL DISTRICT LAUNCHES "SPOTLIGHT ON ALUMNI:
UNFOLDING THE LEGACY OF OCSD" CAMPAIGN**

ORANGEBURG, S.C. – Orangeburg County School District (OCSD) is proud to announce the launch of a new social media campaign, "Spotlight On Alumni: Unfolding the Legacy of OCSD." This initiative is designed to celebrate and recognize the outstanding achievements and contributions of our alumni in various fields, including education, arts, business, philanthropy, athletics, and public service.

The "Spotlight On Alumni" campaign aims to highlight the success stories of individuals who have graduated from our schools, showcasing the impact they have made in society. This initiative is not just a celebration of their achievements but also a testament to the quality of education and the supportive community provided by the Orangeburg County School District.

"We are thrilled to initiate this campaign to honor our distinguished alumni," said Dr. Shawn Foster, OCSD Superintendent. "Our graduates have gone on to accomplish remarkable things, and it's essential to acknowledge their contributions. They serve as role models and inspire current and future students in our District."

The campaign invites members of the community, including current students, faculty, staff, and alumni, to nominate graduates who have made significant positive contributions in their field or community. Nominations can be submitted through our online form, available at [Nomination Form](#).

Each month, selected alumni will be featured across our social media platforms, sharing their stories and achievements. This spotlight not only celebrates their success but also connects them with the current generation of OCSD students, fostering a sense of pride and community within the District.

"We believe that the stories of our alumni will not only celebrate their accomplishments but also motivate our current students to strive for excellence," added PJ Walker, OCSD Communications Specialist.

The Orangeburg County School District invites the entire community to participate in this campaign by nominating deserving alumni and following the stories of "Spotlight On Alumni" on our social media channels and our website
