

# PROCLAMATION

*Hoover Board of Education  
Thank Alabama Teachers Month 2023*

**Whereas**, the educators of Alabama play a pivotal role in shaping the future of our great state by dedicating themselves to the noble cause of imparting knowledge, fostering creativity, and instilling values in the hearts and minds of our youth; and

**Whereas**, the role of educators extends far beyond the classroom, as they serve as mentors, role models, and inspirations to the generations they influence; and

**Whereas**, the Hoover City Schools District recognizes the profound impact that teachers have on the lives of students, families, and communities, contributing to the foundation of a solid and vibrant society; and

**Whereas**, it is only fitting and proper that we express our deepest gratitude and appreciation for the hard work, sacrifices, and passion exhibited by our teachers;

**Now, therefore**, the Hoover Board of Education joins the Alabama State Department of Education in proclaiming November 2023 as Thank Alabama Teachers Month. District leaders call upon all citizens, schools, communities, and organizations to join in expressing heartfelt appreciation to our educators for their invaluable service and dedication to advancing knowledge and improving our state.
