[Passwords & MFA](#)

Tips to Shop Safely Online during Thanksgiving, Black Friday, and Cyber Monday

You can save a lot by taking advantage of the holiday deals online merchants offer, but you need to stay alert. Practicing safe shopping tips can help you score the presents you want without getting scammed.

By clicking on each button above, you will learn to avoid being scammed, and how to stay safe online today, and throughout the holiday season. Here are four tips: 1) If it seems too good to be true, it probably isn't true. 2) Familiarity breeds contentment 3) Don't shop on public Wi-Fi. 4) Beware of phishing emails containing malicious links. *Remember: Stop, Look, & Think, before clicking. Awareness is your best defense.*
