## Recognizing common scams will help keep you and your family safe online

So you've come back from vacation and now it's time to relax at home. Time to light up the grill and enjoy the patio. Possibly catch a ballgame, or two, with the family. Whatever you decide to do; don't get too relaxed you forget about basic Cyber Safety; you don't want to fall victim to scams.

By clicking on each button above, you will learn three common cybercriminal tactics being used to collect your confidential information. Cybercriminals are always looking to make money at your expense. And, there is nothing they won't do to accomplish their mission. Remember: *Awareness is your best defense.*
