

**BELLMONT  
HIGH SCHOOL**

*Welcome Packet*

# **BHS**

## **Future Braves Expo**

Wednesday February 7  
6:30 PM

BHS Theatre and Commons

This is for all incoming freshman.  
All 8th grade students and one  
parent are asked to attend.

# WELCOME!

At Belmont our motto is *Good at Learning. Good at Life.* We create a positive learning and working environment, where a strong sense of community inspires students and staff within the classroom, and beyond. Whether it is the first time a student walks through our doors or a student walking across the stage at graduation, each individual is provided with opportunities to identify their individual gifts and are given avenues to utilize them. This commitment to helping each member of our community aspire for excellence makes North Adams Community Schools the pride of the community and the choice of anybody seeking the best in education.

We offer a variety of programs and services, including a large selection of dual credit and career-oriented classes, all of which can be done in person on our high school campus. Belmont partners with many local businesses to provide work-based learning, offers a wide selection of extracurricular opportunities, and has some of the most competitive athletic programs in northeastern Indiana.

We excitedly look forward to welcoming you into the Braves family! Should you find yourself asking questions about any topic in this packet, feel free to call us at 260-724-7121 and we will gladly provided you with an answer.

Sincerely,  
Kati Todd  
Principal, Belmont High School

## By the numbers

**\$20,000**

Savings in tuition by completing first year of college classes at BHS

**27%**

Percent of current freshman class that came to BHS from a parochial school.

**50**

Total championships won by athletic teams over the past 5 years.

**\$400,000**

The total wages earned by our work-based learners each year.

**1:18**

Our low student to teacher ratio allows every student to get the attention they deserve.

**51**

On-campus opportunities in which students can earn college credit.

# Work-Based Learning

Bellmont High School offers students the opportunity to earn credit while participating in the local workforce. We have professional partnerships with over 40 local businesses and counting who participate, or have participated in work-based learning. This school year, our students in the work force will earn over \$400,000.

# AP/Dual Credit

---

AP/Dual Credit opportunities are offered in house at our high school. It is doable and common for our students to complete their first year of college while at Belmont, saving thousands on tuition.
