- IV. Reports from Directors, Principals, and Committees
 - a. Executive Director Report
 - i. Our principals will be in the meeting next month to share their data presentations.
 - ii. Middle and High Schools are wrapping up their mid-year data collection.
 - iii. After collecting the Intent to Return forms from families, we have 98.9 % of our students returning for the 2024-25 school year. We are over-enrolling in certain grades, because we have seen a drop in enrollment over the past several summers.
 - iv. Facilities Master Plan We continue to move forward with this work. Our goal is to have a full schematic design packet by mid-April. Once the builders have that packet they will be able to give us a more specific cost.
 - b. Finance Committee
 - i. Mr. Wilson shared the amended budget.
 - ii. There is no new information on the legislative opening.
 - iii. The finance committee will soon begin work to build the budget for next year.

- iv. We have a bathroom remodel on the schedule for this summer; that will cost around \$950,000.
- c. SACademic Committee No meeting this month.
- d. PTO The January minutes were included, but no additional comments were made.
- V. Presentation and Discussion
 - a. Final Read of the Mid-Year Budget Modification There were no questions regarding this.
 - b. 2024-25 Academic Calendar Although the board did not have any questions or comments for the proposed calendar, they did recommend that we move the approval to December so we can share it with the community earlier.
 - c. Executive Session Mrs. Drewlow made a motion that the board enter into an Executive Session in order for the board to discuss the Executive Director's evaluation. Mr. Sanchez seconded the motion.

Executive Director Board Report – February 2024 Meeting

Strategic Initiatives Update

Expectation: Share information about ongoing implementation of initiatives in support of The Academy's 5-year Strategic Plan and other Board priorities.

Instruction & Culture

Principals presented their 2023-24 Annual Work Plans to the Board at the July Retreat. The Board finalized the 2023-24 Data Dashboard at the August meeting. Students completed their baseline assessments in September. Principals presented on their beginning-of-year data as it pertains to the Bi-Annual Instruction & Culture Scorecard at the October Special Meeting. Elementary students competed their mid-year interim assessments to track progress in December. Secondary students finished their mid-year testing in January. Principals will join the February Board meeting to present their mid-year data as it pertains to the Bi-Annual Instruction & Culture Scorecard.

Admin Succession Plan

The goal is to develop an admin succession plan over the course of the fall semester. This plan will cover both unexpected, temporary coverage of vacancies and long term, strategic succession for the following positions:

- Executive Director
- Chief Operating Officer
- Pre-K Director
- Lower Elementary Principal
- Upper Elementary Principal
- Middle School Principal
- High School Principal

Please follow <u>this link</u> to a draft in progress of the succession plan. In the November meeting, the Board discussed developing a matrix of key competencies tied to current and upcoming strategic goals to guide planned succession efforts. The discussion also touched on using this document to describe an organizational perspective on conducting external hiring searches as well as practices in place to the growth of internal talent. Those additions will be included in the next round of revisions to the plan, which will be shared in March.

Middle School Program

The Middle School Admin Team's transition is complete with all positions filled. The new Middle School Principal has started the new semester with confidence and quality. Instructional priorities and strategies for supporting students and teachers have continued uninterrupted from the fall. The Principal will share more detail about the current state of The Academy's Middle School at the data presentation in this month's meeting.

Facilities Master Plan Update

Expectation: Share information about ongoing implementation of the Facilities Master Plan.

The Board voted in its November meeting to move forward with schematic design for a building expansion and renovation. The Executive Director and COO have since met with the design team to initiate this schematic design process. The architects and project manager from HCM have completed a series of stakeholder focus group meetings to collect input from the school staff members who will be using each space included in the renovation or addition projects. The target is to have a full schematic design package with accompanying budget estimates ready for Board review in the April meeting.

As the work above progresses, it is time to begin thinking about a communication plan for the full community. The facilities team will have a draft communication plan ready for the Board to review in March.

Finance & Operations Board Report, February 2024

Members Present: Dan Klenjoski, Irina Szafranski, Andrea Foust, Jennifer Halford, Stephanie Mann, Mark Wilson, Brent Reckman.

Introduction

Expectation: Review agenda and norms as needed. Share any relevant resources for committee to review.

No new resources shared this month.

Legislative Updates (10 minutes)

Expectation: COO to update committee on status of legislative session and potential impacts. Look ahead to 24/25 salary investment projections in conjunction with legislative outlook.

- 6.6% increase to per-pupil funding remains on the table and tone seems optimistic. This would equate into ~1.3M additional PPR funds for The Academy.
- CSI equalization fund has set our initial projections at \$1,840 per pupil, equates into approximately 800K additional revenue.
- 24/25 budget planning underway: 3%, 5%, 7% PPR scenarios, salary schedule increases, support staff percentages, budget requests/approvals, and facility investment.
- Facility access and affordability is being put forward as an issue needing support through Capital Construction fund and Mill Levy shares from districts.

Financial Report Review

Expectation: Financial report sent out in advance. Review and discuss current position in relation to amended budget.

Report sent out in advance. The following were outlined as notable items for the month:

- Pupil Activity funds were transferred into 6th Outdoor Ed to reduce their losses
- Bingo check came in at 60K
- 28K READ Act and 16K Title II funds landed
- ~180K Food Service revenue came in
- With amended budget, Salaries and Benefits align better with this point in the year
- Recent HVAC Tolin repairs were paid out with long term improvements signed for summer

With the amended budget now approved and added to the system, we are looking ahead to 24/25 projections including updating salary schedules, FTE positions and debt service allocations. Budget request documents have now been sent out to all departments to gather their input on where their priorities lie moving into next year. Those are due back by Mar 4th, ready to be collated and added in.

Facility Updates (20 minutes)

Expectation: COO & ED to update committee on current status of facility plans and projected work. Overview and mapping of proposed renovation was shared by COO & ED with particular emphasis on most recent development as suggested by HCM focus groups that have been conducted. 6-12M investment continues to be overarching goal that will be revisited once full schematic designs and costing have been undertaken (mid-April). We have now communicated with Sunflower about future conversations and borrowing options in anticipation of renovation plans.

Summer project outlines e.g. bathroom design, carpet, turf etc. are underway with Anser to see how much we can reasonably get completed over these 3 months. Updates to follow when we know more. Dependent on what renovation costs look like and how favorable Sunflower support is, there may still need to be consideration about how cash in fund balance is spent.

Fundraising Update (5 minutes)

Expectation: COO to inform committee of elementary fundraising update. Boosterthon is returning this year with the following details to note:

- March 5th (Main Campus for 3-5 and MS) and March 6th (North Campus)
- Glow run @ Elementary, Silent Disco @ MS
- 100K profit goal
- Asks are: <u>playground equipment</u> e.g. shade, hoops, structures and <u>classroom upgrades</u> e.g. carpets, desks, tech

Self-Evaluation (5 minutes)

Expectation: Finance Committee members discuss the meeting and provide feedback to COO to improve the processes and meeting efficiency moving forward. Committee self-rated at 4.

February 2024 Agenda & Meeting Minutes

"Fueling lifelong success through preparation, exploration, and empowerment."

The Academy's mission is to help all students grow into college ready, exemplary citizens by combining academic mastery with personal empowerment to drive lifelong success. We serve our full community by intentionally developing a school culture that embraces diversity, equity, and inclusion.

Scoring Rubric		
1	Unsatisfactory	
2	Complete, looking for significant improvement	
3	Complete, improving but still below expectations	
<mark>4</mark>	Complete, meets expectations	

Members Present:

Brent Reckman, Michelle Ledford, Timothy Fifer, Kirsten Cofrades, Suzie Galbraith, Sarah Gramarossa, Nick Lewis, Ioana Dutchievici, Steph Pearl, Min Cho, Christie Garofolo Jennifer Zaccone

1. Welcome and Review Protocols

Expectation: All committee members will start the meeting together with focus. Meeting Protocols

- Start on time; end on time
- Members arrive prepared
- Technology for meeting use
- No sidebar conversations
- Focus eyes, ears, and heart on speaker and topic

Notes: n/a

2. Elementary Mid-Year Data Presentation

Expectation: The Lower & Upper Elementary Principals will present mid-year student achievement data. This will begin the committee's process of identifying Priority Improvement Challenges for inclusion in The Academy's 2024-25 Unified Improvement Plan.

Notes: Lower Elementary reading and math scores are both up from the same time last year. Reading improvement strategies have focused on target instruction efforts at each grade level. Math improvement strategies have focused on standards-driven planning and data analysis. Specials teachers have supported a math focus on measurement standards. Upper Elementary reading scores are down and math scores are up from the same time last year. Reading and math improvement strategies have both focused on targeted instruction via us of flex days.

Attendance is a significant challenge across Elementary. Many of the students who are not meeting growth expectations are not attending school consistently. The Committee agreed that current data suggest maintaining the same Priority Performance Challenges in next year's Unified Improvement Plan. There is still plenty of room to implement improvement strategies.

3. Family, School, & Community Partnerships Plan

Expectation: The committee will review a draft Family, School, & Community Partnerships Plan and work toward finalizing priorities to guide the plan in the 2024-25 school year.

Notes: The Committee discussed academic partnering strategies connected to the needs identified in the mid-year data presentation. With student-led conferences coming up, much of this discussion revolved around ways to equip families to support students at home in the same areas of focus being addressed in school – math standard stations, book bag booth, curriculum 101, and addressing absenteeism.

4. Self-Assessment

Expectation: The committee will self-assess on the effectiveness of today's meeting.
