Off Campus Classes

Any student who is required to be off campus to attend a class will be scheduled on an individual basis. A student's participation in an off-campus class is left to the discretion of the Bishop Heelan administration and may be based on previous issues. Scheduling will be based on the location, time, and duration of the class. Students attending downtown classes will be allowed to leave the Heelan campus 20 minutes before their class begins. Students attending WIT classes will be allowed to leave the Heelan campus 30 minutes before their class begins. Students are expected to report to the Heelan guidance office if Heelan is in session, but their off-campus classes are not. Likewise, students are expected to attend their off-campus classes if they are in session but Heelan is not. If an issue arises with attendance or tardiness, the administration reserves the right to pull the student from the off-campus class (3 unexcused absences or 5 unexcused tardies). Students will travel directly to and from their off-campus classes. It is the student's responsibility to follow the guidelines for the off-campus class as determined by the institution that is offering the course.

Late Start

No early bird classes are held if there is a late start. All students will arrive by 10:15.

School Cancellations

No school, late start, early outs will be broadcast on all local radio and TV stations. Listen for Bishop Heelan Catholic Schools. The school will email, call, or text the cancellation, early out, or late start. Students who attend off-campus classes will use Bishop Heelan departure and/or arrival times.

Should an unusual situation arise that is not covered by the above statements, the student is responsible to seek clarification from the Dean of Students.

Religion

Religion Requirements

All students are required to take religion each semester of their enrollment at Bishop Heelan.

Students who are not Catholic will have the option to take Religion on a pass/fail basis. If a student chooses this option, the student must put it in writing within the first 2 weeks of the semester. If the pass/fail option is chosen, the course will not count toward a student's GPA but will count as graduation credit.

Chapel - Mass is celebrated in the chapel when Father is available. This occurs mainly during CT.

Prayer - Prayer opens and closes each day at Bishop Heelan. Classes begin with prayer and students are actively involved in leading classroom prayers. Special prayer services may be scheduled for specific events/feasts, e.g. Feast of Our Lady of Guadalupe, Marian Day.

Mass - Weekly mass is scheduled for Tuesday at 1:55 PM unless otherwise noted on the schedule. Attendance and participation in the weekly mass are part of the expectation and culture of Bishop Heelan Catholic High School. **Excessive absences from this opportunity to worship, as a community, will be treated in the same manner as excessive absences from academic classes (see page 13).**

Reconciliation - The Sacrament of Reconciliation is offered several times throughout the year, before Mass, and whenever Father is available.

Gospel Values - Gospel values are infused in all subject areas.

Retreats – Freshmen, Sophomores, Juniors, and Seniors each have a retreat during the school year. The intent of these retreats is to enhance the student's personal faith and bring each class closer together.

Sacrament of Confirmation - Confirmation is the third and final sacrament in the process of full initiation in the Catholic Church. Hence, the preparation for the sacrament is the primary responsibility of the parish(es). Because the Catholic school is one means by which a parish community carries out its catechetical mission, Bishop Heelan High School supports the preparation process at the parish level, integrates catechesis related to all sacraments in the religion curriculum, and provides opportunities for Christian service throughout each student's entire time of attendance.

Academic Class Load- Special Notice for all Students

All students are required to have a minimum of 6 full credit classes, 4 of which must be completed on the Bishop Heelan campus by Bishop Heelan instructors, each semester, regardless of credits already accumulated. No student may take 2 study halls in the same semester, unless approved by the departments. Students must complete 2 semesters to be included in class rank. All students are required to take a comprehensive semester final each semester for every class. This test will make up 10% of the students' final semester grade.

Late Work

Work is due at the time it is called for and all other submissions shall be considered late. Any work that is not submitted when due will be penalized 30%. If the assignment is not turned in by the beginning of that class's next meeting, it will be entered as a zero.

Physical Education

- Students are required to participate in Physical Education classes, unless they have a written statement from their family doctor excusing them. Doctor's excuses from the previous year are not valid. A current medical release is necessary. A written statement from a parent is necessary for a temporary release.
- The State of Iowa does permit waivers of the physical education requirement to enroll in academic courses not otherwise available. The policy at Bishop Heelan does allow for this exemption.
- The physical education requirement may be waived on a semester-by-semester basis if:
 1. The student takes 7 full credit academic courses during the regular 7 period day.
 2. The student takes 8 full credit academic courses while enrolled in an Early Bird class.
 3. The student is under an academic plan approved by Guidance & Administration Department
 4. Note: Physical education is required for students if the student has a scheduled study hall

Change/Withdrawal of Classes

All withdrawals and class changes must have the approval of the Guidance Department. Once registration is complete, only the most serious reasons shall warrant consideration for a change of class. No changes will be made after the first week of the semester unless initiated by the administration. The administrators, teachers, department chairs, and guidance counselors shall reach consensus before a student is changed or withdrawn from a class. If any student withdraws from any class after six weeks of a semester, the grade becomes an "F" for the semester, unless approved by guidance department or administration.

Report Cards and Midterm Progress Reports

Report cards and mid-term progress reports are issued four times each year, at the end of each quarter. Only semester grades are used in determining class rank and computing cumulative grade point average. Failing grades may not be recorded at semester if the teacher has not forewarned parents with a progress report, a phone call, or an email. A student has 7 days from the date that report cards are issued to contact an administrator or counselor to dispute a grade.

Parent-Teacher Conferences

Parent-Teacher Conferences are scheduled periodically during the school year. Parents are encouraged to arrange an appointment to visit with a teacher about a particular concern any time during the school year.

Semester Finals

All students are required to complete a semester final in all Bishop Heelan courses. Finals will be worth 10% of the student's semester grade. All students are expected to be in attendance during the last week of the semester so they may complete their tests. Students must have all detentions, fines, and lunch fees completed to be allowed to test. Students who do not have these requirements finished will not be allowed to test and will receive zeroes on their finals.

Academic Performance Affecting Activity Participation

Scholarship Rule 36.15 adopted (3/2/06) by the State Board of Education effective (7/1/06)

- Student must always receive credit in at least 4 subjects.
- Pass all and make adequate progress toward graduation to remain eligible.
- If not passing all at the end of a grading period, student is ineligible for first grading period of 30 consecutive calendar days in the interscholastic event in which the student is a contestant.
- If not passing all at the end of final grading period of the school year and student is a contestant in baseball or softball, student is ineligible for the next four weeks of that sport but has eligibility in the fall.
- If not passing all at the check point (if school checks at any time other than the end of a grading period), period of ineligibility and conditions of reinstatement are left to the school.
- Schools must check grades at the end of each grading period; otherwise, a school determines if and how often it checks grades.
- Requirement that member schools report interventions on SCIP.
- A "student with a disability" and an IEP is judged based on progress made toward IEP goals. (not a substantive change; verbiage is changed to align with IDEA.)
- Ability to use summer school or other means to make up failing grades for eligibility purposes stricken.
- A failing grade in one or more courses at the second semester grading period will make the student ineligible to participate in activities through July 1 if they are competing in a summer activity. If they are not participating in a summer activity, ineligibility will be imposed at the beginning of the next school year.

In addition to policy 36.15, the Bishop Heelan School Board has implemented the following:

1. If a student receives a failing grade in two or more courses at the mid-term/quarter, that student is ineligible to participate in all contests and performances during the following mid-term. This process begins at 3:00 PM the day grades are due in the registrar's office.
2. Academic eligibility may be regained at 3:00 PM the afternoon of the day grades are due in the registrar's office provided the student does not have any "F" or "Incomplete" grades or combination thereof.
3. Please refer to the guidance above for more information on student academic assistance and how "Scholarship Rule 36" applies to those with special learning needs.

8th Grade High School Credit

Bishop Heelan will accept credit for high school level courses taken during eighth grade. This will be shown on the transcript. The grades for such courses shall not be used for G.P.A. computation. Courses taken in eighth grade may NOT be used to satisfy NCAA core-curriculum requirements.

College Credit

College credit can be earned directly in Calculus, English Honors 12, and specific Career Development Classes. Advanced Placement Classes (AP) are also available, and upon successful completion of an AP course, a student can test for college credit. Online classes can be arranged individually through the guidance office for dual high school and college credit. Students who wish to re-enroll in online courses must adhere to specific

criteria as set forth by the guidance department. Students enrolled in a college course must abide by the rules of the institution which they are enrolled as well as the rules of Bishop Heelan High School.

Programs for Gifted Students

Students who show extreme proficiency and/or talent in different academic areas will be able to enroll in honors and AP courses as well as have the possibility of earning college credit or enrolling in dual credit courses at Bishop Heelan. Teachers will also work to see that advanced students can be given enrichment assignments upon request from the parents or students.

Programs for At-Risk Students

Students that are deemed at-risk (academically, behaviorally and/or socially) will be identified by the counseling staff or administration. The school will work with the student and parents to find a plan that will best enable the student to succeed at Bishop Heelan both academically and socially. Bishop Heelan will make accommodations to the point that school resources and funding will allow.

Programs for Students with Academic Challenges

It is Bishop Heelan's policy to grant students with serious learning challenges modified course work, which accommodates their needs. **Medical documentation must accompany all accommodations.**

Silver Cord Service Program

Bishop Heelan High School's Silver Cord Service Program was developed to encourage students to be contributing citizens. Students must have 60 documented hours to qualify, and it is recommended that high school students complete 15 hours each year to achieve this goal. *Service hours may be completed in the summer and turned in when school starts (incoming freshmen included).*

Students that meet the required hours will be recognized and awarded a silver cord to wear at graduation.

We do ask that volunteer hours at school be limited to a maximum of 5 per year and the remaining 10 hours are earned in the community. Silver Cord forms can be picked up from your homeroom, the main office, or the guidance office, and need to be returned to your homeroom when completed. Senior hours are due end of 3rd quarter.

As a general rule working for any non-profit community agency or any of our Catholic Parishes will be approved. Volunteer hours spent to help family (which is still valuable, just not in the spirit of our Silver Cord Program) or in working with political organizations will not be accepted. Hours spent with a team or sport camp will not be included for Silver Cord. Contact the Dean's Office for a larger list, which includes phone numbers.

Organizations that are Pre-Approved:

<i>Blood Bank</i>	<i>Habitat for Humanity</i>	<i>Bargain Center</i>	<i>Local Churches</i>
<i>Gospel Mission</i>	<i>United Way</i>	<i>Siouxland Cares</i>	<i>Humane Society</i>
<i>Goodwill</i>	<i>Local Parish</i>	<i>Meals on Wheels</i>	<i>Sanford Center</i>
<i>YMCA</i>	<i>Salvation Army</i>	<i>Camp High Hopes</i>	<i>Red Cross</i>
<i>Big Brothers/Big Sister</i>	<i>Special Olympics</i>	<i>Retirement Homes</i>	<i>Food Bank</i>
<i>Ronald McDonald House</i>	<i>Mid-Step Services</i>	<i>American Heart Association</i>	

Any questions about this program should be directed to Mr. Bork.

Honor Roll

Bishop Heelan High School has two honor roll distinctions. The **GOLD HONOR ROLL** acknowledges those students whose *quarter* standardized grade point is 3.75 and above. The **SILVER HONOR ROLL** acknowledges those students whose *quarter* standardized grade point is between 3.25 and 3.74.

Baccalaureate is part of the graduation process at Bishop Heelan and occurs prior to the graduation ceremony. A packet of information will be given to the seniors in the fall for ordering announcements etc. They will receive these items in the spring.

Only students who complete all academic requirements and procedural requirements, which include fines, good conduct community service hours, detentions, etc., by the end (3:30 PM) of the seniors' last day, as set forth by the administration and Board of Directors, shall participate in the graduation ceremony. 5. The mid-year graduate may participate in prom, baccalaureate, and graduation if the person is in compliance with the school rules and guidelines for currently enrolled seniors who intend to participate.
6. The senior is responsible to line up another student who will relay all information pertaining to seniors that is presented to seniors during 2nd semester.
7. The student is not eligible to participate in any of the school's extracurricular programs (e.g., sports, music, speech, drama, etc.) once the second semester of the senior year begins.

A student's parent/legal guardian or a graduate of legal age may request that a transcript be forwarded by filling out the form provided in the Office of the Registrar. Two transcripts plus your final transcript will be sent free of charge. All others will cost \$5.00. These fees must be paid prior to graduation.

Attendance

Requirements

Regular daily attendance is the responsibility of the student and the parent/guardian. Irregular attendance jeopardizes the student's chances for successful academic achievement. In most instances, Bishop Heelan students must reside with their parents or legal guardian; special circumstances must be discussed with the Dean of Students.

- Students need to be in their 1st period classroom at 8:19 AM.
- Students are seated until released by their teacher, not the bell.
- Students who attend off-campus classes will have Bishop Heelan departure and/or arrival times.

Absence Reporting Procedures for Student's Parents/Guardian

1. The parent/guardian must call or email the Attendance Office stating the reason for the absence before 9:00 AM the day of the absence.
2. The student is responsible for obtaining and making up class work, tests and make-up work from each class missed. In general, for each day of absence two calendar days are allotted for make-up work; however, the teacher shall make the final decision. In the case of extended absences, the student will be expected to spend time outside of the normal academic day (i.e. before and/or after school) until they are caught up. **Failure to adhere to this expectation will result in a loss of credit for missing work.**
3. In order to participate in or attend a school activity, **Early Bird participants must arrive by 7:45 AM while all other students must arrive by 8:30 AM** the day of the scheduled activity. Students must remain in class until the end of the day or dismissal of the activity to participate in the evening. Time in the office is not considered in class. This includes but may not be limited to the following: athletic contests, musical performances, band concerts, debate tournaments, all practices, all rehearsals, etc. Considerations may be made when travel safety concerns become a factor.

*Classifications of Absences

Planned Absences: Teachers may require students to submit class work prior to the absence. Even if a student misses the day of school, a student can participate or attend an activity for certain planned absences with the approval of the Dean of Students. Examples would include but not limited to funerals or college visits. **A Notice of Student Absence** must be completed and returned to the Attendance Office 2 school days prior to the day of absence. **Teachers will not be required to provide special accommodations for work missed during any planned absence if this process is not followed.**

Medical Appointments: Medical appointments will not be excused without a note from the provider. If your student has a reoccurring medical appointment/therapy, a note from the provider with the list of days and times will be accepted.

College Visits: Juniors and Seniors will be granted 3 excused college visits per school year. Any absences beyond that need to be pre-approved by the Dean of Students. In order for the day to be excused, a notice of student absence must be completed and returned to the attendance office at least 2 school days prior to the college visit day and an itinerary from the visit and/or a copy of a confirmation email from the college must be turned in after the visit. If the absence slip is not turned in, teachers will not be required to accept late work. If confirmation is brought, the absence will not count against the student. Seniors will have a 5/15 deadline for visits.

Job Shadows: Juniors and Seniors will be granted 2 excused job shadows per school year. Prior approval must be gained through the Dean of Students for a visit to be excused. The student must also have an expressed interest in the job being shadowed. The student will be required to complete a Job Shadow form and return it to the Dean's office when they return. A notice of student absence must be completed and returned to the office at least 2 days prior to the job shadow.

Truancy

The following absences will be regarded as truanancies and will result in an ISS and \$125 fine (regardless of the amount of school missed):

- Skipping school, class/classes or school activity scheduled during the regular school day.
- Not returning to school after an excused appointment with time permitting (30+ minutes left in the school day – mass and CT included).
- Leaving school property before the end of the school day without school permission or without following established school procedures (see "Leaving School Early").
- Working for hire.
-

Excessive Absences

The Bishop Heelan administration believes that to successfully complete full credit academic courses, students need to be in attendance. The following procedure will be in effect for excessive, non-school related absences from any class during the semester. The absences will reset at semester.

1. Four absences will earn a letter from the Dean/Administration.
2. Seven absences will result in a phone call setting up a meeting with the administration.
3. Ten absences will result in a phone call to parents and the creation of an attendance contract. Contracts will be tailored to fit each individual student's situation.
4. Appointments **without** a medical slip to verify appointment will be counted as an absence. Those who bring a note back will not have absences count against them.

Tardiness/Late

Students are to be in the classroom when the bell rings for all class periods. Students who are detained by another teacher/staff member must have a pass to admit them to their next class or it will be considered unexcused. If a student is late to school at the start of the day, they must go to the attendance office and receive a pass.

1. A student will receive a detention for every 2 unexcused tardies to any one class in a day.
2. A student will receive an ESS and a \$75 fine for the 10th unexcused tardy to any one class in a semester.
3. If a student is over 15 minutes late to a class period, (10 minutes to Early Bird) they will be considered absent unexcused and will receive a detention.

Leaving School Early

If a student needs to leave school during the school day, a parent/guardian must inform the Attendance Office via telephone or written communication. Written notification must be dated and signed by the parent and must give the reason for, and the time of, the departure. The student will be issued a Pass to Leave the Building and must sign out in the Attendance Office before leaving school. This pass is to be returned to the Attendance Office when the student returns to the school. If a student becomes ill, the Attendance Office will dismiss him/her. An emergency contact person will be notified.

Student Expectations Following An Unplanned Absence

Students are required to communicate with their teachers about any makeup work they may have following an absence. Teachers are not required to allow makeup work for unexcused absences or truancy. For excused absences, students are allowed 1 calendar week from the last date of absence to get all work completed. Makeup work must be completed in the teacher's classroom and may require time before or after school. Absences longer than 3 days may require a plan with each teacher that may allow further time. Upon return from any excused absence, students are required to turn in work that was due on their first day of absence. For example, if you had an assignment due on a Wednesday, but were out sick Wednesday and Thursday, you would be expected to turn in the work when you returned on Friday. Missed tests must be scheduled with the teacher on your day of return.

State Level Tournaments in which Heelan is Participating - Absence from School to Attend

Note: Does not include district, regional, and sub-state competition.

Any absence from school to attend a state level tournament game/competition must be approved in advance by the Attendance Office. Parents must inform the Attendance Office of their permission in writing. This only relates to days when Bishop Heelan is competing. Students are responsible for the academic work missed on those days. The administration reserves the right to excuse only those students to state level events if they are in good standing regarding academics and attendance.

Overnight Stays for Activities/Athletic Competitions or Field Trips

The coach/moderator for any given activity/athletic competition or field trip must have adequate adult supervision for overnight trips. The selected coaches/moderators must have 1 adult supervisor per 3 hotel rooms used for the overnight trip. The adult supervision must be a parent/guardian, or an individual approved by the Activity's Office and VIRTUS trained. This will ensure the safety and wellbeing of the students involved. Overnight trips require large amounts of organization and alertness. Students are expected to abide by the rules of the coach/moderator and the adult(s) will be treated as an additional moderator. Any student whose conduct, deemed by the coach or moderator, displays a severe lack of judgment will be required to make immediate arrangements for safe transportation home.

Student Expectations at Dances

1. In order to bring an **out-of-school date** to a Heelan dance, a Guest Permission Form must be turned in to the main office at least 24 hours prior to the date of the dance. This form can be picked up in the main office and needs to be signed by the administration of the school that the guest student is currently attending to show that they are in good standing and no older than the age of 20.
2. There will be **no inappropriate dancing**. Students who are in violation of these rules will be removed from the dance. Other consequences could be determined by the administration if it is deemed necessary. Inappropriate dancing includes the following:
 - Touching while dancing back to front
 - Any touching of the breasts, buttock, or genital areas
 - Feet being raised off the floor or hands that are touching the floor.
 - Hiking up of skirts or dresses
 - Leaning against the wall while dancing
 - Any dancing that appears to be "simulating sex" or "grinding"

3. Anyone found under the influence of drugs or alcohol, or in possession of drugs or alcohol may be turned over to the police and will be dismissed from the dance. That student will also be placed on the Heelan conduct code. See page 35 for the Bishop Heelan Conduct Code.
4. Students will be dressed appropriately, stressing modesty and our Catholic values. Anyone that the administration or chaperones deem to be dressed inappropriately could be asked to leave the dance and/or change into appropriate attire. Hats are not allowed at any Heelan dance. Prom is considered a formal event and homecoming is considered semi-formal and students will need to be dressed appropriately for the occasion. All students must always wear shoes. Jeans are not allowed.
5. Prom is a celebration of the years that the upperclassmen have spent in school together. Thus, it is the policy of Bishop Heelan to only allow juniors and seniors who are in good standing to attend prom. The Bishop Heelan students' dates must also be juniors or seniors and no older than the age of 20.
6. All out-of-school dates must be of the opposite sex.
7. Students previously expelled from Heelan will not be allowed at any of our dances.

Hall Passes

If students wish to see a teacher during a study hall or homeroom, they need to have a blue pass from that teacher. If students wish to use the restroom or leave for another purpose, teachers will sign the hall passes found in the back of the student's planner. Students will not be allowed to leave their classes without their planners. Students will not be allowed to use other students' planners to leave class. Replacement planners can be purchased for \$5 in the main office.

1. Study Halls (Academic Coaching Opportunities):

A. Study halls are for studying.

1. Students should arrive to their study hall/online classes with enough work/materials to remain busy for the entire period.
2. Students will not be allowed to sleep, use headphones, talk, or use their cell phones.
3. Technology must be approved and monitored by your moderator for academic use only.

B. Students wishing to see a teacher during study hall are to get a pass from the teacher before the period begins. This includes Guidance, Main Office, Activities Director and Computer Lab.

C. Students wanting to use the library will report directly to the library during their study hall period. Expectations for study hall periods will still apply in the library.

2. Academic Classrooms:

A. Students will not be issued a pass to see another teacher.

B. Students detained by another teacher should get a pass from the teacher to admit them to their next class. Use the hall pass (Blue) slips for this purpose.

Care of Property

Respect for property i.e., books, desks, classrooms; equipment is the responsibility of everyone at Bishop Heelan. Defacement of property is considered a serious offense. Care of property also includes keeping paper and other refuse off floors and grounds of the school.

Fees and Fines

Students must have all fees/fines paid in full before they can take semester exams. When deemed appropriate, students may arrange to work off their fees/fines. This option must be approved by the Dean's office.

Transportation (Bus) and Transportation Reimbursement

Bus transportation is provided for all students living outside three miles from the school on the regular Sioux City Transit Routes. Eligibility for bus passes and reimbursement is determined by the Sioux City Community School District. Students applying for parent transportation reimbursement from the public schools need to pick up forms in the Registrar's Office. One must be a resident of Iowa, live at least 3 miles from school and be 9 blocks or more from a bus stop. Transportation reimbursement must be applied for each year.

Parking Regulations

1. All student parking in the Bishop Heelan parking lots is registered parking.
2. A full (school) year parking permit will cost \$10 (\$5 refundable at the end of the year).
3. Students must register their vehicles with the Dean's office to park in Heelan lots. Parking is limited (250 total spaces) and sign-up will be given in the following order: seniors, juniors, sophomores, freshmen. Any student that does not register their vehicle at the start of the year will lose access to preferential spots and may not be granted parking access at all.

- Registered vehicles must display their parking tag on their rearview mirror (dashboard if no mirror). Students will be expected to park in assigned zones.
- During the school day, students may not drive motor vehicles except by special permission of the Dean of Students.
- Students may not park at the CYO until 30 minutes after school is let out on school days.
- Students parking in non-designated areas or parked improperly will be assessed a parking ticket (\$5) and may be towed at owner's expense. The Cathedral parking lots, faculty parking areas, and CYO during the school day are examples of the places from which students' cars will be fined or towed.
- Students are permitted to park on school premises as a matter of privilege, not right. The school retains authority to conduct routine patrols of the student parking lots.

Lunch

Students will be expected to eat lunch in the Commons during their assigned lunch period. Due to the limited amount of space, students are not permitted to bring books or other materials into the lunchroom. Students can bring a sack lunch if they choose not to eat hot lunch. If parents wish to bring in lunch to students, that is acceptable, they just need to drop off the lunch in the main office and it will be delivered to the student.

Students are NOT PERMITTED to charge a negative lunch account balance.

Students are NOT allowed to have food delivered to school. If a delivery person arrives with food for a student, they will be sent back with the food. The school will only take lunches that are hand delivered by a parent.

Eating lunch in the Commons is a privilege and not a right. If students cannot conduct themselves in an appropriate manner, including moving to the lunchroom in a safe and orderly manner, they will be asked to bring lunch from home and will eat in the office or other assigned place during their lunch period. Consistent disregard for these expectations may lead to further consequences.

Guests in the building will not be allowed to eat lunch with Bishop Heelan students unless they are an immediate family member or Bishop Heelan alumnus.

Out-of-Town School Trips

Students attending official school events in other cities are expected to treat hotel, retail, restaurant and event staff and others with courtesy and respect.

Parents of students found in violation of any of the rules and expectations set forth by the Heelan Student Handbook and/or the following list may be responsible for the retrieval and/or return of their student for the duration of the trip including any expenses that may be incurred.

- Students will need to follow the grooming rules as outlined on page 22 of the student handbook.
- Remember, while there may be a great number of Heelan students in your hotel, there are other guests who deserve respect and quiet. Learn and follow when the hotel expects hallways to be quiet.
- Keep the hallways and stairwells of the hotel clean. Pick up after yourself.
- Do not allow the hotel door to slam shut which disturbs other guests.
- Respect hotel property, walls, floors, elevators, bathrooms, and pool areas.
- Alcohol and other drugs of any kind are illegal and prohibited.
- Speak with respect to hotel and security staff, other parents and other hotel guests.
- Follow the rules and requests of the hotel. They are in place for other guests.

Remember you represent Bishop Heelan Catholic Schools, Bishop Heelan High School and Sioux City when you travel to other cities!!

Discipline

Student Conduct and Disciplinary Procedures

Respect for self, respect for others and respect for the property of others are keys to accomplishing the mission of Bishop Heelan Catholic High School. Students are always expected to be respectful. When addressing or speaking to those in authority, the proper title should be used.

Teachers are responsible for handling most of their own classroom discipline. As a disciplinary tool, teachers may require students to spend time in their room before or after school. (Twenty-four-hour notice for the student to make transportation arrangements is standard; still, circumstances may demand immediate consequences.)

Sportsmanship

Teachers, staff members, parents, students – all fans and participants – are expected to display the utmost courtesy and sportsmanship at all events. Any fan that is discourteous or displays an act deemed to be un-sportsman-like may be removed from the event and its surroundings. Should an individual display such inappropriate behavior a second time, the Activities Director and/or the Dean of Students shall ban the individual from all Bishop Heelan events for a period of thirty days. For a third violation, the ban shall be ninety days, and for a fourth violation, a ban of one calendar year shall be imposed.

Removal from Class

If a student is removed from a class because of inappropriate behavior, he/she must report to the Dean's Office immediately. A detention will be assigned by the Dean, and the teacher may issue a second.

Dress Code Violations

Every 3 dress code violations equal a detention.

Detention

Students/parents will be notified of their detention obligations via their school email accounts. Students may serve their detention obligations at 3:15-4:00 PM on Tuesdays and Wednesdays in the Heelan library or within the one-week deadline with the issuing teacher. Detentions may be assigned by the teachers or the administration for any violation in the student handbook. Seat work will be assigned by the Dean's Office. Students will have one week from the date of issuance to serve their detention. **Detentions not served within the one-week period will be converted into a Saturday school with the applicable fine.** Communicate with the Dean of Students regarding unforeseeable conflicts- athletics or having to work are not considered unforeseeable.

Students may serve detentions for the following infractions:

1. Misconduct
2. Inappropriate language
3. Failure to have a hall pass or misuse of a classroom pass.
4. Failure to fulfill school obligations.
5. Other school or classroom rule infractions

Teachers shall submit detention information into the school's information system for record-keeping purposes.

Every fifth detention in a semester per student will also be assigned to Saturday school and the applicable fine of \$25. This will reset at semester. A student who earns 10 detentions in one semester shall also serve an ISS plus \$100 fine along with a behavior contract. This will reset at semester.

All detentions, fines and lunch fees must be taken care of before students are allowed to take finals.

Academic Probation

A student will be placed on Academic Probation when it is the judgment of the school that the student is failing to meet his/her academic responsibilities and will eventually stand in jeopardy of not completing the requirements for graduation. A student placed on academic probation, who, at the end of the next grading period, shows no significant evidence of improvement, may forfeit the privilege of being a student at Bishop Heelan.

Suspension

Suspension is defined as the removal of a student from all classroom and extracurricular activities for a designated period. The Principal or Dean of Students has the authority to place a student on probation or to suspend a student temporarily (five school days or less). There is no appeal from the principal's decision.

- The Dean reserves the right to decide whether the period of suspension will be spent in school (ISS) or outside the school (OSS).
- Each Bishop Heelan student receiving an in-school suspension or out-of-school suspension will be responsible to pay a fee of \$100 per day. This fee must be paid before the student is readmitted to classes. Students unable to pay the fee at the time of suspension will need to make arrangements with the Dean's office prior to being readmitted to class. Students will not be permitted to take quarter or semester exams until all fines are paid. (Seniors will not be allowed to participate in graduation)
- If requested by the Dean, at least one parent must be present for a conference with the Dean before a student will be readmitted after a suspension.
- The student who does not complete the ISS or pay for the ISS as scheduled, places himself or herself in serious jeopardy of losing their status as a Bishop Heelan student.
- A student is not eligible to participate, practice or be present at practice in *extra-curricular or *co-curricular school activities on the day he/she starts serving an in-school suspension through the calendar day that the suspension is completed.
- When suspension is appropriate, the days of suspension will not be postponed to accommodate upcoming contests, activities or events.
- A student who is assessed a suspension, in-school suspension, or external suspension, shall not be eligible for nomination to royal courts (homecoming and prom) if the suspension was assessed during the senior year. Students who are assessed a suspension for serious matters during their junior academic year are also ineligible.

Students serving suspension will receive academic credit in classes during the suspension.

Suspension/Expulsion-Long Term

The Principal will determine the length of any long-term suspension (over 5 days) or expulsion. Any student expelled may only be readmitted to Bishop Heelan in future years by approval of the current administration.

Examples of student conduct that can warrant long-term suspension or expulsion are:

- The distribution or selling of illegal or harmful drugs on school property or at a school activity.
- Excessive unexcused absences during the school year.
- Possession of a weapon on school grounds or at a school activity.
- Excessive ESS, ISS, or OSS during a school year.
- Multiple violations of school rules and procedures.
- Violation of a contract or terms of probation.
- Involvement in a public incident judged to be significantly detrimental to the image of the school.
- Gang membership or gang related activity.
- Any unacceptable behavior deemed serious by the Principal or Dean of Students.

Saturday School

Saturday school may be assigned by the Dean of Students for a variety of reasons. Saturday school is a supervised study time where students **may be** required to be in dress code, read, study school related materials, and/or perform other duties both on and off campus, as assigned.

- It will be held on Saturday, as needed, and runs from 8AM until 10AM. Students who arrive late (after 8:00 a.m.) will not be admitted. Students who are disruptive or who are not studying or are reading inappropriate materials will be asked to leave and the offense is moved to an Extended Saturday School (ESS).
- Students who are assigned to Saturday School will not be allowed to sleep or use any form of electronic devices during this time.
- Students who are assigned to Saturday school must pay a \$25 fine and they must serve it when scheduled by the Dean's office; failure to serve the Saturday school on the assigned day will result in the consequence becoming an Extended Saturday School (ESS) and a \$75 fine. The

student and his/her parent(s)/guardian(s) may be required to meet with the Dean of Students before the student can return to class.

Extended Saturday School

Extended Saturday School may be assigned by the Dean of Students for a variety of reasons. ESS is a supervised study time where students may be required to be in dress code, read, study school related materials, and/or perform other duties, both on and off campus, as assigned.

- It will be held on Saturday, as needed, and runs from 8AM-11AM. Students who arrive late (after 8AM) will not be admitted. Students who are disruptive or who are not studying, reading, or generally staying on task will be asked to leave and additional ESS and fines may be applied.
- Students who are assigned to ESS will not be allowed to sleep or use any form of electronic device during this time.
- Students who are assigned to ESS must pay a \$75 fine, as well as any additional fines they may have accrued. Students unable to pay the fine at the time of ESS will need to make arrangements with the Dean's office prior to being readmitted to class. Students will not be permitted to take semester exams until all fines are paid. (Seniors will not be allowed to participate in graduation)

Community Service

Community service hours will be set under a contract or as an alternative form of discipline. Hours will have a firm due date and failure to complete hours on time will result in Saturday schools and fines assigned weekly until hours are completed. Students who owe community service hours will also:

- Be ineligible and unable to travel with any team or group for any activities. They will be required to participate in practices.
- Be ineligible to attend any school events.
- Not be allowed to take end of the year finals.
- Not be allowed to walk at graduation or attend graduation events.

Once hours have been completed and submitted to the Dean of Students, these restrictions will be lifted.

Behavioral Probation

A student may be placed on probation for just cause. Probation is defined as a period of time, either definite (e.g., a quarter or semester) or indefinite during which a student is placed in immediate jeopardy of dismissal from school.

Special Concerns

The following items are treated separately because they involve health, student safety, and protection of property, city ordinances and state laws. They are punishable by fines as well as other disciplinary actions:

- **False Fire Alarms** The student identified as setting off the false fire alarm will then be assessed the \$250 fine and be brought before the Disciplinary Council for an expulsion hearing.
- **Firecrackers/Fireworks** The student identified as igniting the firecracker will be assessed the \$250 fine and be brought before the Disciplinary Council for an expulsion hearing.

Personal Electronic Devices

All personal electronic devices (Including, but not limited to, cell phones, iPods, iPads, tablets, laptops, smart watches, etc.) may be used prior to the start of student's school day and after final dismissal.

All devices should be stored in their cars and/or turned off in their lockers once the school day begins. Teachers reserve the right to confiscate devices if they are in the student's possession. Students who are using school approved devices (including, but not limited to, iPads, laptops, tablets, etc.) will only use them under teacher request and must only use them for educational purposes.

Students using devices to play games, use social media, or any other activity which is not deemed necessary by the instructor will also fall under the policy for personal electronic devices. Students will not be allowed to use headphones/ear buds unless specifically assigned by an instructor.

Unauthorized use will be a violation of this policy. Use with a phone is not allowed.

- **1st Offense** Confiscated-Returned at the end of the school day; Detention issued.
- **2nd Offense** Confiscated- Returned at the end of the school day. Saturday School issued.

- **3rd and 4th Offense** Confiscated - Returned at the end of the school day. Extended Saturday School issued (with applicable fine). Student will be expected to turn in their offending device before the start of each school day.
- **5th and Further Offenses-** Confiscated - Returned at the end of the school day. In School Suspension (ISS) and fine issued immediately. ISS issued any time the offending device is not turned in.

Personal electronic devices accumulate progressively throughout the entire school year and do not "reset" at the quarter or semester.

Students found in violation of these expectations during their study hall, online, or homeroom periods may lose these privileges for the remainder of the year.

Smart Watches- Students will be allowed to wear smart watches during the school day. If students appear to be communicating with their watch or using it to surf the internet or access files (including music) they will be required to turn the watch into the teacher and their discipline will fall under the Personal Electronic Devices policy. Students who use their watch to even check the time during a test or quiz will be cited for cheating, as well as a Personal Electronic Device violation. Teachers may require smart watches be turned in during any assessment. Refusal will be considered a violation and decision to take a zero on the assessment.

Social Media- Convincing evidence that a Heelan student is posting racial, demeaning, threatening, or harassing social media content about another Heelan student, teacher, or staff member, will be dealt with according to the content it contains. Discipline could fall under bullying/harassment, racial/demeaning language, serious offenses, and/or other discipline deemed appropriate by administration.

Cheating/ Enabling Cheating

Teachers are to inform the Dean when dealing with any occurrence of cheating. Talking to classmates during any test will be considered cheating. Parents/guardians will be contacted when cheating has been discovered.

- **1st Offense-** Any student cheating or enabling another student to cheat will have their test/quiz removed immediately. The student will be allowed a retake for half credit by the end of the next school day. If they miss that deadline, the work will be entered as a zero. Cheating on daily work will receive an automatic zero. Students will also receive a detention.
- **2nd Offense-** Any student caught cheating for a second time in the same school year will have their test/quiz/assignment taken immediately and will receive a zero with no option for a retake. They will receive a Saturday School, \$25 fine, and be placed on a code of conduct contract and probation for the remainder of the school year.
- **3rd Offense-** Any student caught cheating for a third time in the same school year will have their test/quiz/assignment taken immediately and will receive a zero with no option for a retake. They will receive a 2-day ISS, will have to pay the applicable fine, and will be placed on a code of conduct contract and probation for the remainder of their enrollment at Heelan.
- **4th Offense-** Any student caught cheating while on academic probation for the remainder of their enrollment will have their test/quiz/assignment taken immediately and will receive a zero with no option for a retake. They will also receive an automatic 3-day OSS and will have to pay the applicable fine before being readmitted to class. The student will be subject to review by the STAT team and will be subject to their decision, which may include but is not limited to continued suspension and/or expulsion.

Plagiarism is a form of cheating. Plagiarism is the representation of someone else's work as one's own. Ninth grade English courses review the issue of plagiarism and its consequences. Sharing homework is considered plagiarism.

Cheating on a semester exam will begin as a 3rd Offense.

Racial/Demeaning Language

Heelan recognizes the God given dignity of each individual person. For that reason, the use of racial slurs, and demeaning or derogatory language and actions are not allowed. Students who use this language at school or in social media will be assigned a sensitivity training course that they will be required to purchase. If the language is directed at an individual, the student will also be sent home for the remainder of the school day and will be suspended out of school the following day. See Out of School Suspension for details.

Loss of Privileges

When deemed appropriate by the administration, disciplinary actions for rule violations may include a loss of privileges including, but not limited to, inability to attend functions, inability to participate in school sponsored events (practices, competitions, etc.) or other similar circumstances.

Theft

Bishop Heelan students are expected to respect the property and rights of others. Students who know about an injustice that has been committed have a moral obligation to help the injustice be corrected. **Stealing is defined as taking that which belongs to another or taking or appropriating without right or permission.** Taking lunches, clothing, calculators or other belongings from lockers or activity rooms is stealing. If probable cause exists to demonstrate to a reasonably prudent and objective person that a student has stolen, may be in the act of stealing, or is an accomplice to stealing, then that student will be subjected to suspension and/or probation. Students who have something stolen should report it immediately to the Dean's Office. **Leave money/personal property in locked lockers or in locked cars. Consequences for theft will be determined on a case-by-case basis.**

Students are always expected to have their lockers locked. If something is stolen from a locker that has been intentionally altered to remain unlocked, the administration will spend no time looking for the lost or stolen item.

All Bishop Heelan lockers come with a built-in combination lock. Students will receive a \$50 fine for intentionally "jamming" their locks into an open position. Repeated offenses will result in repeated fines and may result in the loss of locker privileges.

Restorative Discipline

Restorative discipline is designed to help students understand when they have violated school expectations or norms, while still allowing them to be part of the school environment. Bishop Heelan administration may elect to utilize restorative practices for students when traditional discipline has proven to be ineffective. Some restorative practices may also be utilized prior to the implementation of more traditional discipline.

Check-in/Check-out

Check-in/Check-out is designed to support students with a variety of school challenges. Students entered the program will be expected to meet with their assigned adult before and after school every day to discuss their plan for the day and/or evening. Parents will be notified by email when their student will begin the program and what the student will need to do to successfully complete it.

Student Mentors

At times, student mentors may be utilized to help new or struggling students be more successful. A mentor is someone that their mentee can ask questions about school, teachers, classwork, or other school related topics. The goal is to provide someone for the mentee to go to that is not someone in authority.

Internal Community Service

When a student's decision impacts the school building, grounds, or other property, they may be assigned to internal community service projects as a way to make amends for any damages or inconvenience caused.

Pertinent Coursework

Bishop Heelan considers some choices to be serious enough to warrant assigning a student to complete targeted coursework. (e.g., racist statements or actions, harassment, bullying, etc.) This coursework may also be assigned in conjunction with a behavior contract. The student/family are required to pay any course fees.

Reflection Paper

In lieu of a detention, a student may be assigned to complete a reflection paper pertinent to the expectation they violated. Papers will be written in the 5-paragraph writing format (not necessarily length) and will not be considered complete until approved by the issuing administrator. In the paper, students are to demonstrate their understanding of the expectation that was violated, identify who or what their choice impacted, what that impact was, and what lasting effects that impact might have. They also need to include ways that they can make amends for their choice, and what better choices they could have made.

Research Paper

In lieu of a detention, a student may be assigned to complete a research paper pertinent to the expectation they violated. Papers will be written in the 5-paragraph writing format (not necessarily length) and will not be considered complete until approved by the issuing administrator. The student will be expected to include at least 2 reputable sources and appropriate MLA citation format.

Attendance Contract

Attendance contracts are a firm reminder of the attendance expectations for a student. Contracts will include the attendance issue or issues that exist, student expectations moving forward, and any more severe consequences that may occur if the attendance issues are not corrected.

Behavior Contract

Behavior contracts are similar to attendance contracts but are written in response to repeated violations of school expectations or a single major violation. A behavior contract will outline the behavior expectations for the student moving forward as well as any consequences that will be in place. Behavior contracts will always include some measure of community service, whether that be at the high school or in the larger community. Other expectations or possible consequences will be specific to the behavior/s of concern.

Tardy Intervention Protocol

Our Tardy Intervention Protocol will require students to meet with the Dean of Students to discuss the reasons for being late. The Dean will work with the student to then build a timing plan so they can improve their arrival time to class.

Student Assistance Team (STAT)

The Student Assistance Team is composed of members from the faculty, guidance department, and administration. The Team meets bi-weekly to discuss and identify students who are struggling behaviorally or academically. The Team can also meet as needed to address more serious issues such as:

- Facilitate early identification of at-risk students, particularly chemical dependency and eating disorders.
- Facilitate the team approach to working with at-risk students.
- Facilitate input from faculty in the identification of at-risk students.

- t. Act as a link to community resources in order to provide preventative and recovery counseling treatment services and consults with administration on all illegal activity issues.

Use of Alcohol, Tobacco and Other Drugs

To do our part as a school to discourage student use of alcohol, tobacco/nicotine products, or illegal drugs, Bishop Heelan High School will utilize the following protocol any time we have reason to suspect that a student is in possession of, has used, or is under the influence of any of these substances. Only those who give cause for reasonable suspicion that they have been drinking, smoking/vaping, or are under the influence of an illegal substance (e.g. appearance, behavior, alcohol-like odor, or their colleague(s)/companion(s) having tested positive for blood alcohol content, etc.) will be subject to this protocol.

1. Students will be asked to comply with a search of their belongings, including but not limited to, school lockers, backpack, coat/jacket, and other clothing worn. Searches will be conducted according to our Student Search Rule on page 36. Student search may also include an immediate (within 4 hr.) drug analysis/breathalyzer test. Refusal to submit to drug testing will be treated the same as an admission of guilt. Students on school probation from a previous violation will be randomly tested during their period of probation.
2. Law enforcement and student guardians will be contacted and informed of the situation.
3. Police will issue a citation appropriate to the situation and the student will be asked to comply with the officer's requests.
4. The school will follow its policies relating to substance use and illegal activities, which will include writing a good conduct contract, performing a substance use screening tool (SASSI), a period of ineligibility, community service, and possible referral to complete a substance abuse evaluation and compliance with those findings.
5. If the student is unable to comply due to level of intoxication or otherwise appears to be in medical distress, our crisis protocols will be followed prior to any disciplinary actions.

Any student on school property or adjacent areas or at a school sponsored activity or going to or from off campus classes found to be in possession of or using an alcoholic beverage or other illegal substance will be subject to the following:

1. Receive a three-day suspension either in school or out of school to be determined by administration.
2. Be required to undergo a substance abuse evaluation prior to being readmitted to classes; follow through with the resulting recommendation from the evaluating agency; and have the findings of the evaluation submitted to the Dean's office in a reasonable amount of time (within 24 hours of administration of the test).
3. Be required to complete the recommendations given following the professional evaluation.
4. Be ineligible to perform at or attend any school sponsored activity for thirty calendar days. (Attendance at practice is at the coach/moderator's discretion for students involved in extracurricular activities.)
5. As a result of the three-day suspension, the student will be subject to a \$375 fine and will perform the amount of community service as described under the illegal activity policy on page 35 of this handbook.
6. Take part in an education program (e.g. ADAPT, AA meetings, etc.) as arranged by the Dean's office.

Tobacco/E-Cigarettes/Hookah Pens/Vaping Products/etc.

The use of any of these products on school grounds or adjacent areas or at school activities or going to or from off campus classes is illegal and will be treated as such. Students found in violation of the law will be reported to and ticketed by law enforcement. The students will then be subject to school policies regarding illegal activities (see page 32 of this handbook).

The Principal/Dean of Students reserves the right to alter any consequences if necessary, for the overall good of the student and Bishop Heelan High School at any level of offense.

Smoking and Use of Tobacco Policy

All BHCS buildings and grounds will be designated as a "Tobacco, E-Cigarette and Hookah Pen Free" environment. Tobacco means the carrying of or control of a lighted cigar, cigarette, pipe, or other lighted smoking equipment and the use of "Smokeless Tobacco," otherwise known as chewing tobacco. This policy shall also include the use of E-cigarettes and Hookah pens. This policy applies to students, staff and visitors and will ensure a healthy environment for all students, faculty, staff, parents, and guests at our school. Signs will be posted at each school site stating it is a "Tobacco, E-Cigarette and Hookah Free Campus". This policy always applies, including school sponsored and non-school sponsored events. The School Administration or event management personnel will always enforce this policy. Smoking, to include E-Cigarettes, Hookah Pens and/or tobacco use in BHCS-owned vehicles is not permitted.

Serious Offenses

Serious offenses could include being cited by civil/proper authorities, violating an existing contract agreement, bullying, harassment, behavior that severely impacts the learning or safety of another student/staff member, or other behaviors deemed serious in nature by Bishop Heelan administration. If the student is cited, or the behavior occurs between academic years, consequences begin on the first full day of school. Ineligibility begins when the school gets notice from the legal authorities or when the offending party notifies a school official.

First Offense

Students in Activities

Students are excluded from all activities for 20 calendar days in which time 15 hours of community service must be completed. Students will be allowed to practice during these 20 calendar days but cannot travel or attend events as a team member until community service is completed. Students will be required to receive a substance use screening (SASSI) by a Heelan counselor or administrator. The result of the SASSI will indicate whether an evaluation/recommendation from an evaluating agency is warranted. Any evaluations will be due to the Dean of Students office and the student will be required to follow through with any recommendations. Students are on probation for one calendar year. If no other violations occur within one calendar year of the first offense, then a student's next violation, if there is one, will become the student's first offense.

Students not in Activities at the Time of Offense

Students will not attend any Bishop Heelan activities for a period of 30 days in which time 30 hours of community service must be completed, verified by the Dean of Students. The result of the SASSI will indicate whether an evaluation/recommendation from an evaluating agency is warranted. Any evaluations will be due to the Dean of Students office and the student will be required to follow through with any recommendations. Students are on probation for one calendar year. If no other violations occur within one calendar year of the first offense then a student's next violation, if there is one, will become the student's first offense.

Second Offense - if a second violation occurs during probation

Students in Activities

Students are excluded from all activities for 30 calendar days in which time 20 hours of community service must be completed. These drills will be held at various times of the school year to insure student and staff safety. Students need to follow correct procedures for these events.

Student Search Rule

The following rules relate to the search of students or protected student areas, and to the search or periodic inspection of other school property or facilities provided to students. Searches can take place at school or at school-sponsored events.

A. Definitions

"School official" means a licensed school employee and includes unlicensed school employees employed for security or supervision purposes.

"Contraband" includes substances or items which, if found on school property or at school-sponsored events, violate the law or school policies, rules or regulations, or is detrimental to an orderly environment at school. Contraband includes by way of illustration, but is not limited to: drugs, narcotics, tobacco, liquor, weapons and stolen property. It consists of substances or items which may cause a substantial disruption of the school environment, and/or which present a threat to the health and safety of the students and/or staff.

"Protected student area" includes, but is not limited to:

- a. A student's body.
- b. Clothing worn or carried by a student.
- c. A student's pocketbook, briefcase, duffel-bag, book-bag, backpack, knapsack, or any other container used by a student for holding or carrying personal belongings of any kind, and in the possession or immediate proximity of the student.

B. Search of Student and/or Protected Student Area by School Official

1. A school official may conduct a search of a student (including the use of a breathalyzer) or other protected student area if all the following apply:
 - a. There is a reasonable suspicion that the search will produce evidence that a student has violated or is violating the law or a school policy, rule or regulation.
 - b. The search is conducted in a manner which is reasonably related to the objectives of the search and which is not excessively intrusive considering the age and gender of the student and the nature of the infraction.
2. If a student is not or will not be present at the time a search of a protected student area is conducted, the student shall be informed of the search either prior to or as soon as possible after the search is conducted.
3. If a student refuses reasonable requests to search the student or other protected student area, these refusals can be used as evidence against the student. The student's parents or guardian will be notified.

C. Searches or Inspections of Areas other than Protected Student Areas

1. School officials may, without notice, conduct periodic inspections of all, or a randomly selected number of school lockers (whether locked or unlocked), desks, or other facility or space issued, assigned to, or chosen by the student. A locker inspection under this subsection shall only occur in the presence of the students whose lockers are being inspected or at least one other person.
2. If a search of a school locker, desk, or other facility or space issued, assigned to, or chosen by a student, reveals a violation of the law or the rules of the school regarding dangerous weapons or controlled substances, the violation shall constitute reasonable grounds for future searches of the student's school locker, desk, or other facility or space issued or assigned to, or chosen by the student, without advance notice to the student.
3. If a search reveals possession by a student of alcohol or any controlled substance on school premises, the appropriate law enforcement agency may be contacted.

D. Student Search by Police Officer

1. If the administration believes a student has dangerous or illegal items that threaten the safety of others the police may be contacted for assistance which could include random searches by a K9.
2. In a search of a student or a protected student area by a police officer who is not a school official, or by a school official at the invitation or direction of a police officer who is not a school official, the school defers to the law enforcement personnel for compliance with any legal requirements for police searches.

Food and Drink

No food and/or drink are allowed in classrooms, lockers, or hallways except when directed by the teacher.

Guests/Visitors

Arrangements to bring a student guest to school must be made with the Dean at least one day prior to the visit. The Dean will either grant or deny permission. The student visitor shall not cause nor contribute to any disruption. Dress codes for the student visitor will be explained at the time of arrangements to bring a guest are approved.

School Doors

All doors at Heelan will be locked during school hours. A buzzer system is installed at the main entrance of the school (the door left of the flag poles). Students arriving late to school and all guests must enter through this door. Students are not allowed to open exterior doors for other students once school has begun. Failure to follow these guidelines will result in detention or other consequences.

Lost and Found

Books, clothes, and other objects found on school property should be left in the Dean's Office where their owners may claim them. Students who lose their possessions should report the loss to the Dean's Office at once.

Medication

Students who need to take prescription medication are to bring the medication in the original, labeled container, to the Dean's Office (RM. 318). Except for Asthma Inhalers and Airway Medications, students are not allowed to carry prescription medication on their person. Medication shall be administered when the student's parents or legal guardian provides a signed and dated written statement requesting medication administration at school and the medication is in the original labeled container. **Students carrying inhalers and other medications for airway constriction at school must have the consent form signed by their parent/guardian and physician on file in the dean's office. These forms are readily available from the Dean's Office.**

Prescription medications include but are not limited to antibiotics, pain medication, Ritalin, etc. Exceptions (including diabetes) to this policy need to be cleared through the Dean's office. Students giving prescription medication to other students or who are in possession of medication that does not belong to them will be subject to the drug policy of Bishop Heelan High School.

No Weapons in School-Zero Tolerance

*Joint Statement of Sioux City Schools Superintendent, Elden Rogstad and
Diocese of Sioux City Catholic Schools Superintendent Rev. Patrick O'Kane,
made August 29, 1992 at the
School Board Meeting Room
Administrative Service Center
1221 Pierce Street, Sioux City*

All the children of our community have the right to attend schools and school activities that are safe. Parents have a right to expect that the schools they send their children to will be safe schools, and that all school activities they send their children to will be safe school activities. School teachers and all other school employees have this same right to safety.

Schools and school activities cannot be safe if a student brings a weapon. Our schools can be safe only when they are completely free of all weapons of every type.

We, the superintendents of all the public schools in Sioux City and all the Catholic schools in the Sioux City metropolitan area, have the obligation to do all that we can to see that all our schools and school activities are safe.

We also have an obligation to clearly inform all students, and to clearly inform all parents of students, of our policies promoting school safety.

To all of our students, and to all of the parents of the students in our schools, we announce today the "No Weapons In School - Zero Tolerance" policy for all of the Sioux City's Public Schools and all the Catholic Schools in the Sioux City metropolitan area.

This policy means just what the policy's title says: "No weapons" means just that no weapons of any kind may be possessed in our schools, on our school properties, or at our school activities. No loaded guns, no unloaded guns, no knives, no clubs, no nunchakus, and no other objects, which are used as weapons. No weapons, period.

"Zero Tolerance" means just that-the possession of weapons of any kind in our schools, on our school properties, or at our school activities, will *not* be tolerated to any degree. Zero tolerance, period.

Our "No Weapons In School – Zero Tolerance" policy will require school principals to be immediately informed if a student brings a weapon of any kind to school or to a school activity. The school principal will then be required to immediately contact a police department school liaison police officer. Most likely, the student will be immediately suspended from school-by-school officials, and the student may then be taken by a police officer to the county juvenile detention center for the overnight detention. Juvenile court officials and the county attorney's office will then take the steps they believe will best prevent further danger to the community and to the child, up to and including requesting the continued detention of the student pending further court action.

We will strictly enforce the "No Weapons In School- Zero Tolerance" policy in all our schools. We expect all students to obey this policy, and we ask all parents of students to see that their children learn of the policy and obey it.

Asbestos Information

In Bishop Heelan High School, friable and non-friable asbestos containing materials will be maintained in good condition and appropriate precautions will be followed when said material is disturbed for any reason. Furthermore, the rules of AHERA have been implemented, staff training has been completed, and necessary funding provided to implement all response actions as required.

Activities

Eligibility/Participation in School Activities

The educational program at Bishop Heelan High School is dedicated to the development of students as responsible Christian citizens. The activities program requires not only high standards of citizenship, but a type of mental and physical awareness that is usually superior to that of a typical non-participant. This eligibility code will be enforced the entire year, which includes the summer months, regardless of whether the student is in-season or out-of-season. Students are reminded that participation in any extra-curricular or co-curricular activity is a privilege, not a right. Students who are or will be participating in school activities are subject to the school rules that apply to all students AND to the eligibility rules.

In order to participate in or attend a school activity, **Early Bird students must attend by 7:45 AM, all other students must be in school by 8:30 AM** the day of the scheduled activity. Students must remain in school until the end of the day or dismissal of the activity to participate in the evening. This includes but may not be limited to the following: athletic contests, musical performances, band concerts, debate tournaments, all practices, all rehearsals, etc. Considerations may be made when travel safety concerns become a factor.

Students ineligible to participate because of academic, disciplinary, or eligibility violations may (at the discretion of the individual moderator/coach) participate in practices / scrimmages / rehearsals but may not represent the school in any public contests or performances.

For questions regarding academic eligibility see **Academic Performance Affecting Activity Participation** on page 8.

The administration reserves the right to withhold students from activities for the purpose of attendance, behavioral, or academic concerns.

Optional Practices due to Cancellation of School/Early Dismissal

If weather conditions cause the cancellation of the normal school day the principal, in consultation with the Activities Director, will decide based on weather and road conditions, whether ANY practices will be allowed. (For instance, if the police are saying "No travel is recommended", no practice will be permitted.) If practices are permitted, then the moderator may use discretion, taking into consideration the weather and safety of students and the age of the students involved in the activity. No freshman team will practice or play a contest on such a day. Use of the facilities will be scheduled through the activity director for activities involving mainly older students. Priority for first practice time goes to the team that was originally scheduled to have the early practice that day. If practice is permitted, it may not be mandatory, and no student shall incur a negative consequence for not attending practice/rehearsal on such a day.

When school is dismissed early because of heat, practices may be held. Special consideration will be given to time of day and practice area to be utilized.

Concurrent Activities Participation

Bishop Heelan High School will use the following policy in allowing concurrent activities. For a student to remain in a Bishop Heelan activity and also participate in the same season activity in a non-school setting, the student will:

1. Notify the Activities Department of their dual participation
2. Not miss Bishop Heelan practices or events due to the Non-School Activity (NSA) unless approved by the activity moderator/coach. This includes going to the NSA and missing practices or events for Bishop Heelan; missing practices/events due to travel to and /or from the NSA; being present at practices or events, but unable to perform because of situations related to NSA.
3. There may be a "blackout period" where a NSA will not be allowed in preparation for the tournament, play-off series or performances. This will be determined prior to the organizational meeting. The moderator of the activity, the activity director, and the school administrator will determine this blackout period.
4. The penalty for non-adherence to the aforementioned policy will be a period of ineligibility for that activity.

These proposals are established to allow students to participate more fully in activities that their families feel are important. By allowing dual participation, compromise can be achieved that allows both the team and the individual to co-exist.

Transfer Eligibility

A student who transfers to Bishop Heelan without having completed a full period of ineligibility at his/her previous school will not be immediately eligible for public performances / competitions at Bishop Heelan High School. The period of ineligibility will be consistent with the guide for Bishop Heelan Activities. The student

will serve the same period of ineligibility for the disciplinary offense or failing grades had the student been enrolled at Bishop Heelan.

Common Prayers

As St. Paul tells the Thessalonians, "Rejoice always. Pray without ceasing. In all circumstances give thanks, for this is the will of God for you in Christ Jesus." His words apply to us today as we seek to pray always and delight in the Lord who redeems us. As you come to know the Sacred Heart of Jesus, you are welcome to speak to the Lord directly in your own words and enjoy divine intimacy with Him. Yet these traditional prayers below are offered as a helpful guide, through which you will remain united to countless generations of other Christians who have sought to praise God with one voice.

Lord's Prayer: Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation but deliver us from evil. Amen.

Hail Mary: Hail Mary, full of grace! The Lord is with thee, blessed are thou among women, and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

Glory Be: Glory be to the Father, and to the Son, and to the Holy Spirit. As it was in the beginning, is now and ever shall be, a world without end. Amen

Apostle's Creed: I believe in God, the Father Almighty, Creator of heaven and earth; and in Jesus Christ, His only Son, Our Lord: who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried. He descended into hell; the third day He arose again from the dead. He ascended into heaven; sits at the right hand of God, the Father Almighty; from thence He shall come to judge the living and the dead. I believe in the Holy Spirit, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting. Amen.

Act of Contrition: (*There are many versions of this prayer, all of which bring us to the goal of sorrow for our sins and a resolution to avoid temptations in the future.*) My God, I am sorry for my sins with all my heart. In choosing to do wrong and failing to do good, I have sinned against you whom I should love above all things. I firmly intend, with your help to do penance, to sin no more, and to avoid whatever leads me to sin. Amen.

Memorare: Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thine intercession was left unaided. Inspired by this confidence, I fly unto thee, O Virgin of virgins, my mother; to thee do I come, before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy hear and answer me.

Prayer before study: Teach me to do your will, for you are my God. Ps. 143:10
May we grow in grace and in the knowledge of our Lord and Savior Jesus Christ. To Him be glory now and to the day of eternity. 2 Peter 3:18

Lord, may everything we do begin with your inspiration and continue your help so that all our prayers and works may begin in you and by you be happily ended. Amen

Saint Patrick's Breastplate: I arise today through God's strength to pilot me, God's might to uphold me, God's wisdom to guide me, God's eye to look before me, God's ear to hear me, God's hand to guard me, God's way to lie before me, God's shield to protect me, God's host to save me from the snares of the devil.

Night Prayer: May the all-powerful Lord grant us a restful night and a peaceful death. Protect us, Lord, as we stay awake; watch over us as we sleep, that awake, we may keep watch with Christ, and asleep, rest in His peace.

Technology Policy

We are very pleased to be able to offer a rich technology environment for the students and staff of the Bishop Heelan Catholic Schools (BHCS). The purpose of this policy is to ensure the equitable and optimal use of all technology-related equipment at the school and to encourage the use of technology as a valuable learning tool. It is the policy of the BHCS to maintain an environment that promotes ethical and moral technology use. It shall be a violation of this policy for any employee or student to engage in any activity that does not conform to the established purpose and general rules set forth in this policy.

User Rights

All students will be granted free and equal access to as many technology services as possible. The use of technology at the BHCS is a **privilege**, not a right, and inappropriate use may result in cancellation of that privilege.

Usage Guidelines

- All use of technology must be in support of education and research and consistent with the purposes and policies of the BHCS.
- The illegal installation of copyrighted software for use on school computers is prohibited.
- Users shall not intentionally seek information on, obtain copies of, or modify files, other data or passwords belonging to other users, or misrepresent other users on the computer network.
- The use of profanities, obscenities, or other language which may be offensive or degrading to another user is strictly prohibited.
- Malicious use of the computers to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system is prohibited.
- The BHCS reserves the right to review, monitor, and restrict information stored on or transmitted via Bishop Heelan owned or leased equipment and to investigate suspected inappropriate use of resources.
- Hardware or software shall not be destroyed, modified, or abused in any way.
- The system administrator has access to all files and electronic mail.
- Use of the technology for personal and/or private gain is prohibited.
- From time to time, the BHCS administration will make determinations on whether specific uses of the technology are consistent with the acceptable use practice.

Enforcement of Policy

Any user who does not comply with these Policies and Guidelines will have modified use of the technology at the BHCS. Repeated or severe infractions of the Policies and Guidelines will result in appropriate disciplinary action in addition to suspension or termination of access privileges.

BHCS Access Guidelines to the Internet

The BHCS is pleased to offer its students access to the Internet. On the Internet, students and staff may participate in activities that support learning and teaching. With access to people around the world, you might have access to information that may not be appropriate. The BHCS has taken measures to prevent access to inappropriate information; however, we cannot control all of the information available on the Internet. The school is **not responsible** for other people's actions or the quality and content of information available.

Users' Responsibilities

Students utilizing school-provided Internet access are responsible for good behavior on-line just as they are in a classroom or other areas of the school. The same general rules for behavior and communications apply. Unacceptable uses of the network will result in the suspension or revocation of network privileges. Additional disciplinary action may result; the inappropriate behavior will be judged as a normal disciplinary procedure – the involvement of technology equipment does not necessarily invoke a special set of procedures. When applicable, law enforcement agencies may be involved.

The purpose of Internet use is to facilitate communications in support of research and education by providing access to unique resources and opportunities for collaborative work. The BHCS reserves the right to monitor Internet activity and electronic correspondence to ensure proper use of the network. Access is a **privilege**, not a right.

Guidelines for Network Access

Note: Users are defined as students, the BHCS staff or volunteers who have permission to use the schools' computer networks. The following guidelines are intended to help you use the network appropriately:

- Users will follow all the rules listed in the BHCS Technology Policy.
- Students will access the Internet only when under the supervision of the BHCS personnel or a volunteer deemed qualified by the principal.
- Students will keep their personal home address, home phone number, cell phone number, or phone numbers of any other individuals private.
- Users will protect their password from others.
- Users will only use their real name or Heelan email address.
- Users are always expected to conduct themselves in a morally acceptable manner while on the network.

- Users will use proper language. Profanity, obscenity, or other language which may be offensive to another user is not allowed.
- Users will not use the network for illegal, inappropriate or obscene purposes.
- Users who access or process pornographic material, inappropriate text files, or files dangerous to the integrity of the network will face disciplinary procedures.
- Users will not attempt to purchase or sell materials while on-line.
- Users will not use the network for financial gain.
- Users will not attempt to access unauthorized accounts or files.
- Users will not create or distribute computer viruses.
- Users will not modify the computing system or software or commit any vandalism.
- Users will uphold copyright laws.

Please note: The BHCS staff and students will have access to the technological resources at the BHCS as long as they signed the appropriate form* and they are on file at the school. However, students who do not have this form on file will not have access to the Bishop Heelan High School computers.

Parents/Guardians need to discuss the Bishop Heelan Catholic Schools' Technology Policy with the student. The appropriate form* needs to be signed by the student and the parent/guardian and returned to the campus of the BHCS before access to the technological resources at Bishop Heelan are allowed.

The Bishop Heelan Catholic Schools reserve the right to impose consequences for inappropriate behavior that takes place off campus and outside school hours. Thus, inappropriate use of technology (for example, on a home computer), may subject the student to consequences. Inappropriate use includes harassment, use of school name, remarks directed to or about teachers, offensive communications and safety threats.

*This form was signed upon initial registration of classes.
