Clinton Central School District UPK/SUFDPK
Policies and Procedures

1. **Facility Quality**: The AGENCY will provide a facility that is well maintained, clean and safe. There will be adequate space for outdoor play with appropriately maintained equipment. The bathrooms will be immediately accessible and barrier free. The classrooms will be arranged into learning areas/centers and allow for the safe movement and activity for the number of children enrolled. Inspections will be made regularly by the District and OCFS, and areas in need of correction will be addressed in a timely manner.

2. **Curriculum and Instruction**: The AGENCY will provide for an age and developmentally appropriate curriculum and activities that are learner-centered and play-based. Curriculum materials will be selected and/or approved by the Clinton Central School District.

3. **Screening and Assessment**: The AGENCY will administer a district-approved screening assessment to each student at the beginning of each school year. The results of this screening assessment will be used to determine if a CPSE referral is appropriate and to identify if additional supports are necessary. In addition, The AGENCY will administer a district approved and curriculum-based assessment three times per school year—specifically in the Fall, Winter, and Spring, using assessment instruments that are approved by the District and NYS.

4. **Ensuring Continuity of Instruction and Transition to School-Age Programs**: With guidance from the district, the AGENCY will provide workshops and parent meetings regarding the Pre-Kindergarten to Kindergarten transition process. Specifically, each AGENCY UPK teacher will visit a district Kindergarten Classroom at least once annually.

5. **Identification, Inclusion, and Support of Students with Special Needs**: The AGENCY will assure that students with disabilities participate in regular education activities and that accommodations are made, as needed. The AGENCY will use the results of the screening assessment, classroom observations, and teacher or parental input to identify children who may require a referral to the Committee for Preschool Special Education. The AGENCY will work with parents and the Clinton Central School District to make referrals for testing and services.

6. **Inclusion, instruction, and Support of English Language Learners**: The AGENCY will support diversity, parent involvement, and the retention/promotion of a student's home language as he/she progresses toward English learning. As much as is practicable, the AGENCY will provide oral and written communication to parents/families in their preferred language. The AGENCY will provide opportunities for students' literacy development in the home language, while also promoting acquisition of English in an inclusive classroom setting. The AGENCY will ensure that
the developmental and social emotional screening processes, and the provision of special services for students, are inclusive and respectful of their language and culture.

7. **Staffing:** All AGENCY UPK teachers must possess a teaching license or certificate valid for services in the early childhood grades. The AGENCY must employ an on-site Education Director during the hours that the program is in operation. The Education Director will be responsible for program implementation and must also possess a teaching license or certificate valid for services in the early childhood grades. Furthermore, the AGENCY must have at least one teacher and one teaching assistant or teacher aide working in each UPK classroom. If there are more than 18 children in a UPK classroom, there must be one additional teacher assistant or teacher aide working in that classroom.

8. **Professional Development:** To ensure continuity from Pre-K to grades K-3, all AGENCY UPK teachers and Education Directors will be permitted and encouraged to attend relevant grades K-3 professional development activities. The Clinton Central School District will provide one full day of pre-K specific professional development each year. The AGENCY is responsible for tracking the professional development hours attended by each teacher and Education Director.

9. **Family Engagement and Support:** Each AGENCY will provide parents with opportunities to gain an understanding of the SUFDPK program and curriculum, participate in parent education programs, understand the process of applying for kindergarten in the district and provide written feedback about the program in the form of an end-of-year questionnaire/survey. Written communication to parents will be provided in the parents' native language when possible.

10. **Physical Well-being and Health:** The Agency will provide a daily healthy snack and lunch for each student. Teaching staff will sit with and actively engage with children during meal time. The Agency will provide adequate time for daily outdoor play as weather permits. The Agency will provide children with adequate time and appropriate location for a daily rest period.

11. **Partnerships with Community, Non-profit, and Educational Institutions:** Efforts will be made with various community/non-profit organizations and educational institutions to form partnerships that will result in field trips and guest speakers/events to benefit the academic, social and emotional needs of Pre-K students.

12. **Program Oversight and Fiscal Management:** The AGENCY must comply with all fiscal requirements including: creating an annual budget that will be submitted and approved by the Clinton Central School District, maintaining income and expense reports supported by detailed invoices, and any other financial and programmatic records that detail allocation.

Non-Collusive Bidding Certification

By submission of this bid proposal, the bidder certifies that he is complying with Section 103-d of the General Municipal Law as follows:

Statement of non-collusion in bids and proposal to political subdivision of the state. Every bid or proposal hereafter made to a political subdivision of the state or any public department, agency or official thereof where competitive bidding is required by statute, rule, regulation or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the bidder and affirmed by such bidder as true under the penalties of perjury: Non-collusive bidding certification.

1. By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief:
   1) The prices in this bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor:
   2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and
   3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

   (b) A bid shall not be considered for award nor shall any award be made where (a) (1) (2) and (3) above have not been complied with; provided, however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where (a) (1) (2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

   The fact that a bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers or proposed or pending publications of new or revised price lists for such items or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph one (a).

2. Any bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a corporate bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation or local law, and where such bid contains the certification referred to in subdivision one of the section, shall be deemed to have been authorized by the board of directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

III. Debarment and Suspension Certification

To ensure that a school authority does not enter into a contract with a debarred or suspended company or individual, each school authority must require that each responsive bidder include a certification statement with each bid on each contract. By signing the certification statement, the bidder certifies that neither it nor any of its principals (e.g., key employees) have been proposed for debarment, debarred, or suspended by a Federal agency. It is the responsibility of each bidder to sign the certification statement and submit it with any bid.

A school authority may rely upon the certification statement submitted by a bidder unless school authority personnel know that the certification is in error. In such cases, the school authority should contact the State agency for confirmation of the bidder's status relative to debarment and suspension.
