Dear colleague,

This email is to inform you that the New York State Education Department (NYSED or "the Department") has programmatically approved:

- ARP ESSER State Level Reserve - Lost Instructional Time - 001
- ARP ESSER State Level Reserve - Comprehensive After-School - 002
- Summer Learning and Enrichment - Frewsburg CSD- Amendment 001

following a risk-based review of the submitted materials.

Your application will be forwarded to the NYSED Grants Finance Office for final processing.

As a reminder, the project period for this grant award is from March 13, 2020, through September 30, 2024. FS-10F final expenditure reports should not be submitted until after all encumbrances have been liquidated (bills paid) but no later than 10/30/2024.

Per the Interim Final Rule, LEAs are required to make public their ARP ESSER State Reserves plan on the LEA website. Please ensure the LEA has posted their ARP ESSER State Reserves Plan, FS-10, and Budget Narrative, as well as any amendments to the ARP ESSER State Reserves Plan at the link the LEA provided in the ARP ESSER State Reserves application. This will be part of the NYSED monitoring process.

Please note that the Department will continue to review and analyze information from programmatically approved applications throughout the project period as part of its established risk-based review process. As a result, NYSED staff may contact you in the future to provide additional technical assistance or request modifications to your application materials to ensure compliance with federal and state statutes, regulations, and requirements.

If you have any additional questions, please feel free to contact me or the ESSA-Funded Programs at 518-473-0295 or via email at caresact@nysed.gov.
