March 22 - 24, 2024  
RES Little Theater**

**RSVP ONLINE TO  
OUR EVENTS AT:  
[RESHS.ORG](https://reshs.org)**

## **February 23, 2024 | President Update**

Dear Parents and Guardians,

I hope this message finds you well. As we continue our partnership in forming the young women entrusted to our care, I am providing a brief update on the latest developments and upcoming events.

### **Teaching and Learning**

Academic Approach provided Data-Driven Instructional Conferences to teachers on February 21, 2024.

Academic Approach will help faculty gather and analyze student data. Using Academic Approach's robust suite of reports, faculty will be able to view student testing data and draw insights into students' college-readiness.

School leaders and the Math Department teachers attended an all-day virtual First Education Math Summit

late last week to become immersed in the insights of renowned educators and mathematicians who have championed the cause of building thinking classrooms and productive struggle. Math teachers explored strategies and techniques to encourage student thinking and productive struggle among Res students, enabling them to grapple with complex problems and develop resilience in the face of challenges.

### **Mission and Ministry**

Complementing our service and spiritual work is also the expansion of our environmental initiative. A new partnership with Green Grease and Loyola University is turning used grease into biofuel. In conjunction with our 'One Book, One School' program focused on environmental stewardship, we're planning a Chicago River clean-up, reinforcing our commitment to ecological responsibility.

### **Buildings and Grounds**

- Fire System: We are still on track with the installation set for the first week of March.
- Campus Lights: We are still about 6 weeks until the repair and installation of phase one.
- GardaWorld: Our partnership with GardaWorld was commended this week! We will have two security personnel from 7:00 am - 7:00 pm and on weekends as needed. This week, and into next, their team will become acquainted with our campus layout, gain a greater understanding of our specific procedures and practices, and assess our overall security needs.

### **Business Office**

Tuition assistance applications are due on February 29, 2024. If you have specific questions about any tuition related matters, please do not hesitate to contact our Business Services Manager, Veronica Romero at [vromero@reshs.org](mailto:vromero@reshs.org).

The tentative 2024-25 school year calendar is available online at:

<https://www.reshs.org/about/calendar>

Next week, we will have more updates on the ongoing projects and information on our strategic plan. Feel free to contact me with any questions or concerns.

In De La Salle,  
Dr. Rick Piwowarski | President
